have agreed to submit the accompanying ordinance.

John Dukehart, } First Branch. A Little Shaffer, } Hugh A Cooper, } Second Branch.
Isaac Mules,
Wm E Beale,

Mr Dukehart, chairman of the joint committee on police and jail, presented the following report and resolution, which were read and laid on the table:

The joint committee on police and jail, to whom was referred the petition of Gabriel Cochot, praying that an ordinance may be passed allowing him the use of the footways, in which to wheel his knife and scissor grinding machine, in consequence of the roughness of the streets, which in his present ill health, he alleges, renders it extremely painful to him to use the streets, respectfully report, that however much they may regret the ill health of the petitioner, they deem special legislation for individual benefit unwise. What the petitioner asks for, for the reasons assigned, may be asked for by another for other reasons, equally entitled to an exemption from the penalties of the ordinance relating to the subject. The committee therefore offer the following resolution:

John Dukehart, } First Branch. A Little Shaffer, } Hugh A Cooper, } Second Branch.
Isaac Mules,
Wm E Beale,

Resolved, that the committee be discharged from the further consideration of the subject.

Mr Dukehart called up bill No 11, entitled "A Supplement to revised ordinance No 33, entitled "An ordinance to prevent the erection of frame and wooden buildings within certain limits, and for other purposes,"— approved May 20, 1850, which was read.

Mr Beale moved that the ordinance be indefinitely postponed, which was determined in the affirmative.

On motion of Mr Blanford, the branch adjourned till Monday afternoon next, at 4 o'clock.

By Order
Joseph M Perry, Clerk.
