Damico Calls Tanlac The Master Workman

And Gives Tanlac Credit For Relieving Stomach Trouble And Keeping Him On The Job.

"Tanlac is the greatest medicine I ever came across," declares Alli Damico, 1233 4½ St. S. W., Washington, D. C., an expert cabinet maker, for seventeen years employed by the National Woodworking Co.

"Stomach trouble was causing me a lot of suffering. I was in almost constant pain, my wife was urging me that I would not eat a thing she cooked and if it had not been for Tanlac I could not have stayed on the job much longer for I was badly run-down and losing strength every day.

"I call Tanlac the Master Workman for it not only set my stomach in order but toned up my whole system and made me feel just the way I like to feel. My wife says I can't eat enough to satisfy my big appetite but she has taken Tanlac herself and is just as pleased with it as I am. From now on, Tanlac is the medicine for me."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

Tanlac [illegible] pills for Constipation. Made and recommended by the manufacturers of Tanlac.

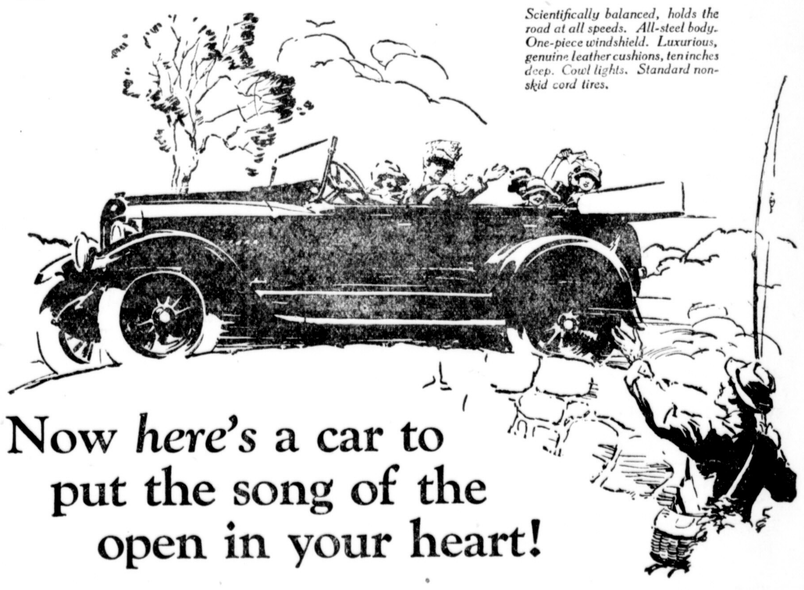
TODAY—Ride in this Remarkable Six



Now *here's* a car to put the song of the open in your heart!

HERE is the open of the country, the quiet of star-leavened skies, the power of a thousand giants to transport you magically to the land of dreams-come-true.

A car world-famous and distinguished, the product of a vehicle-maker internationally acclaimed for the supreme in fine carriages since the days of Lincoln and Grant.

All the luxuries of a fine car—for it is a fine car. The same steels, the same engineering as the most costly Studebaker models—and that means the best men know. The same ease of handling, the same quiet, smooth operation, long life, low upkeep cost.

Now ride in it. Note its quick response to the slightest touch of the accelerator. Feel the thrill of its tremendously powerful six-cylinder motor. Mark its ease of handling, its comfort, its fine car refinements.

Then note its price is well within the limits of economy—the cost of upkeep low. The terms of payment liberal. It offers the supreme value of today in the $1000 field.

We invite you to take out a Light-Six model for comparison with other cars at near its price. Then with cars selling for several hundred dollars more. We'll place a Light-Six at your disposal for this purpose any time you name.

Buy no car at $500 or more without making this test. Don't buy blindfolded.
