THE public are notified that the undersigned hath presented to the Board of Commissioners for Dorchester County a list of lands, whereon no personal property can be found liable for the payment of the County charges due me thereon, and whereas by an Act of the last Legislature of Maryland Chapter 133, the laws in regard to the sales of such lands by Collectors have been materially altered & amended and whereas many of those lands have changed owners since those charges have become due. In consequence of which it is desirable that land holders generally would examine carefully the advertisement; as some of their lands may be exposed to sale for charges due under former owners; and tax payers generally are interasted in making the lands sell, as all deficiences will have to come against the County as insolvent and will if large swell the county levy beyond the usual amount.

SELLERS' CELEBRATED LIVER PI for the cure of the Liver Complaint.

The proprietor of the above medicine, aware of the many instances in which the afflicted have been imposed upon by quack remedies, proclaimed to be remedies for every disease yet hopes that, the Liver Pill will not be placed in that class until they are fairly tested.

It is expressly stated "that persons who use these Pills, and find, after following the given directions that they have not been benefited, shall have their money returned."

This is done that the public may see it is not the purpose of the proprietor to speculate upon their credulity, but to give at least an equivalent for their money.

In addition to the qualities already mentioned, they are highly recommended as Antibilious and Purgative Pills.

"I hereby certify, that several persons under Medical Treatment for INTERMITTENT FEVER, (or FEVER & AGUE) within my observation and direction have been cured by the use of "ROWAND'S IMPROVED TONIC MIXTURE, *after every preparation of Peruvian Bark, (Quinine)* &c. & *had been tried in vain* !!

THOUSANDS of like certificates have from time to time been published.

1,500,000 *cases of Fever & Ague! have been cured by* ROWAND'S IMPROVED TONIC MIXTURE!

WITHIN FIFTEEN YEARS!!!

However starting this statement may at first appear yet the FACT may be demonstrated by *the single rule of three*, for we estimate by reference to the "Manufactory Book" that FIVE HUNDRED THOUSAND BOTTLES have been made and distributed over the country during that period!!

Well, it is well known to the Agents, especially in the Western States; that *whole families of 5 or 6 persons* have been cured by *one single bottle!* In a vast majority of instances *one bottle* has cured 1, 2, 3 and 4 persons! The average here would give THREE cases to every bottle! amounting to the *astounding number* of 1,500,000 cases of this *"hated complaint"* cured by this *inestimable remedy*!!!!!

Now, "common sense" dictates the propriety of *resorting at once* to this *old favorite well tried and sterling remedy*, and of avoiding all *vulgar* and *insignificant tonic mixtures*, which are mere counterfeit imitations of this original medicine.

The Agents are fully authorised to return the money paid whenever it chances to fail!
