RED CROSS KNITTERS PREPARE NEW SHIPMENT

All Red Cross knitters who have articles which they can complete by December 20, are asked to return them to Red Cross Headquarters by that date in order that they may be shipped before the end of 1942.

Many items for the use of the armed forces are signed out by the knitters and these garments are especially needed at this time for inclusion in the next shipment.

With the equipping of large numbers of soldiers and sailors for overseas duty, there has been a great demand for knitted garments and Red Cross chapters have increased production in these fields to fill government requests.

A new shipment of yarn, the first of the 1943 quota, is expected within a short time, and Miss Evelyn Mullen, Knitting Chairman, is anxious to have the 1942 assignment completed and shipped before work starts on the 1943 quota.

All who can possibly complete articles which they are knitting by December 20, are asked to leave them at Red Cross Headquarters.

RENT CEILING FOR EASTERN SHORE COUNTIES

The Eastern Shore of Maryland comes under the rent ceiling.

This announcement has been made by Cecil Applegarth, chief clerk to the war price and rationing board. Mr. Applegarth stated that all inquiries regarding rent ceilings should be in writing, and sent to the Office of Price Administration, Rent Division, Washington, D. C. All statements should be made as clear as possible.

Landlords wishing to increase their rent, may state their case to the Rent Division, and renters who wish to resist increase in rent, may do likewise, Mr. Applegarth said.

CASH LOANS

Folks who need cash to pay off debts, for medical or dental services, or for some similar worthy purpose, are invited to see 'Personal' for a cash loan of $10 to $250 or more. 'Personal' makes loans to credit-worthy men and women, single or married, on signature, furniture, or auto. Outsiders not involved. Even employed on a new job or newly moved into the community you can apply for a loan here. We don't believe that folks should borrow unless a loan is the best solution to their problem. If it is, come in or phone today.

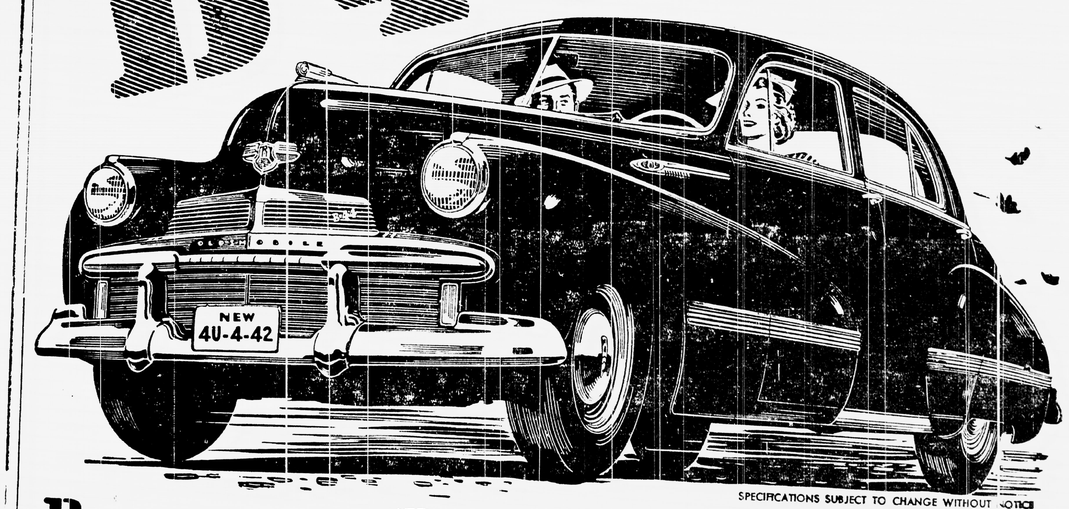
OLDSMOBILE

B-44!

NOW ON DISPLAY!



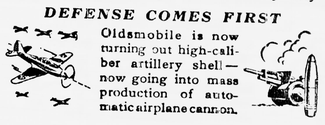
SPECIFICATIONS SUBJECT TO CHANGE WITHOUT NOTICE

BETTER LOOKING BETTER LASTING BETTER BUILT THAN ANY OLDSMOBILE IN 44 YEARS!

In addition to cannon and shell for the needs of defense, Oldsmobile contributes a new kind of car to the new needs of America.

THE General Motors car that gave the world the famous Hydra-Matic Drive now takes another great step forward! For '42, Oldsmobile contributes the B-44—a brand new, heavier, huskier motor car—with Hydra-Matics available for every buyer! The B-44 is *stamina-styled* for better looks, with new Double-Duty Bumpers and new Fuselage Fenders. It's *stamina-built* for better durability, with heavier, new Dreadnaught Frame and enlarged Hydraulic Brakes. And it's *stamina-powered* for long, trouble-free life, with new Econo-Master Engines that develop more "fire-power" with minimum use of gas. Come in and see the new Olds B-44, compare it, drive it. You'll find it offered in five separate series—two 100 H. P. Sixes and three 110 H. P. Eights. You'll find it priced lower than you might expect—but far beyond your expectations in styling and all-round quality.

DEFENSE COMES FIRST



Oldsmobile is now turning out high-caliber artillery shell—now going into mass production of automatic airplane cannon.

HYDRA-MATIC DRIVE*

NOW ENTERING ITS THIRD GREAT YEAR!

Proved in the hands of over 130,000 owners — Hydra-Matic Drive is again offered on all Olds models. Hydra-Matic saves time, saves effort, saves 10 to 15 per cent on gas!
