Thomas Plummer

BEGS leave respectfully to inform his friends and the public in general, that he has taken the **TAVERN STAND**, 25 miles East of Cumberland, on the Turnpike Road, formerly kept by Mr. James McCurdy and lately by Mrs. Ann Turnbull. Being always supplied with **GRAIN Drovers, Wagoners and** others can at all times be accommodated. He respectfully solicits a share of the public patronage, and hopes by strict attention to his house, and using every effort to render his guests comfortable, to merit the same.
