Mrs. J. E. Johnson, wife of Capt. Joseph Johnson, of Lynn, Mass. was severely afflicted for ten years with Tic Doloreux, violent pain in her head. and vomiting, with a burning heat in the stomach, and unable to leave her room. She could find no relief from the advice of several physicians, nor from medicines of any kind, until after she had commenced ustng Dr. Evans' medicine, of 100 Chatham street, and from that time she began to amend, and feels satisfied if she continue the medicine a few days longer, will be perfectly cured. Reference can be had as to the truth of the above, by calling at Mrs. Johnson's daughter's Store, 389 Grand st. N. Y.

PARALYTIC RHEUMATISM.

A perfect cure effected by the treatment of Dr W. Evans. Mr. John Gibson, of North Fourth street, Williamsburg, afflicted with the above complaint for three years and nine months during which time he had to use crutches. His chief symptoms were excruciating pain in all his joints, that especially in the hip, shoulder, knees and ankles; an aggravation of the pain towards night; and for she most part all times from the external heat, in obvious thickening of the fasbia and ligaments, with a complete loss of muscular power. For the benefit of those afflicted in a similar manner, Mr. Gibson conceiving it meet to say that the pains have entirely ceased, and that his joints have completely recovered their natural tone, and he feels able to resume his ordinary business.

Mrs. Anne F. Kenny, No. 113 Lowis street between Stanton and Houston sts., afflicted for ten years with the following distressing symptoms:—Acid eructation, daily spasmotic pains in the head, loss of appetite, palpitation of her heart, giddiness and dimness of sight, could not lie on her right side, disturbed rest, utter inability of engaging in any thing that demanded vigour or courage, sometimes a visionary idea of an aggravation of her disease. a whimsical aversion to particular persons and places, groundless apprehensions of personal danger and poverty, an irksemeness and weariness of life, discontented, disquietude on every slight occasion, she conceived she could neither die nor live; she wept, lamented, desponded, and thought she led a most miseroble life, never was any one so bad, with frequent menta ucinations.

Kenny had the advice of several eminent ysicians, and had recourse to numerous medicines, but could not obtain even temporary alleviation of her distressing state, till her husband persuaded her to make trial of my mode of treatment.

She is now quite relieved, and finds herself not only capable of attending to her domestic affairs, but avows that she enjoys as good health at present as she did at any period of her existence.

J Kenny, husband of the aforesaid Anne Kenny.

☞A Letter from Mr. Sheldon P. Gilbert, to Dr. Wm. Evans, proprieter of the celebrated Camomile Pills:

Dear Sir—Had tge immortal Cowper known the medical qualities of the Camomile Plant, he as well as thousand since (besides myself.) would have experienced its wonderful effects on the nervous system. The pubtic utiiity of Cowper was blighted in the bud, thro' the natural effect of his nervous debility upon the mental powers, which made it necessary for him to seek relief beneath the rural shade, but the calm retreat gave his physical nature no repose. If some one had known the secret of concentrating the medical virtues of Camomile, the discoverer would have been immortalized with poetic zeal as the benefacto of suffering man.

The above lines were prompted from the effect I have experienced from Dr. Wm. Eaans' Camomile Pills.

Yours, with esteem,
Sheldon P. Gilbert.

☞Another recent test of the unrivalled virtue of Dr. Wm. Evans' Medicines.—DYSPEPSIA TEN YEARS STAMDING.—Mr. J. McKenzie, 176 Stanton street, was afflicted with the above complaint for ten years, which incapacitated him at intervals, for the period of six years, in attending to his business, restored to perfect health under the salutary treatment of Dr. Wm. Mr. McKenzie is daily attending his business, and none of the above symptoms have recurred since he used the medicine. He is now a strong and healthy man. He restored to myriads of remedies, but they were all ineffectual. He is willing to give any information to the afflicted respecting the inestimable benefit rendered to him by the use of dr. wm. evans, medicine.

☞An s. extraordinary and remarkable Cure.—Mrs Mary Dillon Williamsburg. corner of Fourth and North street, completely restored to health by the treatment of Dr. W. Evans, 100 Chatham street.

The above case was pronounced hopeless by three of the most eminent physicians, and the dissolution of the patient dailyawaited by her friends, which may be authenticated by the physicians who were in attendance. She has given her cherful permission to publish the above facts, and will also gladly give any information respecting the benefit she has received, to any inquiring mind.

MARY DILLON.

Mr. Salmon had applied to the most eminent physicians, who considered it beyond the power of medicine to restore him to health however as his affliction had reduced him to a very deplorable condition, and having been recommended by a relative of his to make trial of Dr. Wm. Evans' medicine, he with difficulty repaired to the office and procured a package, to which, he says, he is indebted for his restoration to life, health and friends. He is now enjoying all the blessings of health.

THE BARON VON HUTCHELER HERB PILLS.

These pills are composed of Herbs, which exert a specific action upon the heart, give an impulse or strength to the arterial system, the blood is quickened and equalized in its circulation thr'o the vessels, whether of the skin, the parts situated internally, or the extremities; and as all the secretion, and a quiekened action of the absorbent and exhalent, or discharging vessels. Any morbid action which may have taken place is corrected, and obstructions are removed, the blood is purified, and the body resumes a healthy state.

The Pills, after much anxious toil and research, having been brought by the proprietor of the present state of perfection, supersede the use of the innumerable other medicines; and are so well adapted to the frame, that the use of them, by maintaing the body in the due performance of its functions, and preserving the vital stream in a pure and healthy state, causes it to last many years longer than it otherwise would, and the minn to become so composed and tranquil, that old age when it arrives, will appear a blessing, and not (as too many have neglected their constitutions, or had them injured by medicenes administered by ignorance) a source of misery and abhorence.

They are so compounded that by strenghtening and equalizing the action of the heart, liver, and other viscera, they expel the bad, acrid or morbid matter, which renders the blood impure; out of the circulation, thro' the excretory ducts into the passage of the bowels, so that by the brisk or slight evacuations, which may be rogulated by the doses of the HERB PILLS, always remembering that while the evacuations from the bowels are kept up, the excretions from all other vessels of the boky will also be going on in the same proportion, by which means the blood invariably becomes purified.

Steady perseverence in the use of the Herb Pills will undoubtedly effect a cure even in the most acute and obstinate diseases; but in such cases the dose may be augmented, according to the the inveteracy of the disease; these Pills being so admirably adapted to the constitution that they may be taken at all times

In all cases of Hypochondriachism, Low Spirits Palpitations of the Heart, Nervous Irritability, Nervous Weakness, Flour Albus, Seminal Weakness, Indigestion, Loss of appetite, Flatulency, Heartburn, General Debility, Bodily Weakness, Chlorosis or Green Sickness, Flatulent or Hysterical Faintings, Hysterics, Headache, Hiccup, Sea Sickness, Night-Mare, Gout, Rheumatism, Asthma Tie Doulourence, Cramp, Spasmodic Affections, and those who are victims to that most excruciating disorder, Gout,, will find relief from their sufferings, by a course of the Herb Pills.

One of the most dangerous epochs to females is at the change of life; and it is then they require a medicine which will so invigorate their circulations, and thus strengthen their constitutions as may enable them to withstand the shock. This medicine is the Baron Von Hutcheler Herb Pills.

Those who have the care and education of females, whether the studious or the sedentary part of the community, should never be without a supply of the Herb Pills, which remove disorders in the head, invigorate the mind, strengthen the body, improve the memory, and inliven the imagination.

When the nervous system has been too largely drawn upon or overstrained, nothing is better to correct or invigorate the drooping constitution than these Pills

## DIRECTIONS.

## *PULMONARY CONSUMPTION CAN BE CURED.*

THE following letter addressed to Dr. H. H. Higbee, by Mr. Wm. Constable, (a pious member of the Methodist Dhurch,) 315 Callowhill street, will show that Dr. Higbee's Remedy, though it is not and never has been offered as specific, is deservedly ranked among the most extraordinary discoveries of modern times. The testimonials daily received of the astonishing efficacy of this medical compound, are conclusive proofs that Dr. Higbee's system of treatment of Chronic diseases, (discovered as it was, when the inventor was himself, to all appearance, laboring under the most fatal variety of pulmonary consumption,) is founded on correct principles.

Philadelphia, Jan. 15th 1838.

Dr Higbee: Dear sir—I think it a duty incumbent upon me which I owe to you and the world, to make this statement of facts, which I am ready and able to prove. My daughter Eliza 17 years of age, was laboring under a distressing cough, and bleeding of the lungs. We had the advice of physicians, and she was pronounced in the highest stage of consumption and incurable. She had a continual pain in her right side, cough from a half to one hour at a time, and discharge more than a pint of corruption per 24 hours, and discharges of large quantities of blood, which the Doctor pronounced to be from the lungs, loss of appetite, could not sleep long by continual coughing, shortness of breath, and discharging from the lungs My daughter was confined three weeks to her bed; we had to stay by her night and day, expecting every minute to be her last. I providentially saw your advertisement in the papers, and the respectable signers to it. I felt a strong inclination to purchase a bottle; and in three days after she commenced taking your medicine, she was able to dress herself and walk down stairs, and her cough left her. It is now about ten months since she began to take your medicine.—She took about five bottles of it; and she is in as good a state of health as she has been for a number of years I have recommended your medicine to several of my acquaintancee; they have all found immediate relief. I refer you to John Greenleaf, between Jarman and Milestown, Mrs. Hart, in Callowhill st. at the Post Office; Mr. Johh Staneclift, keeper of the prison at Cherry Hill. These are persons I recommended your medicine to, and you can can refer any person to them for the particular benefit received from taking your medicine. I live in Callowhill st. 315, near Ninth, where you may refer them to me, and they can have every particular, and see my daughter, or apply to any of the other persons named.

WM. CONSTABLE.

We the undersigned do assert the above statement to be true, for we were eye witnesses to the whole facts.

Martha Ostler, and Mary Ostler, No. 361 Callowhill st.

Philadelphia, April 14th, 1838.

Messrs. Editors—I wish through your paper to remove a wrong impression from the minds of many who think the letter I wrote to Dr. H. H. Higbee, is nothing but a ficticisus letter with borrowed names attached to it; for many who have called on me were under the same impression—but when they saw my daughter, they found it was no deception but an astonishing fact, and more so when they saw some of of the other persons referred to in my letter; but in particular, John Greenleaf, a man sixty-two years of age, who was perfectly cured by taking Dr. Higbee's medicine, when he was reduced almost to a skeleton by a violent cough, and discharging of blood from the lungs, in a similar way as my daughter. When I saw the effect the medicine had on my daughter, I strongly recommended it to him, and with difficulty I prevailed on him to try it, for he said he was given up as uncurable by his Physician, and that he had tried almost every kind of medicine before and found no relief from any. I did not know Dr. Higbee, nor had I ever seen him at that time. I have no interest in selling the medicine—I am no agent direct or indirect. I purchased Dr. Higbee's medicine (previeus to his removal to this city) of his agents. Messrs. Stokes and Brown, in Market st. If any persons doubt my statement, they will please call on me, and I will give them satisfaction, for I have no other motive in view but that the afflicted may find speedy relief. You may depend on these statements to be true, for a I expect to stand before the judgement seat of Christ, to give an account for the deeds of my life, I have made these statements, knowing them to be true. I have not been solicited by Dr. Higbee, or any other person, to make these statements, and I repeat them in order to remove the doubts from every mind.

WM. CONSTABLE.
No. 315 Callowhill st. between 8th & 9th.

☞The author of the above letter is well known as an honest and upright man and a sincere Christian, having for many years been a citizen of Philadelphia and an exemplary member of the Methodist Church. It is but an act of justice to Dr. Higbee, to say, that the above statement was unasked for, and that Mr. Constable wrote it because he believed that by so doing he might be the means of saving many valuable lives which under the usual practice would inevitably be lost. Dr. Higbee's medicine, which continues (though not offered as a panacea) to perform the most astonishing cures in Chronic diseases of the lungs, throat, liver, kidneys, &c. &c. may be obtained at the residence of the Proprietor, 37 North Fifth st.
