WEINER'S

Army and Navy Goods Store

115 W. Main St.,

Westminster, Md.

A tremendous shipment, comprising nearly a carload of Army and Navy equipment permits us to open our new store of Army and Navy goods with a stock of complete sizes.

The wonderful wearing qualities of good government woolen and khaki is well known. Most of this lot is new goods. Some of it is clothing turned in by discharged soldiers and disinfected and laundried in Goverment plants. With the size of the Army reduced it has been sold to civilian buyers.

Amoung the lot you will find.

Shoes, Blankets, Belts, Leggings, Shirts, O. D., Blue, Navy, Gray Suits, O. D., Khaki Blouses and Breeches.

Army	Underwear "	piece"				\$1.00	Army Trousers, Khaki			\$1.00
Army	Used Stocking	gs, 2 pa	airs	-	-					\$2.50
Army	Belts -	-	•	-	-	1				\$2.50
Army	Leggings			-		.25	Army Overalls -			
1 Big	Lot of Army						O. D. Blankets .			\$5.00

Also a lot of articles not here mentioned

Much of this clothing has never been worn; all of it is serviceable and the price is a fraction of what you would pay for civilian apparel at clothing stores.

It will pay you to drive 20 miles to this store Come and make yourself at home. If you buy we will appreciate it, but you are welcome if you buy or not

RECORD IN CATTLE TESTING

537,240 Head Under Supervision in Many Sections.

A Typical Native Scrub, and Obstacle to Progress in Live Stock Improvement.

Over 115,000 cattle were on the waiting list to be tested as soon as the veterinarians can work with them. Still another lot of 258,331 cattle have passed through the first stage of the test without showing any dangerous symptoms. The least optimistic estitake a nice little trip up the mate indicates that two-thirds of this factorily, and add 170,000 cattle to the accredited column.

HAMM HAS PUREBREDS ONLY

South Dakota Farmer Asks Enrollment in "Better Sires-Better Stock" Movement

Declaring that not only all his sires Maryland. but likewise all his female breeding animals were purebred, Charles P. Hamm, a South Dakota farmer, applied for enrollment in the "Better Sires-Better Stock" campaign conducted by the United States department of agriculture in co-operation with state agencies. He is a breeder of Shorthorn cattle, Percheron horses, Duroc-Jersey hogs, Rhode Island Red chick-

ens, and Bourbon Red turkeys. The better-sires movement is aimed particularly at the use of superior purebred sires, but the majority of those enrolled also keep some female stock. Mr. Hamm, however, is the SEALED PROPOSALS for build- first person officially listed as keeping five classes of live stock in which all ing one section of State Highway, as the animals—both male and female are purebred.

Live Stock Owned by Navajos in New Mexico to Be Bred to Purebred Sires in Future.

More than 191,000 head of live stock owned by Navajo Indians in New Mexico henceforth will be bred only to pure-bred sires. The female stock includes 3,000 cattle, 8,000 horses, 150,000 sheep. and 30,000 swine and poultry.

The Indians have signified their support of the "Better Sires--Better Stock" movement. The United States department of agriculture is co-operating in supplying the Indians with literature dealing with live-stock improvement.

ESSENTIALS FOR SWINE

The following combination should be kept before the hogs

at all times: One hundred pounds of slaked coal or wood ashes, four pounds air slaked lime, two ? pounds common salt, one pound

Mix thoroughly and sprinkle over the combination the follow-E ing solution:

Two pounds copperas dissolved in one quart boiling wa-
