To this from the Assurances received from the Several Commissary of this show of great Quantitys of Wheat being ready for Collection a Copy of one from Mr. Blake I send inclosed which I have ordered to Collect the Wheat nearest the river, to Granaries, and send it forward to this place, where I will be accountable for the making it into any kind of flour you shall choose to order, at any reasonable time from the date of its arrival, provided I am permitted to make Sale of as much of the flour as will enable me to defray the expences (which Mr. Smith has ordered me to do) and which I am now about to do for expences already Created, and shall order Wheat which lays most convenient to Navigation in Cecil, Kent, and Queen Annes Counties collecting for taxes to be lodged in granaries on Chester, Sassafras, and other places convenient to Navigation to be forwarded to this place, and here Manufactured to compleat your present and future orders (unless ordered otherways) to compleat which I have bespoke flour Casks, waste for nails, and am endeavouring to engage Mills with good Characters, and never failing streams of water: if Cattle are to be purchased, I pray inform me, that I may engage pastures and have them kept up, and also bespeak light Cart if any Buffaloes Cart is to be called for, as we have suffered much heretofore for want of good Carts — my accounts of wheat from Mr. Vorhees and my inclosed show from Mr. Blake, I do therefor thank you for further Instructions and am

P.S. I have requested the Commissary of Cecil, Kent, and Queen Annes to hasten their Collections of wheat as this is the time to Collect when the people have it.

H.H.

Your Excellency's Humble

Most Obedt. Hble. Servt.

H. Hollingsworth

His Excellency

Thomas Sim Lee Esq.
