[From the Baltimore Sun of Monday.] The steamship Nurnberg, Capt. Jaeger, which arrived here yesterday from Bremen | as representative of the company, addressthirty-four men belonging the fishing vil. be inaugurated was considered in the comfrozen to death, ten reached Baltimore, in good faith in every step taken in this three are on a schooner bound to Bermu- matter, and honestly intended to complete CHESTERTOWN, MARYLAND. da, and the other eight were taken on a this work; that nothing but financial criof suffering by the survivors who have | 12 noon had arrived, said :

ANDREW MOONEY'S NARRATIVE.

but had not proceeded far when the terrible fact was presented to them that the ice and the opening was increasing every mo-Consternation seized upon them as they hastened forward, and each threw away his heavy outer clothing as he ran, space of water between them and the shore was half a mile wide, the ice having broing steadily out to sea. It was not quite continues dark, the party were exhausted and half clad, and they prepared for the terrible cold which soon set in. At first it rained until they were all wet to the skin. 'I rain then turned to sleet and snow, the wind veered to the northward, and the cold became intense, the fierce blasts cutting them to the bone. Then began the effort for life, the men stamping their feet, ity. running madly about, and the more sturdy encouraging the weak and faltering. The cold still increased until, as Mooney says, it had reached a degree of intensity not equaled before in that latitude this SUFFERING COLD AND EXHAUSTION.

At midnight the cold and exhaustion began to tell upon the doomed ones in the make our vote a telling one." little party. First one and then another of them would lie down saying that he could go no further. The others would able agitation about Boston, especially athe next victim.

NINE MEN ON A FIELD OF ICE. BACK TO THE ABANDONED BRIG

which was tightly jammed in the ice, and in her, and some of them had lost their senses before reaching her the second time. There were no stores on the brig, and they tered, could not read her name, but knew that she was not English. The crew had left on the ice for Hollow Road, a village near St Mary's, the 1st of March. brig moved with the ice for a week in sight of land, and the fishermen were on her ten day.

A SCHOONER IN SIGHT been caught in the same field that imprisoned the brig. That night the half famished men held a council and determined embarked in the brig's small boat, which rienced was from their circumscribed quarters. Some of the mose robust of the party perished ane some of the more frail es-
