Gent. Richmond in Virg.a Aug: 4. 1775.

The Convention having made a small Alteration in their Resolution lately transmitted you for the Non exportation of Grain and Provisions, have directed me immediately to transmit the same to you, as they wish not to place this Colony in a better Situation than their Sister Colonies.

I am with great Respect,

Gent. y.r mo: ob.t S.t

Peyton Randolph

President of the Convention
