FOR SALE, The Rum Distillery,

On Jones's Falls, known by the name of John Baron's Distillery, one of the most extensive establishments of the kind in the U. States, making annually from 90 to 100,000 Gallons of strong 4th proof Rum, and where 100 bushels of Grain can be distilled in 24 hours, and with sufficient stores for 300 hhds molasses, stable, hay loft, Cooper's shop, shed for wood and carriages, &c. and a dwelling house—the whole in such order as to require no repair of any consequence it is presumed for a long time, and which can be better ascertained by viewing the premises.

It is sold in the present advantageous conjuncture for establishments of that kind, for no other reason than the weak constitution of Mr. John Baron, which does not permit him to follow any longer this line of business. He will nevertheless let the purchaser or such person as may be appointed for the purpose, know all his processes to extract from the molasses all the spirits it is susceptible to yield, and to make the 4th proof rum generally known under the appellation of *Baltimore 4th proof Rum*, which by the price it has constantly obtained, has given to the establishment an advantage over all the other Distilleries of the country, of not less than 12 cents but oftener of 16 and 20 cents per gallon of 1st proof, which can be satisfactorily demonstrated to persons inclined to purchase.

Possession may be given immediately by the purchasing at prime cost the stock on hand of grain, of wood, or immediately after the same will be consumed or distilled.

Terms of sale will be accommodating and proposals received by
