Important Executor's and Trustee's Sale of Real & Personal Estate in Dorchester County, Maryland.

BY virtue and in pursuance of an order of the Orphans' Court of said county, I will sell at the late residence of STEPHEN HURST, deceased, within three miles of Cambridge on

Wednesday the 11th of November

(if fair, if not, the next fair day) commencing at 10 o'clock A. M., the entire personal estate of said deceased (except servant's unexpired terms, which will be sold at private sale to good masters at any time deliverable after sale.) The estate consists of effects necessary to farming interests generally such as cattle, horses, hogs, carriages, farming utensils, household and kitchen furniture, together with corn & fodder and crop of small grain seeded on home arm. A credit of six months will be given, the purchasers giving notes with security approved of by Executor with interest from sale.

And in pursuance of authority vested in the undersigned by the last will and testament of said deceased duly executed and enrolled in the Register of Wills Office of said county, I will expose at public sale at the front door of the Court House in the town of Cambridge on

Monday the 7th of December

(if fair, if not, the next fair day) commencing at 12 o'clock A. M., all that valuable and desirable Real Estate of which the deceased died, seized and possessed, consisting of two fine FARMS beautifully located on the Great Choptank River, within three miles of the Metropolis of the county, on the mail-route between said Metropolis and the Eastern Shore of Va., and of Delaware. The home Farm is bounded by the Choptank and a fine Creek issuing out of same, which abounds with excellent fish, oysters, terrapins and wild fowl in their season, with an excellent spring of mineral water on the land. This farm contains

280 1-2 Acres of Land,

a fair proportion of which is in *TIMBER*, and has an excellent two story brick *DWELLING* thereon, with the necessary out-houses attached and beautifully located on said Creek opposite the residence of the Hon. Francis P. Phelps.

The other farm contains

266 3-4 acres of Land,

a fair proportion of which is in TIMBER, and adjoins the Home Farm and the Choptank and has a frame DWELLING thereon with the necessary out houses attached and located near the Choptank. This farm abounds with good springs of water. It is presumed that all persons desirous of purchasing will view for themselves these lands as they will have a fair opportunity of doing so on the 11th of November on the day of the sale of the persona effects or at any other time; Mr. William Billops, who resides on one of the farms or Elijah Hurst Esq., the decd's. brother who adjoins the land will show the same or answer any inquiries touching the same.

These lands are sold for distribution between the deceaseds several children, all of which are minors, therefore a long credit will be given if desired, provided the purchase money is made entirely secure to the entire satisfaction of the Trustee and the Orphan's Court and the interest paid annually and punctually—these are requisites that will be tenaciously adhered to.

Notice.

THE public are notified that the undersigned hath presented to the Board of Commissioners for Dorchester County a list of lands, whereon no personal property can be found liable for the payment of the County charges due me thereon, and whereas by an Act of the last Legislature of Maryland Chapter 133, the laws in regard to the sales of such lands by Collectors have been materially altered & amended and whereas many of those lands have chanted owners since those charges have become due. In consequence of which it is desirable that land holders generally would examine carefully the advertisement; as some of their lands may be exposed to sale for charges due under former owners; and tax payers generally are interasted in making the lands sell, as all deficiences will have to come against the County as insolvent and will if large swell the county levy beyond the usual amount.

SELLERS' LIVER PILLS.

LATE SHINN & SELLERS'.

For the cure of Liver Complaints and other diseases arrising from a deranged Liver.

SYMPTOMS OF A DISEASED LIVER—General loss of appetite; sickness of the stomach; pains in the head, sholders, back and sides; sense of weriness, with sleep less nights; costiveness of bowels, followed in some cases by looseness; slight, dry cough; low spirits, with disinclination to every duty are prominent symptoms of a diseased state of the liver. The liver is, however, often much deranged when the most formidable symptoms are absent, and becomes sadly out of order before it is known

If the symptoms are present, and the pills used according to the directions without producing benefit, the money will be returned.

SELLERS' IMPERIAL COUGH SYRUP,

For the cure of Coughs, Colds, Hoarseness, Influenza Tickling sensation of the Throat, Whooping Cough, &c. &c.

Pronounced to be the pleasantest and most efficacious remedy now in use.

Most of the mixtures sold for coughs are composed of spirituous and inflammatory articles, which, while they give a little relief really do harm. The Imperial Cough Syrup contains no spirituous ingredient whatever, & may be used in all cases not requiring active medical treatment. The Imperial Cough Syrup has been used for the last six years by the most respectable inhabitants of Pittsburgh and vicinity.

SELLERS' VERMIFUGE.

Warranted equal to any now before the public!! No family ought or will be without it after a trial.

WORMS frequently infest children, aggravate all other diseases, and are capable of producing great disturbances in the system, and consequently all medicines given to remove them should be prepared with great care and of the best marerials; and it is to be feared that many of the worm medicines in use are totally destitute of these qualities. The Vermifuge which the subscriber now offers to the public, is prepared of the best materials that can be procured; and it is gaining for itself a reputation which entitles it to a large share of dublic patronage. The efficacy of this preparation to relieve the rising generations from one of its greatest enemies is fully attested by the accompanying Certificates in another column

FOR

CONSUMPTION.

THE best medicine known to man for incipient Consumption, Asthma of every stage, Liver Complaints, side, oretis, Influenza, Coughs, Colds, Bleeding at the Shortness of Breath, pain and weakness in the ast, &c. and all other diseases of the

PULMONARY ORGANS.

A very important disease over which this "*Balsam*" exerts a very powerful influence, is that of a "DISEASED LIVER." In this complaint it has undoubtedly proved more efficacious than any remedy hitherto employed, and in numerous instances when patients had endured long severe suffering from the disease, without receiving the least benefit from various remedies, and even when MERCURY has been resorted to in vain, the use of this BALSAM has restored the LIVER to a healthy action, and in many instances effected permanent cures after every known remedy had failed to produce this disired effect.

Besides its astonishing efficacy in the diseases above mentioned, we also find it a very effectual remedy in ASTHMA, a complaint in which it has been extensively used with decided success even in cases of years standing.

NATURE'S OWN PRESCRIPTION

A compound Balsamic preparation of the Prunus Virginia, or "Wild Cherry Bark," combined with the Extract of Tar, prepared by a new chemical process. approved and racommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered

The universal celebrity which this medicine is rapidly gaining in every section of the country, and the many astonishing cures it has effected, have now established its efficacy beyond all doubt, but it should be remembered, that in diseases of the LUNGS or LIVER, as in all other chronic affections, a little time is always necessary to effect a cure. Although in most cases the Balsam will afford a most immediate relief, and often effect great changes in a few days, it cannot reasonably be expected to produce the same salutary effect in every case in so short a time; yet, from the high celebrity it has acquired, we find many persons are apt to expect too much at the commencement. while others expect a *Single Bottle* to afford them greater relief than all the medicine they had taken for months previous.

We will not assert that this BALSAM will cure consumption in its *worst form*, but it has cured many after all other means of relief had been tried in vain. And why not? It seems that the WILD CHERRY was destined by Nature to be our PANACEA for the ravaging diseases of this latitude. Let not the despairing invalid waste his money and lose time, to him so all importont, in *experimenting* with the trashy nostrums of the day, but use *at once* a medicine that will cure, if cure be possible—a medicine that serence abroves, and many years of experience have demonstrated that it *always* relieves. "There is no such thing as fail" in the history of this wonderful Balsam. Evidence the most convincing—evidence that no one *can* doubt, fully establishes this fact.

In presenting this highly useful and valuable medicine to public notice as a remedy for *Consumption* and *Pulmonary* diseases in general, the proprietor has been actuated solely by the great success attending its use in his practice and a desire to benefit the afflicted, and would therefore wish particularly to impress upon the public mind that it is entirely different from the *nostrums* daily ushered into notice by *boasting quacks*, as it not only emanates from a regular *Physician* but has also been well tested in all the complaints for which it is recommended. It is not my intention, therefore, either to cloak it in mystery or in any way deceive the public by overrating its virtues; on the contrary, I shall simply endeavor to give a brief statement of its usefulness, and flatter myself that its surprising efficacy will enable me to furnish such proofs of its virtues as will satisfy the most incredulous that CONSUMPTION may and "CAN BE CURED," if this medicine be resorted to in time.

NO QUACKERY! NO DECEPTION!

All published statements of cures performed by this medicine, are in every respect TRUE.

☞ *BEWARE OF COUNTERFEITS AND IMITIONS!*—The unparalleled and astonishing efficacy of Dr. Wistar's Balsam of Wild Cherry in all the diseases for which it is recommended—curing many cases after the skill of the best physicians was unavailing—has effected a large and increasing demand for it. This fact has caused several unprincipled counterfeiters and imitators to palm off spurious mixtures, of similar name and appearance, for the genuine Balsam

Be careful and get the genuine DR. WISTE'S BALSAM OF WILLO CHERRY. None genuine unless signed by I. BUTTS. Address all orders to SETH W FOWLE, Boston, Mass.

"THE BANE and the ANTIDOTE."

"I hereby certify, that several persons under Medical Treatment for INTERMITTENT FEVER, (or FEVER & AGUE) within my observation and direction have been cured by the use of "ROWAND'S IMPROVED TONIC MIXTURE, *after every preparation of Peruvian Bark, (Quinine)* &c. & *had been tried in vain !!*

THOUSANDS of like certificates have from time to time been published.

1,500,000 *cases of Fever & Ague! have been cured by* ROWAND'S IMPROVED TONIC MIXTURE!!

WITHIN FIFTEEN YEARS!!!

However starting this statement may at first appear yet the FACT may be demonstrated by *the single rule of three*, for we estimate by reference to the "Manufactory Book" that FIVE HUNDRED THOUSAND BOTTLES have been made and distributed over the country during that period!!

Well, it is well known to the Agents, especially the Western States; that *whole families of 5 or persons* have been cured by *one single bottle!* In a majority of instances *one bottle* has cured 1, 2, 3 and persons The average here would give THREE caess to every bottle! amounting to the *astounding number* of 1,500,000 cases of this "*hated complaint*" cured by this *inestimable remedy!!!!!*

Now, "common sense" dictates the propriety of *resorting at once* to this *old favorite well tried and sterling remedy*, and of avoiding all *vulgar* and *insignificant tonic mixtures*, which are mere counterfeit imitations of this original medicine.
