parcel of land is described to begin "at a bounded red oak being the beginning tree of a tract of land called Beerbacon, and running thence with the said land South East one hundred fourty perches", but in the record of the enrolment of the said Deed the said course is by mistake described to run with the said last mentioned land "South East one hundred twenty perches"? It is therefore ordered by the Court of appeals here, this fourteenth day of June in the year of our Lord one thousand eight hundred and sixteen that the Clerk of this Court, correct the enrolment of the said Deed, and make it conformable to the said original by erasing the word "twenty" and inserting in lieu thereof the word fourty; and that by a marginal or other entry he refer to this order to shew why the said alteration hath been made
