Willoughby's Patent
GUM SPRING & GUM FELDER
DRAIN.
MANUFACTURED BY
E. WAGONER.

The Best Drill ever heard of!

IT Sows all kinds of Grain perfect, from one peck to four bushels without choking the Machine. The quantity can be changed when in motion, by a slide. It will sow Wheat, Buckwheat, Rye, Oats, and Barley without choking by white caps, wheat heads or straws. This Drill feeds by two vulcanized rubber cylinders revolving together. The spring drag bar is very useful in rough land, stumpy or rocky. It will pass over any thing not over fifteen inches high without breaking of pins or anything else. The hoe will pass over and fall in its proper place. I also build them with Guano or other fertilizer sowers attached, which all farmers who use any of those manures ought to have, as they will save one half of the manure and have more grain, as it sows direct with the grain. This attachment is warranted to sow correct with out choking or clogging, and will sow from fifty pounds to any number of pounds that is wanted to be sown by a Drill.

Persons wanting an Attachment of this Fertilizer Sower put on their Drills, will please be as early as possible, as I have a great deal of this kind of work to do.

For further particulars, address E. WAGONER, Westminster, Carroll County, Md.

BŒRHAVE'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND ACUE,

And the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Bilious and Sick Headache, in all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, from no idle motive, but in the hope that its wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitution may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor to the system.

NOTICE.—Wherever repute is found this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY!

The Genuine highly concentrated Boerhave's Holland Bitters is put up in half pint bottles only, and retailed at One Dollar per bottle, or six bottles for Five Dollars. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

A CARD!

We have been advised that certain persons for purposes best known to themselves have been endeavoring to mislead the farmers and millers with regard to our Patent Rolls, and to induce them to purchase other Rolls, which they say are equally as good as our Rolls. We are willing to take the risk of Freight charges to cover the expense of them when completed and will save the trouble of sending to the places to which they belong and which will be distributed throughout the country.
