Dear Frank

The Tobacco seed that I promised you last spring I have just received it, and the name of it is Mountain Fir, it grows very large on good land and it has a very bright color and sells very high, and I hope you will get, and let me know whether you do or not, I am in as good health as I ever was and they are all well at Henry's except Sarah and she has presented him with a very fine Daughter, I want you to
