BŒRHAVE'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND,

FEVER AND AGUE,

And the various affections consequent upon a disordered

STOMACH OR LIVER,

such as Indigestion, Acidity of the Stomach, Costiveness, Dizziness, Loss of Appetite, Jaundice, Colicky Pains, Heartburn, Flatulency, Dyspepsia, Biliousness, Fever and Ague, Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation is being produced by introduction here, the demand continues, and this, the Proprietor will offer over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, trusting that its truly wonderful medicinal virtues will be appreciated.*

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it fails not to impart vigor to the aged or infirm, imparting a strengthening nervous energy, raising up the drooping spirit, and in fact infusing new health and vigor in the system.

NOTICE.—Persons need not be afraid to try it, they will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of the most medicinal properties.

READ CAREFULLY!

The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle, or six bottles for FIVE DOLLARS. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

☞Beware of Imposition. See that our name is on the label of every bottle you buy.

Sold by Druggists generally. It can be forwarded by Express to most points.

Willoughby's Patent
GUM SPRING & GUM FEEDER
DRILL.

MANUFACTURED BY

B. WAGONER.

The Best Drill ever heard of!

IT Sows all kinds of Grain perfect, from one peck to four bushels without changing the Machine. The quantity can be changed when in motion, by a slide. It will sow Wheat, Buckwheat, Rye, Oats, and Barley without clogging by white caps, whisp heads or straws. The Drill feeds by two vulcanized rubber cylinders revolving together. The spring drag bar is very useful in rough land, a sandy or rocky. It will pass over any thing not over fifteen inches high without breaking of pies or anything else. The hoe will pass over and fall in its proper place. I also hold them with Guano or other fertilizer sowers attached, which all farmers who use any of those manures ought to have, as they will save one half of the manure and have more grain, as it sows direct with the grain. This machine is warranted to sow correct with no clogging or clogging, and will sow from fifty pounds to any number of pounds that is wanted to be sown by a Drill.

Persons wanting an Attachment of this Fertilizer Sower put on their Drills, will please be as early as possible, as I have a great deal of this kind of work to do.

For further particulars, address E. WAGONER, Westminster, Carroll County, Md.

A CARD!

WE have been advised that certain persons for purposes best known to themselves have been endeavoring to mislead the farmers and millers with regard to the freight on Flour and Guano to and from Baltimore. For those who are not advised, we would say that the cost for transporting a ton per barrel from Westminster is 18 cents. A car will hold 80 barrels, and when sent to Howard St., or Calvert Station, or North-st., it costs 50 cents more for the whole car load, which only adds ⅝ cent more. Guano costs 15 cents per 100 lbs.

A HOUSEHOL DREMEDY!

MANY families keep SHRINER'S COUGH SYRUP in the house constantly, and would not be without it on any account.—It saves the anxious mother many a sleepless night. Parents if you have used it we need not advise you to get it, you will do so without. To you who have not used it we say get one bottle and try it.

CROUP, VS. SHRINER'S COUGH SYRUP.

IF timely use is made of Shriner's Cough Syrup it hardly ever fails to cure the worst case of Croup. Parents with croupy children should always keep it on hand, they will find it a most reliable remedy, and one that children will take freely.
