Sir,

I had the Honour of addressing your Excellency on the 18th ult. by the Molly Capt. Dishow, to which I would beg leave to refer you. – Since then have had the Pleasure of receiving your Letter of the 18th May by the General Smallwood Capt. Rogers. – Her Cargoe consisting of 18 Hhds & a parcel of loose Tobacco, 52 Barrels Flour & Two Kegs Biscuit, I have put into Store, being as yet unable to sell it. – The article of Tobacco in particular has become extremely dull & will scarcely, even at Cost, tho' the Molly's crew are on Co.y Pay.
