Kilbourn & Bramble,

FAIRLEE, MARYLAND.

ON THE GO, TO AND FRO.

Mr. James VanDyke, who has been quite sick at the home of his niece, Miss Lulu VanDyke, Kennedyville, for several weeks, is greatly improved.

Miss Myrtle B. Mann gave a beautifully arranged musicale Saturday afternoon at her home, Hawthorne Place, Betterton. The drawing room was handsomely decorated with plants, pink carnations and ferns and pink shaded lights. The program, consisting of 18 numbers, was beautifully rendered, and those taking part each wore a corsage bouquet of pink carnations and ferns, presented to them by the hostess.

Later in the afternoon a collation was served, red carnations being used in the dinning room, with shaded lights of the same color. Among the guests were ncluded a number from Baltimore and other places.

Mr. Holton Parr, a student at Washington College, was called to the bedside of his mother, Mrs. William Parr in Still Pond last week, who had been very ill, but we are glad to state that she is improving.

Mr. Leslie Duyer, of Philadelphia, spent the week end with his parents, Mr. and Mrs. Jesse T. Duyer, near the the mill.

Mrs. H. S. Barnett spent several days this week with Mrs. Stewart in Baltimore.

Mr. John Hadaway, who holds a lucrative position with the Old Town Bank of Baltimore, spent Saturday and Sunday with his parents, Mr. and Mrs. Walter H. Hadaway, near Edesville.

James W. Chapman Jr, Esq., of the Baltimore bar, was in Chestertown on legal business on Tuesday.

Mr. Earle Duyer, Richmond, Va., has been the guest of his parents during the week. Mr. Duyer is employed in a large printing office in Richmond.

We regret to state that Judge of the Orphans Court Edwin S. Morris has been quite sick this week. Judge Morris was on his way to Chestertown on Tuesday morning when it is reported he was taken ill at Lambson's station.

Dr. E. J. Clarke has been confined to his home on Washington avenne for several days suffering with a severe cold.

Mrs. E. A. Corey, of near Melitota, is recovering from a recent attack of the grippe.

Dr. John M. Toulson, of Salisbury, spent Sunday with his parents, Mr. and Mrs. M. A. Toulson, on Princess street.

Mrs. Williams, of Middletown, Del., has been the guest of her sister, Mrs. Geo. D. Lofland, on High street.

Mrs. Ellen Beck returned to her home here last week after having spent the winter with relatives in St. Louis, Mo., and in Texas.

Mr. Gilbert Taylor, county surveyor, will remove to Chestertown, and has rented rooms with Mr. J. Hall Denny.

Miss Mollie O'Connor, superintendent of A. L. Sparks' millinery department, has returned for the spring and summer trade.

Mrs. Horace Dumars, of Glen Ridge, N. J., is the guest of Mrs. Barbara Anthony on High street.

Mr. H. F. Jefferson made a business trip to New York last week purchasing latest styles in millinery etc. for the Chestertown store.

Messrs. Clarence and Charles Lecates of Wilmington, spent Sunday in town,

Mrs. Rachel Hill, of Kennedyville, left Saturday morning for Westminster to see her son, Harry, a student of Western Maryland College, who is suffering with pneumonia.

Miss Anna Smyth, assistant teacher at Betterton, is quite sick at the home of her parents, Prof. and Mrs. J. L. Smyth, on High street.

Rev. Dr. F. T. Little was in Baltimore on business a part of the week.

Mr. Roy Duyer, son of Mr. Jesse Duyer, was taken to Baltimore this week for special treatment. Mr. Duyer has been suffering with serious nervous trouble recently, and it is hoped that the treatment will do him a great deal of good.

New Telephone Lines.

The Pomona Telephone Company was organized this week with the following subscribers: Miss Lizzie Baker, Messrs. G. M. Hadaway, W. S. Trew, T. R. Starr, W. C. Townshend, Edward W. Emory and Richard C. Leaverton, who is to serve as agent to the company. The work of installing the poles and wires will begin immediately and the line will be opened as soon as possible. It will be observed that this line goes only to Quaker Neck. Other subscribers will be added, as the Brown Brothers have already agreed to subscribe and juft as soon as they get six subscribers the line will be extended to Cliff City. The Diamond State Telephone Company, through its very efficient district superintendent, Mr. J. H. Nichols, is doing a splendid work in extending its service to the entire county, and all that remains to be done now is to extend the party line service to Millington and Galena.

Mr. J. H. Hurtt, formerly proprietor of the Voshell House, but now a resident of Baltimore, in renewing his subscription to the TRANSCRIPT this week says: "I think very much of your paper." An esteemed subscriber near Millington failed to receive his paper several weeks ago, and in writing to know the reason stated that the TRANSCRIPT is doing so much good for the people of this county that he does not want to miss a single issue of the paper. All such statements as these are encouraging to the editors.

. . . THE . . .

Fairfield Blood Tonics

THE SCIENTIFIC CONDITION POWDERS

that restore to Hay, Grain and Fodder the nutritive elements driven from them in the drying process.

A SEPARATE PREPARATION FOR EACH KIND OF ANIMAL

Blood Tonic for Horses Only

MONEY MAKING TIME.

Do you want to exchange one dollar for two? Then, hurry to J. S. Kreeger, the Jeweler, in the new store in the burnt district, and buy from our

HOUSE-CLEANING SALE

After taking inventory of stock, we find an over stock of a great many things, and in order to reduce these accumulations at the earliest possible moment, we will offer many staple articles in Silverware, China and Jewelry at half regular price. Many other things that are useful but slightly shop worn or slow sellers, we will offer at about one-fourth regular price. Many of these things will come in during the year for presents, or will be useful in your own home. See our BARGAIN WINDOW.

WHO IS THE F. S. ROYSTER GUANO COMPANY?

TRADE MARK F.S.R. REGISTERED.

The F. S. Royster Guano Company is the largest independent manufacturer of Fertilizers in the United States.

The business was founded twenty-seven years ago by Mr. F. S. Royster, who is still at the head of the Company, and gives the business his personal attention. It requires eight large Factories to supply the demand for Royster goods in the South alone.

Being desirous of extending our territory, we have built in Baltimore one of the largest and most modern fertilizer and Sulphuric Acid plants in existence.

Ask your dealer for ROYSTER goods and see that the trade-mark is on every bag. If he does not handle them, write and give us his name and we will arrange with him, or some one else, to supply you.
