MPORTANT TO FARMERS.

A NEW AND IMPROVED PORTABLE

HORSE POWER AND THRESHING

MACHINE.

Having obtained Letters Patent, bearing date Feb. 6th 1838, for an improvement on a PORTABLE HORSE POWER, for propelling Threshing Machines, Clover Mills, Small Grist Mills, &c.

The subscriber takes this method of informing the public, that he will be prepared to supply all orders at the shortest notice. The superiority over other machines, consists in ease of operation, durability and simplicity. Being constructed principally of iron, both Horse Power and Thresher, the bearings being surrounced with oil cups, which retain oil sufficient for one day, without replenishing, supercedes the necessity of hourly application of oil, which renders other machinery so liable to injury from neglect, and hazardous to those who may superintend them, consequently produced by applying oil during the opperation or from neglect of its mechanical construction. The vertical and horizontal bearings are supplied with oil by nutrition and cappillary which is a great saving of oil, and prevents them from becoming dry and injuring the machine, which is so detrimental to other machinery. The Horse Power occupies the space of 3 feet by 3 feet 6 inches, which contains the moving machinery. This machine will thresh all kinds of grain, it also answers the purpose of cleaning clover seed, and with my late improvement is far superior to my former machines.

This machine can be transported in a common cart or wagon, without any inconvenience. A further description is deemed unnecessary, as those who would wish to purchase, will call and examine for themselves. The subscriber has constantly on hand the above described machines, at his manufactory, north of Brandywine village, Del. where orders will be received and the machines sent to any part of the neighboring states. Hundreds of certificates can be produced that ii is superior to any thing of the kind they have yet seen.

References as to the superiority of this machine may be had in the surrounding counties of Philadelphia, Montgomery, Delaware Chester and Lancaster, Pa.; New Castle, Kent and Sussex, Del.: and Cecil, Kent and Harford, Md.; Salem, Cumberland, Gloucester and Burlington, N. J., where these machines have been justly celebrated and given entire satisfaction.

P. S. Cornshellers made to order of the latest improvement. Also repairing Horse Power, will be attended to with fidelity and despatch, at his manufactory, north side of the Brandywine, near Wilmington.

Pulmonary Consumption Can be Cured.

The following letter, addressed to Dr. H. H. Higbee, by Mr. Wm. Constable, a pious member of the Methodist church,) 315 Callowhill street, will show that Dr. Higbee's Remedy, though it is not and never has been offered as Specific, is deservedly ranked among the most extraordinary discoveries of modern times. The testimonials daily received of the astonishing efficacy of this medicinal compound, are conclusive proofs that Dr. Higbee's system of Treatment of Chronic diseases, (discovered, as it was, when the inventor was himself, to all appearance, laboring under the most fatal variety of pulmonary consumption,) is founded on correct principles.

Philadelphia, Jan. 15th, 1838.

DR. HIGBEE:

Dear Sir—I think it a duty incumbent upon me, which I owe to you and the world, to make this statement of facts, which I am able and ready to prove. My daughter Eliza 17 years of age, was laboring under a distressing cough, and bleeding of the lungs. We had the advice of physicians, and she was pronounced in the highest stage of consumption, and incurable. She had a continual pain in her right side, cough from a half to one hour at a time, and discharge more than a pint of corruption per 24 hours, and discharges of large quantities of blood, which the Doctor pronounced to be from the lungs loss of appetite, could not sleep long by the continual coughing, shortness of brieth, and discharging from the lungs. My daughter was confined three weeks to her bed; we had to stay by her night and day, expecting every minute to be her last. I providentially saw your advertisement in the papers, and the respectable signers to it. I felt a strong inclination to purchase a bottle; and in three days after she commenced taking your medicine, she was able to dress herself and walk down stairs, and her cough left her. It is now about ten months since she began to take your medicine. She took about five bottles of it; and she is in as good a state of health as she has been for a number of years.—I have recommended you medicine to several of my acquaintances; they have all found immediate relief. I refer you to John Greenleaf, between Jarman and Milestown, Mrs. Hart, in Callowhill st. at the Post Office; Mr. John Stanecliff, keeper of the Prison, at Cherry Hill. These are persons I recommend your medicine to, and you can refer any person to them for the particular benefit received from taking your medicine. I live in Callowhill street, No. 315, near Ninth, where you may refer them to me, and they can have every particular, and see my daughter, or apply to any of the other pesons named.

WM. CONSTABLE.

We the undersigned, do assert the above statement to be true, for we were eye witnesses to the whole facts.

William Sinkler and Mary Sinkler, Race street, near Tenth.

H. D. Welsh, and Jane M. Welsh, Garden st., between 8th and 9th.

Martha Ostler, and Mary Ostler. No. 361 Callowhill st.

Philadelphia April 14th, 1838.

Messrs. Editors—I wish through your paper to remove a wrong impression from the minds of many who think the letter I wrote to Dr. H. H. Higbee, is nothing but a fictitous letter with borrowed names attached to it; for many who have called on me were under the same impression—but when they saw my daughter, they found it was no deception but an astonishig fact, and more so when they saw some of the other persons referred to in my letter; but in particular, John Greenleaf, a man sixty two years of age, who was perfectly cured by taking Dr. Higbee medicine, when he was reduced almost to a skeleton by a violent cough, and discharging of blood from the lungs, in a similar way as my daughter.—When I saw the effect the medicine had on my daughter, I strongly recommended it to him, and with difficulty I prevailed on him to try it, for he said he was given up as incurable by his Physician, and that he had tried almost every kind of medicine before and found no relief from any. I did not know Dr. Higbee, nor had I ever seen him at that time. I have no interest in selling the medicine—I am no agent direct or indirect. I purchased Dr. Higbee's medicine (previous to his removal to this city) of his agents. Mrssrs. Stokes and Brown, in Market st. If any persons doubt my statement, they will please to call on me, and I will give them satisfaction, for I have no other motive in view but that the afflicted may find speedy relief. You may depend on these statements to be true, for as I expect to stand before the judgment seat of Chirist, to give an account for the deeds of my life, I have made these statements, knowing them to be true. I have not been solicited by Dr. Higbee, or any other prson, to make these statements, and I repeat them in order to remove the doubts from every mind.

WM. CONSTABLE.

No. 315 Callowhill street, between 8th & 9th.

☞ The author of the above letter is well known as an honest and upright man and a sincere Christian, having for many years been a citizen of Philadelphia and an exemplary member of the Methodist church. It is but act of Justice to Dr. Higbee, to say, that the above statement was unasked for, and that Mr. Constable wrote it because he believed that by so doing he might be the means of saving many valuable lives which under the usual pactice, would inevitably be lost. Dr. Higbee's medicine, which continues (though not offered as a panacea) to perform the most astonishing cures in chronic Diseases of the Lungs, Throat, Liver Kidneys, &c. &c. may be obtained at the Residence of the Proprietor, 37 North Fifth st. Philadelphia; at the Residence of Rev. Daniel Higbee, Moores town N. J. Also, of Stokes & Brown, 295 Maket st, and at Joseph Scott's Bookstore Wilmington, Del. Price $1 per bottle, or $5 per half dozen Bottles.

The above may be obtained of D. Joseph Flint's Drug store Cambridge Maryland.
