NOTICE TO THE AFFLICTED.

WONDERFUL CURE OF THE SPINE AFFECTION *by Dr. T. ANDREW, Herb Practitioner, No. 11 Monument street, Baltimore.*

BALTIMORE, Feb. 19, 1856.—

This is to certify that in the month of August, 1843. I was was attacked with the Spine Affection at my residence in Bertie county, N. C. and was bed-fast for 15 months, and under treatment of the most eminent Physicians of that State, and in the space of two years I improved but little. At the expiration of this time my medical attendant, believing he could not relieve me, urged me to come to Baltimore and place myself under the treatment of Prof. N. R. Smith. Accordingly I came here in charge of my brother John W. Mhoon, and became a boarder at the Infirmary under the treatment of the above named physician and received no apparent benefit from his care. He discontinued his treatment and I removed to the residence of my brother in Old Town, for owing to the prevalence of the yellow fever in Norfolk I could not return to my home. I sent a message to Prof. Smith for a letter which I had brought with me, and he sent me word by the person not to have anything done for me by any other physician, as it was a hopeless case, and would be left by them worse than they would find me. At this juncture I heard of and sent for Dr. T. Andrew, who resides at No. 11 Monument st., an Herb Practitioner, who found me in a much worse condition than when I left home. I had constant fevers and my appetite entirely gone, and as unable as an infant to stand up even with help. I resolved to give him a short trial, and speedily discovered an improvement, and placed myself under his care. This was about three months ago. My father came on for me as soon as it was safe to travel through Virginia, but finding me improving allowed me to remain. He returned a second time for me, but found my improvement so great and rapid that he again left me here under treatment.

I gained strength uncommonly fast. My appetite which was almost gone, now returned. At first my stomach rejected almost all kinds of food. At this time I eat any kind of food without the least inconvenience, and can walk when I please without hinderance with very slight assistance. I deem it proper to state that I was afflicted with several other diseases, besides the spine affection, all of which I believe I have been entirely cured of by him, and my general health is as good as it ever was in my life. I make this statement gratuitously, in justice and through gratitude to Dr. T. Andrew, and hoping that those who may be similarly, or in any other way afflicted, may read this and avail themselves of his mild treatment and matchless skill, and like me be restored to health.

ANN H. MHOON.

N. B.—If any one doubts the above statement they may find me at No. 11 Monument street, O. T., until the middie of March. A. H. M.

PROSPECTUS OF THE

"AMERICAN EAGLE."

THE above is the name of a weekly newspaper to be published in Cambridge, Md., on the first of May next.

The "American Eagle" will be devoted to general and Local news. Having made arrangements with gentlemen in different parts of the county to send us the local news of their section of the county, we will use our utmost endeavors to present our readers with the news of this country as well as State and Foreign news.

In politics the "American Eagle" will be

STRICTLY AMERICAN.

We will advocate such measures as will in our judgment, if carried out perpetuate our freedom and protect our natural rights. Nor shall we at any time deviate from the path of duty as an organ of the American Party and an advocate of American rights.

We shall neither sustain nor oppose any political measures on the round that ate from a Democratic or from a Whig administration; keeping always in view the principles and purposes of the American party. We shall battle for those principles and purposes, which as an independent journal, we shall approve what we think is right and condemn what we think is wrong in the principles of all public men and of all political parties.

We have purchased the Cambridge Chronicle and will furnish the subscribers of that paper with the "American Eagle" for the balance their year.

The combining of the subscription list of the two papers will give the "Eagle" an extensive circulation, which will make it an excellent medium for advertising.

Persons wishing to subscribe can give their names to any of our agents in the county.

TERMS.

One dollar and fifty cts in advance or two dollars if not paid until the end of the year. To clubs of 20 $10 and one to the getter up of the club.—The list always to be accompanied with the money. REUBEN S. TALL,

M. H. Tucker & Co,—Gents: As to the Gargling oil, I take pleasure in saying that I know of its curing a bad case of Rheumatism. The subject was a half brother of mine, and a son of Simeon Babcock, a near neighbor. The boy had been severely afflicted for several months. His parents had made use of various remedies, among which were British Oil, Perry Davis's Pain Killer, Instant cure for Pain, etc., but all to no purpose, when I obtained a half dollar bottle of Gargling Oil and commenced applying it according to directions, which produced immediate relief, and affected a cure in some three day's time. I have also used it for strain in the Stifle, and for Sweeny, and produced an effectual care on both. Yours, very respectfully,

H. M. SHCUT.

G. W. Merchant—Dear Sir: I owe your gargling Oil many thanks, or rather the inventor of that excellent article. I have been troubled with the Hæmorrhoids, or Piles, for the last eighteen months very severely. During the whole of last summer I was afflicted so bad that I could scarcely sit on a chair. I happened to pick up one of your circulars, and in looking it over saw the testimony of a gentleman from South Easton, and I became induced to try it, and thank fortune *I did,* or perhaps I should still be afflicted. I had tried a number of other things all to no purpose. Yours, very respectfully,

W. A. TOBIAS.

OPINION OF THE PUBLIC PRESS.

From the Watertown (Wis.) Democrat, July 26 1855.

MERCHANT'S GARGLING OIL.—There is no medicine that has better stood the test of a long and severe experience than Merchant's Gargling Oil It is manufactured in Lockport, N. Y.. and has gradually worked its way into public favor and general use where its merits are known, because it does really possess the good qualities that are claimed for it. For all cases in which a liniment is required, it is unsurpassed and unequalled.—It has been long and extensively tried, and few indeed have been the instances in which it has not produced the desired result. As a remedy for animals it is indispensable, and far superior to anything before the public. We do not speak of this medicine in these terms because we have any interested motive for so doing, but because we have had opportunities to know that it is a really valuable preparation, without any humbug about it, and should be in the possession of every Farmer who has anything to do with horses or cattle. It is for their benefit that we call attention to it, and state that it may now be found for sale at Sprague & Pett's in this city, who are the regular agents for it. All who have used it concur in the opinion that it is really the best thing for the purposes for which it was intended, that has ever been presented for universal use.
