Mr Heath

Inclosed is the Appraisem^t of the Estate of Mr Hunton of Calvert County there is nothing omitted in the Invty except some books which cannot be inserted therein because if they should be appraised then the Adm^trix would be chargeable with them all whether Deed or not which would be unreasonable & the Books as soon as they come in will appraise themselves, if any more of the Estate comes to hand hereafter which is not mentioned Mr Hugh Ely who hath married the widow will make an Additionall Invty: of them, this I am desired to advise you of which doe pray take Care & remain

Your most humble
