To The Hon.ble Gen.t of the upper and Lower houses of Assembly now Setting

The humble pet.n of Rich.d Deaver of Baltimore County Showeth that your pet.r has a right in fee to a tract of Land lying in Baltimore County Called Broken Islands orig.ll laid out for one hundred and Thirty acres of Land that a Certaine James Lee of the afore.d County hath a right to part of a tract of Land lying in the afore.d County Called friendship which lyes Adjacent to Your pet.r Land but sorrit may it please Your Hon.r that the said James Lee petitioned the Land Comiss.rs for the Ascertaining the bounds of Land to [illegible] the bounds of the said Land Called friendship who proceeded [illegible]dingly on the said Land and as they Adjudged the bounds of the said [illegible] to be. Itt Entirely takes Your pet.r Land from him and as your pet.r humbly Conceives Contrary to all Evidence and Natural bounders [illegible] and many other surveys which had relation to the said land Deave [illegible] their Original places much to the prejudice of several persons who never had Notice of any proceedings as the law Directed whereby they could never appear to Defend their rights but Jn.o Hall Esq.r being much [illegible] by such judgm.ts of the said Comiss.rs Did according to the late Supplementary act petitioned for a review, brought the judges thereof on the said [illegible] made but little Alteration from the first Comiss.rs so that your [illegible] still remains in a State of ruin unless relief by Your Hon.r and as much as that Your pet.r was not a party in the review he humbly Conceives he is not Concluded by their Determinat.n wherefore being in form.d the Land law is at an End most humbly applies himself to Your Hon.r praying that it may be Enacted that Your pet.r may Either be at Liberty to bring his Ejectm.t against the tennants in possession of the Disputed right or that Your Hon.r will Vouchsafe to hear the state of the case in this Honourable house, Your pet.r being all Absurd that let it be Try.d where it will the Justice of his Case can not be made soe plain appear by Evidence and Records that was not had at the first view that it can hardly Admitt of any Dispute but that your pet.r has been very much wrong.d and Your pet.r as in Duty bound shall Ever pray &c.
