Caterpillars are making their appearances on the trees in this vicinity in great numbers and prompt efforts for their extermination should be made. Otherwise their ravages will be damaging to the trees during the present season. In the eighth annual contest of the Oratorical Association of Maryland Colleges, held at Chestertown last Friday night, the representative of Western Maryland College, Mr. George E. Bevans, Jr., of Pocomoke City, won the first prize, making the sixth time this honor has gone to our college, out of eight contests. The subject of Mr. Bevans' oration was "America for the World." The second prize went to Mr. L. F. Zerkel, of Maryland Agricultural College. The orations are said to have been unusually strong, both in thought and delivery. Yesterday's Baltimore American contained a fine picture of Mr. Bevans, the winner in the contest.

Mr. Jehu Utz, who for many years has been engaged in delivering railroad and express goods in this city, and is one of the best known and most respected residents of the place, met with a serious accident yesterday morning. He was unloading freight from a car at the railroad and was rolling a barrel on a plank, when the board slipped and fell from the car door. Mr. Utz went down between the car and platform, striking against the latter and cutting a gash under his chin which it required six stitches to close. He also cut his hands severely, bruised his arms considerably and fractured two of the bones in his left ankle. Dr. Jos. T. Hering gave him the necessary surgical attention.

Several weeks ago Mr. Raymond P. Bankard, of this city, had three of the fingers of his left hand mashed in the machinery of a laundry in Baltimore. Mr. Bankard, his sister and another party purchased the laundry and are now operating it. Some of the machinery needed changing and Mr. Bankard went to Baltimore to give it his personal attention. While doing so the engine was started and his fingers were caught, as stated. It was at first thought that amputation of a joint of one of them would be necessary, but it is now expected that it will be saved.

By reason of the fact that Rev. William L. Seabrook, forwerly of this city, has been for five years the pastor of the College Church at Newberry, South Carolina, his friends here will be interested in hearing of the good fortune that has come to Newberry College. A few weeks ago Dr. D. K. Pearson, of Chicago, offered to give the college $25,000.00 toward its endowment fund, if its friends would raise $50,000.00. Dr. Pearson's gifts have usually been made on less liberal terms. Many colleges have applied to him offering to raise $100,000.00 if he would give $25,000.00. The friends of the college at Newberry were made glad by this most generous offer. Last week it was practically assured, when Hon. Andrew Carnegie offered to give ten thousand dollars to erect a building for the technological department, if the friends of the institution would raise a like amount on endowment. In five hours the citizens of Newberry contributed the amount, the lowest sum from any one person being two hundred and fifty dollars. This ten thousand stands as part of the fifty thousand to be raised to meet Dr. Pearson's offer. Citizens of Newberry have already raised several thousand dollars additional to that end, and there is no doubt that the whole will be raised in a short time, and that Newberry College will have an increased endowment of seventy-five thousand dollars and another new building. During the past two years Holland Hall has been erected at a cost of $25,000.00 and a new gymnasium is now being built by the alumni, costing nearly four thousand dollars, exclusive of equipment. The grandsons of the editor of the AMERICAN SENTINEL, William Buehler and Charles Roberts Seabrook, are alumni of this institution.

TOWN MEETING.

Mayor Gilbert and Four Members of Present Council Renominated.

The town meeting called at Odd Fellows' Hall, Tuesday evening, was called to order by Mayor Gilbert. Mr. Charles C. Gorsuch was elected chairman and Mr. Thomas E. Reese secretary, both unanimously. Mr. Gorsuch made a brief speech and announced that the purpose of the meeting was to nominate candidates for mayor and members of the common council. Mayor Gilbert was put in nomination by Mr. John H. Mitten, and Messrs. John J. Reese, John T. Zahn, William D. Henry, Edwin W. Shriver and Granville Lippy were named by Michael E. Walsh, Esq., and the nominations were made by acclamation.

Mayor Gilbert has already served six terms and his nomination thus presents him as the mayoralty candidate for the seventh year, a fact in which he has reason to take great pride, as he broke the record, for continuous service in the office, several years ago. All the councilmanic candidates except Mr. Lippy have also been members of the board for several terms. Mr. Lippy takes the place, as a candidate, of his brother-in-law, Mr. John T. Elgen, who has removed to Baltimore.

First Regiment Band Concert.

It is scarcely necessary to say that the concert given at Odd Fellows Hall on Monday night by the Frst Regiment Band for the benefit of the San Francisco sufferers, was a superior musical performance, though the fact that citizens generally had otherwise contributed to the relief fund had the effect of somewhat limiting the attendance. Those present, however, were delighted with the program, which was as follows:

1. Overture, "William Tell" Rossini.
2. Cornet Solo, Selected.
3. Gems of Stephen Foster, Tobani.
4. Waltzes, "Spirit of Liberty" Hall.

INTERMISSION.

5. Selection, Atilla" Verdi.
6. The Whistler and His Dog, Pryor.
7. America for Ever, National Fantasia Tobani.

This program was supplemented with a couple of vocal solos, beautifully rendered, by Mr. Walter M. Graham, with Miss M. Test Buckingham as accompanist.

The most capable musical critics in this city confidently assert that the concert was the best ever given by the band and, in view of the high standard of the organization, greater praise than this could not well be given. Prof. A. Bailey Morelock is the leader and he and the members of the band have great reason to be proud of the performance.

Nominations for Municipal Officers.

The corporation of Hampstead will elect a mayor and six councilmen on Monday next and a town meeting has nominated the following candidates to be voted for at the election:

For mayor, Messrs. William A. Abbott, Peter A. Rinaman; for councilmen, Dr. R. C. Wells, Amos R. Schultz, Richard Warehime, Elisha Snyder, Dr. E. M. Bush, Thomas Miller, B. Frank Stansbury, Alpheus Stansbury, Cornelius Lippy, Richard E. Murray, John A. McNeal. Pres. Wells and Bush and the Messrs. Stansbury are members of the present council. No issue of importance is involved in the election and voters will cast their ballots for such of the candidates as may be personally satisfactory to them.

Two town meetings have been held in Taneytown for the purpose of naming candidates to be voted for on Monday. Several of those nominated at the first meeting declined and a second meeting was held to fill vacancies. The ticket as finally presented is as follows:

For burgess, Mr. Samuel H. Mehring; for commissioners, Messrs. Edward Kemper, John S. Fink, James H. Reindollar, John D. Kane, Judson Hill.

This ticket will probably be elected without opposition, as there is no important issue involved in the election.

Pleasant Valley Items.

This neighborhood is now beautiful and fragrant with an abundance of apple blossoms. Tradition says when trees blossom near the full moon their will be a bountiful harvest of fruit.

Caterpillars have made their appearance and never seem to consult either of the planets. Some of our expert fruit growers will never burn the nests but stir them down.

Mr. Edward Geisman, of Baltimore, spent from Thursday until Monday with his aunt, Mrs. Frederick Myers.

Mr. Levi Myers left for Baltimore on Saturday and returned on Monday, visiting his sons and daughters.

Mr. Herbert Myers has purchased from Mr. A. P. Bish his property (formerly the Wm. Bowers property) and expects to move to it in the fall.

Jurors for May Term.

Ten of the jurors for the May term, recently drawn by Judge Thomas, have been excused and others drawn in their places. All the jurors from Taneytown district have been changed. The list of those drawn and of those excused is as follows:

The San Francisco Fund.

The fund thus far collected in this city for the San Francisco sufferers and now in the hands of the treasurer appointed at the town meeting held last week, amounts to about $500.00. In addition to this fund several of the orders collected or appropriated considerable sums which go directly to such orders in the stricken city. Some of the pastors of churches have announced that collections will be taken up on the approaching Sabbath. Some of these collections will be appropriated to aid in the restoration of ruined church edifices in San Francisco. The collections to be taken in Grace Lutheran Church will be devoted to that purpose. Twelve churches of that denomination were destroyed, either by the earthquake or the fire which followed. Three of the congregations of these churches are connected with the General Synod, of which the Maryland Synod is a part, and will receive the contributions from this source.

A collection will be taken in Centenary M. E. Church to aid the members of that denomination in San Francisco in rebuilding their ruined church edifices.

These are objects which appeal very strongly to the liberality of church members throughout the country and, notwithstanding many persons have already contributed freely to the general and other funds, a generous response will probably be given when the call for contributions in this behalf shall be made. Giving, in such cases, even at a sacrifice should and doubtless will be a pleasure to those to whom come the appeals for such aid.

Mr. Charles Francis McCaffrey, son of Mr. and Mrs. Michael McCaffrey, of this city, and Miss Mary Ida Smith, daughter of Mr. John C. All of Dr. Reindollar's long life, except a few years in this city, was spent in Taneytown, where he was for a long time a successful practicing physician. He retired from active practice some years ago. Dr. Reindollar was for many years a member and, at times, an officer of the Lutheran Church in Taneytown. Politically he was a Republican but was never strenuous in party politics. He was a gentlemen of singularly mild and gentle demeanor and kindly nature and was much endeared to all with whom he came in contact, professionally or otherwise. He took a deep interest in the general public education of the children and this led him to accept an appointment as a member of the Board of School Commissioners in January, 1876, an office to which he was repeatedly reappointed and in which he served nearly twenty-three years. Dr. Reindollar's wife has been long dead and his only surviving children are Mrs. George W. Motter and Mrs. Eudora Crossfield, of Taneytown. He leaves three grandchildren.
