Cash for Negroes.

THE highest prices in cash for negroes of either sex, will be given by the subscriber. Persons having such property to dispose of would do well to apply to him, at Mr. Wilson's tavern, in person or by letter.

BENJAMIN F. COCHRAN.

Cambridge, Aug 29 A

$100 REWARD.

RANAWAY from the subscriber, living near Vienna, in Dorchester county, E. S., Maryland, a negro man named GREENCEPHUS, aged about 22 years, tolerably black, 5 feet 2 or 3 inches high, stout and well made. When spoken to, he is slow to answer; he has a long sharp nose, and eyes with much white about them, and has also lost the small toe of his right foot. He had on when he went way, tow-linen clothing, and took with him a pair of black lasting pantaloons, and a pair of striped cotton.—The subscriber will give for the apprehension of said negro, $30, if taken in the county; or if out of the county and in the State, $50; or $100 if out of the State—provided he be lodged in Cambridge or some other jail and secured so that the owner shall get him again.

Talavera Wheat.

THE subscriber offers for sale a few hundred bushels of "Talavera" Seed Wheat, which he has taken much pains to preserve pure. It is a smooth head and white wheat; grows a vigorous and tall stalk; and is very productive. From his experiments, fairly made, in the last two years, and especially that of the last winter, in comparison with the "Blue Straw," "the Red Chaff White," and "the Smooth White," under like circumstances, in various soils, and situations, its character as the most hardy wheat is established in his opinion:—Branching largely, it requires less for seed; and, from its superior strong growth, it will probably, as is said of it, "considerably resist the Fly."

The price will be the same it cost him—two dollars per bushel.

WOOD LAND FOR SALE.

THE subscriber offers for sale a body of WOOD LAND, adjoining the Shoal Creek estate, containing between

3 AND 400 ACRES,

within a mile and a half of the town of Cambridge, and about the same distance from the Great Choptank river.

This land is heavily timbered, and would be very desirable to vessel builders and others employed in the lumber and wood business. There will be reserved to the purchaser of this land a right of way to the river and also in the direction of Cambridge.

It is desirable to sell it in a body, but if this is not done by the fall, it will then be exposed at public sale in lots to suit purchasers.
