I luckily got off a 90.

I have sold the General Smallwood to Mr. Bingham for 2000 Dollars. She being a small, expensive & unprofitable Vessel I cannot but flatter my self you will think the State extremely well quit of her. — Capt. Rogers & his People are to receive Wages of the State up to the 27th ult.o the day of Sale, subject to a deduction of Dll.s 24.24 advanced them here agreeable to the inclosed Rec.t. — Promising my self the pleasure of paying you my Respects in person some time the approaching winter I have the Honour to remain Sir Your Excellency's &c.

Your Excellency's Obl. Serv.t

Pierre Martenique
