Our Book Table.

The May numbers of Godey and Peterson have been lying on our book table for some days without receiving that notice which they so justly merit. "A May Party" of Godey is as natural engraving as nature itself could make it. We think it rather excels the engravings of past numbers. Its department of patterns and embroidery work is sufficiently remunerative to any one who will take the work. Miss Alvira Slimmens appears again in this volume. The May number of Peterson possesses many attractions. "Washington at Home" will be read with interest, besides very many other pieces in which this number abounds.

The Cosmopolitan Art Journal has also been received, and is quite a welcome visitor. Lovers of Art will find its contents rich, rare and valuable.

THE PUBLIC BLESSING which is now universally admitted to exist in MOFFAT'S LIFE PILLS and PHŒNIX BITTERS, is every day demonstrated by their astonishing efficacy in the cases which they are announced to cure. All the complaints of the stomach and bowels, weakness of the digestive organs and of the system generally, bilious and liver affections, night fevers, head aches, piles, costiveness, consumption, rheumatism, scurvy, impurity of the blood, or blotched and sallow complexions, soon yield to their curative properties. A single trial invariably secures them the title of the best family medicines now before the public. For sale by the proprietor, W. B. MOFFAT, at his office, 235 Broadway, New York, and by Store-keepers and Druggists generally. jan25-1y

HOLLOWAY'S OINTMENT AND PILLS, an astonishing Remedy for Erysipelas.—Mr. Henry Turner, of Dover, Maine, was afflicted with Erysipelas, large purple blotches came on his face and neck, and all parts of his body, and despite of the many remedies he tried he was not benefitted. At length, he had recourse to Holloway's Ointment and Pills, and made up his mind to persevere with these remedies, which he did. The result was, that in a few weeks, he was perfectly cured, and his general health wonderfully improved This case has created quite a sensation in Maine.

PHILADELPHIA, Sept. 9, 1858.

We have carefully tested the sample of Chestnut Grove Whiskey which you sent us, and find that it contains none of the poisonous substance known as Fusil Oil, which is the characteristic and injurious ingredient of the whiskeys in general use.

BOOTH, GARRET & CAMAC, Analytical Chemists.

NEW YORK, Sept. 3, 1858.

I have analyzed a sample of Chestnut Grove Whiskey, received from Mr. Charles Wharton, Jr., of Philadelphia, and having carefully tested it, I am pleased to state that it is entirely free from poisonous or deleterious substances. It is an unusually pure and fine flavored quality of whiskey.

JAMES R. CHILTON, Analytical Chemist.

BOSTON, March 7, 1859.

I have made a chemical analysis of commercial samples of Chestnut Grove Whiskey, which proves to be free from the heavy Fusil Oils, and perfectly pure and unadulterated.—The fine flavor of this Whiskey is derived from the Grain used in manufacturing it. Respectfully, A. A. HAYES, M. D., State Assayer, No. 16 Boylston Street.

Practical Experience better than Experimental Science.

Holloway's Ointment.

CONSOLATION FOR THE SUFFERING.

NEARLY fifty years continual use in every part of the habitable globe, among the savage and the civilized alike, has proved that simple eruptions, open sores, hard tumors, scrofulous developments of all kinds, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in and using as a dressing, this inestimable Ointment.

SCROFULA, ERYSIPELAS AND SALT RHEUM.

No remedy has ever done so much for the cure of diseases of the skin, whatever form they may assume, as this Ointment. No case of salt rheum, scurvy, sore heads, scrofula or erpsipelas, can long withstand its influence.

BAD LEGS, OLD SORES AND ULCERS.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful unguent.

ERUPTIONS ON THE SKIN.

arising from a bad state of the blood or chronic disease, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolument; warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:
