NOTES.

6..Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted, or substitute*, as the case may be; and under the heading "When Mustered in," will be given the date when the soldier was drafted, or, if a substitute, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment;) under "Where Mustered in," will be given the place from which drafted, (or, if a substitute, where enlisted;) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *4th D. Mass.* (meaning 4th Enrollment District, State of Massachusetts.) Or, if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.

7..Commanders of Rendezvous, in making up these rolls for the Adjutant General's Office, will be particular to see that only drafted men and substitutes of one regiment appear on the same roll. This form should be used for all drafted men and substitutes sent from General Rendezvous.

8..Drafted men and substitutes are assigned to regiments at the General Rendezvous; all other enlisted men are enlisted and mustered into some particular regiment.

* WE CERTIFY, ON HONOR, that this Muster and Descriptive Roll is correct, and that it exhibits the true statement of this Detachment of men, who are hereby declared duly drafted and mustered into the service of the United States, for the time and from the date set opposite their respective names.
