benefit of my said daughter Charlotte Burnwood.

Justice and equity to fulfill her first intent to the creditors and of her attachment and love to my family to the utmost of my power.

I also request both my daughter the hon'ble Charlotte Burnwood and my Grandson William Burnwood not to molest Mrs. Eleanor Turner in a settlement I made to her dated the 4th of April 1740 which is under my hand and that if she has a mind to 'quit' em to live any where else to allow her for life what they may be worth to any body else also such other small goods or chattels as shall appear under my hand and witnessed by Mr. Peale and Dolphin. As for my estate at Chester in old England which was chiefly hired out upon lives with small quit rents which I suppose several of them are now lapsed I leave it may go as it is settled and that my Grandson William Burnwood transmit the Deeds with a copy of this Will aforesaid to England.

I also order my Grandson William Burnwood and receive all such debts and effects I have in Maryland after Mrs. Eleanor Turner has leave to dispose of and pay such debts or demands any body may have on me in this country.

Then as to my Burial I commit to his care if I should not live long enough to Build (a) Burying Place or Vaults upon the hill I desire to be laid in one of my houses.

So as the possession of this estate was not my own seeking but as Providence flung me into unexpected as I have endeavoured to act uprightly searching to do Justice and Equity to the utmost of my power and so far as in me lay to please and approve myself to every body concerned, so I implore that infinite Wisdom and author of my being to give me understanding to pursue the same to the last moments of life and if it is not his Will to spare my life to bring to a period this work that I have begun and to restore Peace and Unity and Amity to my family in my days. I pray that infinite God that makes order and disposes of all things to convince us all of our errors and give us Peace and Tranquility in this life and at our last

moments and to all eternity.

Whereas my Grandson William Burnwood has settled a quarter upon the said Manor (by virtue of Four hundred and thirteen acres of land conveyed to him on certain conditions) together with three negroes, viz. Daniel, Jenny and (Hannah) a girl which said Quarter negroes are made over to me for my care and for my other debts which may accrue to me now I do hereby at the time mentioned give to my said Grandson all the said Quarter negroes stock or other improvements with all increases of stock or negroes whatsoever and do freely forgive and acquit the said William Burnwood from any debts dues or demands upon account of the said bargain conveyances or reconveyances but to the utmost of my power do freely give and leave to him free of any incumbrances whatsoever. In witness whereof I have set my hand and seal this eight day of August, One thousand seven hundred and forty one.
