Women, Weak, Tired, Rundown And Nervous

or who suffer ovarian pains, pains in the lower part of the stomach, bearing down pains, female weaknesses, headaches, backache, melancholia, despondency, nervous derangements, flushes of heat, fleeting and indefinite pains, whites, painful or irregular periods, should write to Mrs. Ellen Lovell, 5252 Mass., Kansas City, Mo.

She will entirely FREE and without charge to the inquirer advise of a convenient home method whereby she and other women say they have successfully relieved similar troubles.

The most common expression of these thankful women is "I feel like a new woman." And others, "I don't have any pains whatever anymore." "I can hardly believe myself that your Wonderful Method has done so much good for me in such a short time." Write today. This advice is entirely free to you. She has nothing to sell.

is a prescription for

Colds, Grippe, Flu, Dengue, Bilious Fever and Malaria.

It kills the germs. Feb.-28.

COLDS THAT DEVELOP INTO PNEUMONIA

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. (adv.)

Poisoned Blood

System Filled With **Poison** as a result of

CONSTIPATION

Mr. R. J. Black, of Kelton, S. C., says:

"I could not eat and my rest at night was disturbed. I was troubled with the effects of gas pains, and I hardly had a comfortable day. I was nervous and worried. All I could do was to complain. I tried several things but I could get no relief. All my ailments were the result of chronic constipation which caused my system to become filled with poison.

"One day a friend suggested that I try Black-Draught. I began taking it right off. I continued the medicine for several weeks and since then I have felt fine. I am in better health now than I have been in years.

"Black-Draught is a splendid remedy for constipation."

Thousands of others say the same.

Try it. 25 cents a package. ec-12

DOES INCENSE CHANGE LUCK?

Untold millions of people regard Incense burning with religious awe, and many hope by its use to dispel "Evil Influences" and bring "Good Luck" to the user. The idea is by no means new, for even the Bible tells about the burning of Incense in olden times to induce the favor of the gods.

Secret ingredients of the modern Incense, known as Lucky Star Incense, were used thousands of years ago, though now they are pressed into novel star-shaped pastilles, and each one branded with the words "Lucky Star." Easy to use and highly pleasing. After trial, thousands say: "I will never be without them." "Just what I have been looking for."
