Willoughby's Patent
GUM SPRING & GUM FEEDER
DRILL.
MANUFACTURED BY
E. WAGONER.

The Best Drill ever heard of!

IT Sows all kinds of Grain perfect, from one peck to four bushels without choaking the Machine. The quantity can be changed when in motion, by a slide. It will saw Wheat, Buckwheat, Rye, Oats, and Barley without choaking by white caps, wheat heads or straws. This Drill feeds by two vulcanized rubber cylinders revolving together. The spring drag bar is very useful in rough land, to supply or relay. It will pass over any thing not over fifteen inches high without breaking of pins or anything else. The hoe will pass over and fall in its proper place. I also build them with Guano or other fertilizer sowers attached, which all farmers who use any of these manures ought to have, as they will save one half of the manure and have it in the grain, as it goes direct with the grain. This attachment is warranted to sow correct with no choaking or clogging, and will sow from fifty pound to any number of pounds that is wanted to be sown by a Drill.

Persons wanting an Attachment of this Fertilizer Sower put on their Drills, will please be as early as possible, as I have a great deal of this kind of work to do.

SHRINER'S
Balsamic Cough Syrup,

For Coughs and Colds, Croup, Bronchitis, Asthma, Spitting of Blood, Bleeding of the Lungs, Pain and Weakness of the Breast, Difficulty of Breathing, Hoarseness, Whooping Cough, &c

Letter from Dr Geary, formerly of Clearspring, Md.

BERKLEY SPRING, Va., Aug 23, 1859

W. E. SHRINER.—Dear Sir:—During my residence in Clearspring, I was in the habit of using your preparations in my practice. I then formed so high an opinion of them that I wish to have them in use among my patients here. With this view I have induced J. Nadhan Casselet to accept an agency, and would like you to establish one here.

Yours, truly,
M. M. GARRY, M. D.

Five Years Experience.

JEFFERSON, York Co., Pa., July 18, 1859.

To W. E. SHRINER—Dear Sir: I have been keeping your "*Balsamic Cough Syrup*" for sale for the last five years, and it has given almost universal satisfaction.

It is one of the most popular Medicines in use in our neighborhood. Our sales therefore have been large, especially last year, having sold at retail at least one dozen bottles. I therefore do not hesitate to recommend it to the public as a good medicine.

Yours, Respectfully,
JACOB SPANGLER.

JOHNSTOWN, Pa., Dec. 6, 1859.

To W. E. SHRINER—Dear Sir: At the request of your Agent here, I send you an account of my experience with your "*Balsamic Cough Syrup.*" For about two years I had been suffering with something like the Asthma, and for six months before I commenced using your medicine, seldom laid down to bed for fear of strangulation. I suffered much from pain in my breast and had a severe cough, both of which were getting daily worse. We had a bottle of your Syrup in the house, got for a child that had the croup, and I commenced using it, and in only a few days begin to feel better. I continued using the Syrup until I had used eight bottles, and am now well. I attribute the cure entirely to your Syrup. We had previously used your Syrup for Croup and Whooping Cough. The Croup it always cured, and Whooping Cough it mitigated very much.

Very truly yours, WM. BRIGHT.
