In Memoriam

In sad but loving remembrance of our dear sister, Etta M. Cox, who departed this life May 1, 1917.

The month of May once more is here,
To us the saddest of the year,
Because it took from us away
Our sister dear—two years ago today.
Her gentle smile, her loving face,
No one can fill her vacant place.
SISTERS KATIE AND MARY.

Dear is the spot where our aunt is laid,
Sweet is her memory that never will fade.
NEICE IDA.

You are not forgotten, daughter dear,
Nor never will you be.
As long as life and memory lasts
We will always think of thee.
MOTHER AND FATHER.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

G. ALLEN GOLDSBOROUGH, of Denton, was in Chestertown this week and announced his candidacy for Chief Judge of the Circuit Court of this Circuit at the Democratic primaries. We have heard no announcements for the associate judgeship in opposition to Hon. L. W. Wickes. Better make it unanimous.
