A Beautiful Farm

NEAR CAMBRIDGE FOR SALE.

BY virtue of a Decree of the High Court of Chancery of Maryland, I will offer at public sale to the highest bidder, at the Court House door in the town of Cambridge on

MONDAY the 10th day of OCTOBER

next, between the hours of 11 & 12, M., the beautiful Farm belonging to the late Samuel Hurst, within two miles of the town of Cambridge and adjoining "Shoal Creek" farm and within a half mile of the Choptank river. This farm contains about 180 acres of land, a sufficient portion of timber, with a house and small tenement adjoining, which rents seperately. There is on the farm a good DWELLING with two rooms on the lower floor, Cook-house Carriage-house, Corn-house, Smoke-house and Barn, and good well of water in the yard. Persons desiring to purchase will examine for themselves before the day of sale The terms of sale will be made very accommodating, on a long credit if desirable and made known sale by LEVIN JONES, (T. P.)

Aug. 14, 1847.—tds. Trustee.

A Valuable Farm FOR SALE.

I will sell at private sale, my "JENKINS' CREEK" Farm. To persons acquainted with the farm this would be a sufficient announcement to attract the attention of purchasers—but as there may be persons unacquainted with the place, who would like to invest in so desirable a situation, a little more extended description of it may not be improper.

The farm is handsomely situated on the Southwest shores of Jenkins' Creek which empties into Great Choptank River, a few hundred yards from, and in full view of the Homestead. The creek and river afford all the advantages, conveniences, and luxuries, to be had on any first rate water situation, abounding as they do with fine fish, oysters and wild fowl, in season. It is within a mile and a half of the pleasant and flourishing town of Cambridge, the seat of justice for Dorchester County. There are two lines of steamboats passing the farm daily (Sunday excepted) between Cambridge and Baltimore. The farm contains about **330** acres of land, and is divided into six fields. There is a sufficiency of wood and timber on it. It is well watered having good springs in most of the fields, and has an excellent bricked well of superior water in the yard. The land is of the first quality, is easy to till and drain, and is in a good state of cultivation, having had put upon it recently several thousand bushels of lime, ashes and shells. There are valuable young orchards of apple and peach trees upon it, producing as fine peaches &c. as is to be found any where. The buildings are nearly all new, or recently well repaired, including barns, corn-house, ice-house, &c. In fine, I will not say that it is the best farm in the county, because there may be persons who think otherwise, but I will say, what with me is equivalent, I would not give or exchange it, for any 330 contiguous acres of land that I know of in the county.

Persons wishing to purchase are invited to call and examine it, and view the crops for themselves, as they will be the best, and most satisfactors recommendation to purchasers. There is a new and good Wind-mill on the place. Any reasonable credit can be had on the most of the purchase money by satisfactorily securing it, and punctually paying up the interest.

THE ONLY STORE OF THE KIND IN BALTIMORE.

FROM the first of September next we shall DECLINE THE SALE OF LADIES' WEAR, and thereafter shall keep no Goods, except such as are connected with the Gentlemen's Drapery line.

Having, for many years back, taken the lead in the sale of these articles, even when connected with other business, our present enterprise has necessarily given us many additional advantages, the benefits of which the buyers will enjoy. A business of the kind, which we have now undertaken, THOUGH THE FIRST AND ONLY ONE IN THIS CITY, has long been tried in the larger northern markets, with evident satisfaction to sellers and purchasers.

Keeping no Goods but such which are always current, we are not under the necessity, to charge additional profits on them, for the sake of making up the loss on other leading articles, or the depreciation of Fancy Goods; a fact well worth the attention of country Merchants and Merchant Tailors visiting our market.

We have made arrangements in Europe and in this country, always to be supplied with the newest and choicest Fancy Goods for Pantaloons, Vestings, Scarfs, Cravats, Suspenders, Gloves, Handkerchiefs, as well as Gentlemens' Under-Dress of every kind.

OUR STOCK CONSISTS OF

French, English, Belgian, German and Domestic CLOTHS and CASSIMERES, of every color, shade and quality, found in the best manufactories, and we guarantee to sell these goods fully as cheap by the piece or case, as they can be purchased at by the Agents in New New York, or no sale.

FOR OVERCOATS, SACKS AND CLOAKS: Twelds Pilot, Beaver and Duffile Cloths, of foreign and domestic make.

OUR FANCY CASSIMERES & VESTINGS, will be the choicest lot ever offered in this market, as we ordered these goods this season, without regard to cost, from France, England and Scotland.

OF HEAVY DOMESTIC WOOLLENS.—A full and splendid assortment of Sattinets, plain and fancy, all colors and qualities—heavy Negro Tweeds and Sheep's Grey Sattinets; Fulled Linseys, Kentucky Jeans, Negro Kerseys, Flannels and Blankets of every kind.

CHILDRENS' WEAR, of all and every kind, ordered expressly for the purpose.

BILLIARD CLOTHS, two yards wide, of the celebrated factory of Iwan Simoni.

Alpaca do., plain Alpacas and Bombazines, Silk sleeve Linings, Plaid Cloak Linings of the newest styles. Venizios Sewings, Rubinaccis do., black and coloured twist patent Threads, Buttons, all kinds, Worsted and Silk Bindings, &c. &c., Canvess, Paddings, Silesias, Hollands, Wiggins, white Muslins, colored do., Waddings.

FOR COACHMAKERS.—Silver drab and blue Cloths, drab Silks for Curtains and Linings, Worsted Damasks, Buckrams and drab Velvets.

FOR SHOEMAKERS.—Cloths and Cassimeres of the ruling colors for Gaiters, and Lasting, black and col'd., of the best quality.

☞Samples sent to any part of the country, and orders will be punctually attended to. Cash Buyers, and responsible men, will find our stock as represented, and prices as low, and our terms as liberal as in any market in the Union. To such and such only, we give a cordial invitation to examine our goods when in the market.

The well established reputation of this work makes it unnecessary to say more of its merits than to state the fact that it has superceded all others on the subject in the State of Maryland. For the Justice of the peace and Constable it may in some measure stand in the place of a law library—to the merchant and man of business, and to the property holder either in town or country it is very valuable, as it treats of matters of almost daily interest to all classes of the community.—All the laws which affect the duties of the Justice of the Peace passed up to December session 1846 inclusive, have been noticed in this editlon, and various improvements in the arrangement of the different subjects treated upon have been made.
