Record Crowd In Chestertown.—A record crowd was in Chestertown last Saturday night. The night was an ideal one and cars lined the streets on every hand, with a large sprinkling of teams everywhere. The town was packed until a late hour at night and merchants report a splendid night for business.

Strawberry Season Here.—Strawberry season is on in full swing in this section and the local market is full of fine ones. The prices have been ranging from 30 to 25 cents. Not only has the local market been full of berries, but the largest part of the crop is being taken to northern markets by auto trucks, who visit the patches and get the crop as soon as it is picked.

Auto Accident Near Town.—The horrible accident not long ago in Queen Annes almost became duplicated last Friday afternoon. It seems that an automobile, full of people and household goods, were going toward Easton. When nearly opposite the home of Mr. and Mrs. Walter Elburn, the driver took a drink of coffee from a thermos bottle when the automobile completely upset, pinning the man beneath the car. Messrs. Charles Rickman and Walter Elburn lifted the car and released the man, who was not badly injured.

Starts Moving.—The Third National Bank started moving in their new building yesterday, where they will probably open for the transaction of business about the middle of next week. While the building is not quite finished, some of the material being delayed, the bank officials, in order to give Mr. Sparks possession of their old building, decided to move so Mr. Sparks could start remodeling the building to suit his store business. The new bank has all modern equipment for efficiency in the transaction of business.

To Assist Soldiers—Miss Anna S. Matthews, of Chestertown, has taken up her duties as educational director for the federal board for vocation education at Healthwin Hospital, South Bend, Indiana. Miss Matthews is well equipped for this work, having been a reconstruction aid in the army for 14 months stationed at Fort Sheridan, Ill., and Fort McHenry, Md. She has recently had training at the central office in Washington, D. C., and the two district offices in Philadelphia, Pa., and Cincinnati, Ohio. Miss Matthews' work will be with the er-service men who are patients at Healthwin and will consist of any sort of training that they desire to equip them for future vocations.
