**Hall's Catarrh Medicine**

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and assisting Nature in restoring normal conditions.

Washington, Dec. 19.—Opposition to extension of the immigration restriction act beyond next June 30 is appearing in certain quarters and appears to be well organized and ably financed.
