HAMPTON SEASIDERS SCALP UNION PANTHERS 12--10

HAMPTON BEATS UNION, 12 TO 10

Seasiders Come From Behind In Last Quarter And Win Over Panthers Thursday

JACOBS IS BRIGHT STAR

Handicapped By Injuries Is Rushed Into Game To Score Touchdown For Hampton

By P. BERNARD YOUNG, Jr.

Hampton, Va., Nov. 27.—The mightiest throng that ever witnessed a game on Armstrong Field watched Hampton avenge her defeat of last year by nosing out Union in the last quarter of the annual struggle by a 12-10 victory.

This was the first time the Panther goal has been crossed this season.

Union First to Tally

Early in the second quarter Union tallied seven points. A bad pass to Gunn resulted in Hampton's being held for downs. Union took the ball on her 47 yard line and on the first play Shields raced off a long gain to Hampton's 32 yard line, where Jimmie Jones made a spectacular tackle.

Gains by Boffman and Shields netted a first down with the ball on Hampton's 2 yard line. Boffman 2 yards, Shields 5, Boffman 2, and Jackson brought first down on short line thrust, putting the ball within a little less than 10 yards of the goal. Shields netted 2 yards on line smashes. Then on the third down Boffman dived through the line and slid over for Union's first touchdown. He made the extra point by the place kick route.

Hampton Retaliates

Pindle was off form early in the game and was replaced by Elmer Fortune at center. With the score 7 to 0 against them the Seasiders began their first real irresistible drive for a score.

Jackson kicked from behind his goal and Fortune blocked the ball just enough to cause the kick to fall near the goal line. Thatcher received the punt on Union's 13 yard line. Mansfield and Thatcher gained 3 yards on line thrusts, under the guidance of Jacobs, who had been rushed into the game when a Hampton score was in sight.

The stands rose and a great shout reverberated over the gridiron, as the Hampton rooters, dashed temporarily into sadness, shrieked and yelled for a touchdown. Quickly the rivals lined up in battle array, and like a bullet shot from a rifle, Gunn uncorked a forward pass towards Jacobs, racing to the right side of the gridiron.

Union interfered with Jacobs, cutting down as he was about to receive the pass. After some discussion Union was penalized, but Hampton lost the advantage by getting a 15 yard penalty for sending a man on the field to confer with the referee.

Jacobs called for another pass, which was completed, Gunn to Jacobs, for no gain. In two downs Mansfield drove through Union for first down and goal to go, following this with a brilliant thrust to put the ball on Union's 1 foot line.

On the next play Union rallied and threw the runner for a 2 foot loss, which Thatcher got back on next play.

Union, however, was off side, and Hampton got first down and one foot to go as a result. In desperation Jacobs handicapped by injury, called for the ball and drove through Union's right side for a touchdown. The extra try for a point was blocked. Score was now 7 to 6, and there it stayed for the first half.

Boffman Shines

In the third quarter Boffman, playing fullback for Union, proved his great versatility when he sent a place kick over.

This completed the scoring for the Panthers—and it was this one Panther who scored all ten points. Jackson had just tried for a place kick which was blocked and recovered by Union on Hampton's 27 yard line.

Boffman netted 13 yards on four downs for first down. The Hampton defense played superbly. On the first play it downed Shields for no gain; on the second, Lee got Cain for no gain; and on the third down Alexander downed Shields for a loss. Then it was that Union called upon her fullback for a place kick.

Hampton's Final Rally

In the last period Dean was sent in for Spellman and Baker took quarterback. Dean, who scored the first touchdown on Armstrong Field, was destined to score the last for this season, bringing victory to Hampton and joy to her staunch supporters.

Jackson kicked to Hampton's 40 yard line. A pass was incomplete. Gunn ploughed through center for 7 yards. On the next play Mansfield got a pass for 18 yards. Ball on Union's 35 yard line.

Byrd was sent in for Mansfield, who was hurt on the play. Then followed another incomplete pass. Hargrove was sent in for Baker and Byrd went into quarter. Gunn tried a drop kick which was short. Jackson kicked out at his 35 yard line. Pindle and Jacobs were rushed back into the game. Now, with the captain back playing in old time form and with the star quarterback running the team, things began to happen.

A yell went up as Dean reeled off 8 yards on two plays and followed with a gain for first down. With 8 yards on two plays and followed with a gain for first down. With 20 yards to go Hampton ran wild. Boffman was hurt and Brooks relieved him. Gunn gained four yards. Then came an incomplete pass followed by a 18 yard gain on a pass, Hargrove to Gunn. There was an assurance about Dean as he scampered to his place. He was eight yards from the goal and could not be stopped. He gained five. A 5 yard penalty put the ball on the 1 yard line. Dean took a perfect pass, hesitated a moment, and then dived through the left side of his line for the winning tally.

This was one of the most satisfying triumphs the Seasiders have enjoyed in weeks or even seasons.

Another Score Near

Hampton was one her way to another score under the shadow of Union's goal as a result of an intercepted pass by Gunn when the game ended.

Gunn and Jimmie Jones played their last game for Hampton in a game befitting retiring stars.

Hampton made eight first downs to Union's seven. Hampton completed four out of 14 passes; Union tried five passes, completing two and ruined the other three.

Athenians To Meet Elks Next Friday

The Athenians will play their second game of the season at home when the Cyrene Lodge of Elks of Steelton, Pa., invade the city to do battle with the locals at the New Albert Auditorium on Friday night December 12.

This game promises many thrills to local basketball fans as the Steelton aggregation is rated one of the best quints of ball tossers in the East.

They are bringing an all star cast and are coming with the expectation of scalping the Greeks, but manager Wright feels confident of his boys giving a good account of themselves.

A report had ied that a member of the Legislature will introduce a bill at the next session to prohibit decisions in boxing in this State.

"LIGHTNING 5" WINS OVER ST. BARNABAS

In a game replete with thrills and in which the score was in doubt until the last second of play, the Lightning Five nosed out the St. Barnabas Arrows in the Gym of the "Y" on last Monday night before a crowd of howling basketball fans, by a 29-28 count.

At the end of the first half St. Barnabas was leading a 19-17 score.

During the entire second half neither team was more than one point ahead, and the count continued to see-saw until the last minute of play. With the score tied Robinson had a technical foul chalked up against him and Tom Hays shot a field goal just before the whistle blew, winning the decision.

Hays and Gilmore were the leading lights for the locals, while Robinson Woods and Brown shone for St. Barnabas.

The Preliminary

In the preliminary the Yellow Circles defeated the Eagles, white, 40-35. thus winning the three-game series, 2-1.

The last two games ended with the count one all.

V. N. AND I. I. BOWS TO VA. SEMINARY

3500 Fans See V. N. I. I. Drop Thanksgiving Game To the Lynchburg Preachers, 6-0

FIRST WIN IN NINE YEARS

First Time Dragon Eleven Has Won Over Local Squad Since 1915

Petersburg, Va., Nov. 27.—A crowd of 3,500 football fans gathered at McKenzie Ball Park here today and saw Petersburg defeated by Va. Seminary to the tune of 6-0 in one of the greatest gridiron battles witnessed here in many years.

The weather was perfect, and both teams were primed for the battle.

Va. Normal kicked behind Seminary's goal line. Three plays fail and Whedbee made a short kick and Petersburg's ball is on Seminary's 30-yd line, but they fail to gain. They kick behind the goal line. Seminary's ball on her own 20-yard line.

Coach Taylor, used Rockne's Notre Dame system and sent in his second team to begin the game and his second team outplayed Seminary's first team.

He allowed his second team to stay in six minutes and that was all. Seminary needed to get together.

Coach "Whirlwind," had seen Va. Normal play several times and saw the strategy. Whedbee was ordered to use only close line plays. So the first team on the side line to review Seminary's attack did not gain much because the deadly offensive did not begin until the moment the first team entered.

In three plays Seminary gained 60 yards via the aerial attack. A pass to Brown, one to Watson and another to Brown with Whedbee doing the throwing.

With one exception, after this the remainder of the game was played in Petersburg's territory. The half ended 0-0 with the ball in the center of the field in possession of V. N. I. I.

Seminary kicked off to Petersburg, and Hoyle nailed Epps on the Petersburg 20 yard line In less than four minutes, "Bumble" Brown crashed over Petersburg's goal line for the initial touchdown.

Seminary Stars were plenty with Watson on the offensive and defensive in every play. Catching and intercepting passes, tackling and running.

Whedbee without a doubt will be nominated All-American Quarterback. He played his usual triple threat game throwing passes, kicking, running up punts, and gaining at will.

"Bumble" Brown carried the ball over for the lone touchdown and was on the receiving end of many passes. He has made atotal of ten touchdowns this season.

Perry was a bright light on the defensive and so was Capt. Lanier.

Hoyle and Scott on ends, were in everything and played a great defensive game. Seminary's line was a stone wall with Polk right tackle,—a candidate for position on All American eleven. Tucker of left tackle and Harper guard, making many tackles and outstanding plays.

Petersburg's luminaries were Coles and Epps in the backfeld. Brown on end was a dangerous man while Turner smashed many a tackle play.

Petersburg boasts of having the best team in its history under Coach Sam Taylor. Then much credit must be given to "Whirlwind" and Hurt because this is the first time Seminary has defeated Petersburg since 1915.

FLOWERS IN XMAS FUND BENEFIT SHOW

New York City, Dec. 5.—Johnny Wilson, white, former world's middleweight champion, will meet Tiger Flowers, of Atlanta, Ga., in a ten round preliminary bout to the light heavyweight battle between Kid Norfolk and Tommy Gibbons on December 9.

The fight will take place in Madison Square Garden for the benefit of the Christmas Fund, under the supervision of Mrs. Randolph Hearst.

Gibbons started his training grind last week and tipped the scales at 180 pounds and has five pounds to take off before the night of the fight.

Norfolk has gotten down to hard work and friends of the Baltimore fighter confidently expect the title to change hands on the night of the fight.

SPORTS MIRROR

BATTLING SIKI

G. L. Mackey

Battling Siki, the singular Senegalese, has come into the limelight again by way of the clowning route. As a fighter Siki is a failure, his recent antics in the prize ring two weeks ago proved that he is a has been, so the jungle man is wise enough to make capital of his monkey shines to appeal to the public.

The public likes to laugh and the boxer realizing that his days of fighting are over is resorting to his last trick to swell the box office receipts. In his last start with Marullo he was beaten at every stage of the game, but his antics in the ring pleased them and they liked his clowning.

For the good of the sport his end is near and the hard working boys that really deserve the chance to show their wares will come into their own.

WM. MASON

The first big game presided over by William Mason, athletic director of the local Y. M. C. A., stamped him as a referee and a man that will surely come to the front in basketball circles.

In the Scholastic-Wymans game last week at the Albert Auditorium, praises were heard on all sides in commendation of his excellent work, performed on the floor. He calls them as he sees them and always he is right. He doesn't profess to know it all, but carries a rule book in his pocket to back up his statements.

On several occasions the little book was resorted to to impress it on the minds of the wise ones that he knew what he was talking about. He works as hard as any of the players and is always on the job when it comes to a ticklish decision. A product of Ohio State College and an athlete of no mean ability, Mason is making the athletic department of the "Y" one of the most popular rendezvous of the town.

A successful referee is one of the hardest professions known, as he must not only know the rules and call them the second one is infringed but he must dispense justice to all alike and show no favoritism to either side. Mason has all these qualifications and the added advantage of being a player himself which will make him one of the best basketball referees in the East.

"Jazz" Byrd Here

A number of Lincoln football players spent last Sunday in Baltimore headed by Lee, Lion halfback, that gave such a good account of himself in the Lincoln-Howard game.

"Jazz" Byrd is taking a much needed vacation in New York and Jersey with his parents. The "Byrd" will return to school next week to resume his studies.

West for Howard Coach

A rumor is going thearounds that Dr. Morrison, coach of Howard University, will not be with the school next year, but will be surplanted by Charlie West, assistant coach.

It is thought that the poor showing made by the Howard squad in her annual game with Lincoln will be the cause of the change of coaches. West is one of the greatest track men in the country, but has had no experience as a coach since this year at Howard.

Johnny Howe

John M. Howe, former Baltimore boy, now sports editor for the Philadelphia Tribune, was in the city Sunday after covering the big game for his paper. Howe is one of the best in the business and his two pages of "dope" cover every sphere of athletic activity.

Dixie Kid

Dixie Kid, Baltimore fighter, under the management of Sam Harris, and in the same stable with George (K. O.) Chaney, the knockout king, was a visitor to the office this week.

The present success of Chaney is due largely to the training of the Kid who has been working with the champion for some time. The Kid has met the best mitt tpushers in the business and has fought in nearly every civilized country.

Still a young man, 33 years, Dixie is itching to get a wallop at Larry Estridge, the Harlem slugger. A plan is on foot to promote mixed bouts in Baltimore, and before the winter is over some good scraps are likely to be seen at one of the local theatres.

Billy Long

A middleweight that is fast coming to the front in the gentlemanly art of self defense is Billy Long, of Harrisburg, Pa. Long is mighty anxious to get in touch with some of Baltimore's mitt pushers. In a letter to the office this week, Long has this to say:

"Just a few lines to inform you that the Baltimore boys are not real sports.

"I challenged Frank Hunter and Battling Spriggs thru the AFRO some time ago and neither has had the courtesy to answer pro or con. I also sent them an offer from my club.

"I added another kayo to my list on last Monday night by knocking out Dummy Mack, white, of Hazelton, in the first round of an 8-round go. Mack is considered one of the best boys in the coal region and was a 3 to 1 favorite to win by a knockout, but the crowd was surprised at the result of the bout. Mack has never been knocked off his feet before and has only lost 12 out of 47 fights, he won his last nine starts by the knockout route, but the game fellow went down for the full count Monday.

"I certainly would like to hear from Hunter or Spriggs, as they can get a chance to meet me in the region where I am now fighting. I will meet all comers from 140 to 155 pounds. Billy Long, 512 Minersville Street, Pottsville, Pa.

Baltimore vs. Washington

Douglass high school football squad has made an unusual poor showing in their games with the schools of the Capitol this fall on the gridiron and many fans and supporters of the local team are inclined to get disheartened at the season's results.

Starting practice late and after schools hours has been very detrimental to the morale of the squad. No time was allowed for practice and by the time school was out and the boys made the long trip to Druid Hill Park they only had about 45 minutes to practice before it was dark. Quite often several boys at a time failed to show up for practice and went into scheduled games far from being in condition.

A number of boys in the high school who are capable of becoming high class football players absolutely refuse to become identified with athletic activities because of the poor discipline and lack of interest shown. At the game with Aurora here there were only four teachers from the high school at the game, and the students did not reach the field until the second quarter, due to the fact that they were not allowed to leave until after 3 o'clock. It is customary in most high schools to let the pupils out early on the day of the game so they may have the opportunity to cheer the home team.

Baltimore city athletes in competition with Washington in other fields have been victorious in nearly every field that was not connected with the high school. In field and track meets and basketball, the Monumental City has always come out victorious. So it can readily be seen that something is wrong with athletics in Douglass High.

School 112, with Tom Jones in charge of athletics, has stood out in field sports for some time, and Ike Wright, of 110, had a basketball team last year that won their third title in the P.A.L. championship series in the 100 pound class.

The Red Circles, playing in the 100 pound class this year, are the undisputed champions of the city. But, for some reason, the Douglass High has failed to produce a winner in any line of sports for some time and the students take the football team as a hugh joke.

A. & T. WIN FROM BENNET COLLEGE

Aggies Cop Final Game and Finish Season Without Having Goal Line Crossed

TIED THREE TEAMS

Opened Season by Tieing Howard, Union, St. Paul and Defeating Morehouse

Greensboro, N. C., Nov. 27.—A. and T. rode roughshod over Bennett in their annual contest here today, 27 to 0.

Bennett won the toss and decided to defend the south goal. The ball was kicked to A. and T.'s 10 yard line and was advanced for 20 yards.

The techmen tried a few rushes and found that the Bennett line was holding its ground, and then Coleman was called upon to punt. Bennett fumbled and A. and T. secured the ball on Bennett's 40 yard line. The techmen then began to stretch themselves and carried the ball over without losing possession of it for the first touchdown, Coleman kicked goal.

The second quarter neither side was able to score, as both teams were fighting desperately for victory.

The third quarter opened with A. and T. kicking to Bennett. Coleman's kick went pass the goal line and was covered by Bell, A. and T.'s quarterback, for the second touchdown, and from this stage on the outcome of the game was never in doubt.

As the techmen had entered the second half of the game with instructions from their coach to drive, and the drive was put on until they had reached a point of safety. And substitutes were used.

The all round work of Coleman stood out prominent, his punts averaged over 60 yards, and his kick-offs were of good distance.

Wilson, the captain-elect for '25, played his usual good game at right half. In fact, it is a rather hard job to find at set of backs that will surpass Lane, Coleman, Bell and Wilson. These men have been used in every game played thus far. Any one of them can bark signals, two of them are triple threats, (Lane, and Coleman.) The weather was ideal for football and the game was hard but clean.

The "Aggies" are very fortunate in having one of the best coaches in the country. He is a man that has made his very strong and working machine out of, it seemed to some, impossible material.

Coach Byarm has wrought well. His team has not been defeated this season and has played some of the strongest teams in the country, such as Howard University, Virginia Union University, St. Paul Normal and Industrial School, and Morehouse College. They have tied with Howard, Union and St. Paul and defeated Morehouse.

TUSKEGEE, 20, TALLADEGA, 0

Locals Win the Southeastern Championship Conference by Copping on Turkey Day

MANY STARS SHONE

Stevenson, Tiger Right Half, Shared Day Honors With Teammates and Visitors

Tuskegee Institute, Ala., Nov. 27—Silhouetted against a leaden November sky, the Four Horsemen of the Tuskegee Institute Tigers, Bailey, Stevenson, Wooten and Joiner, and their teammates rode again this afternoon here on Washington Field, trampling to defeat the strong Talladega College eleven by a score of 20 to 0, and winning the championship of the Southeastern Conference.

Displaying an attack combining speed, power and deception the locals scored in every period except the first, when the second team was playing. Talladega's touchdown came in the second period immediately following the Tigers' first tally.

Tuskegee Draws First Blood

Tuskegee's first score came at the beginning of the second quarter. Flashing an attack a baffling as terrific, Tuskegee launched a drive on their 40-yard line, after recovering a fumble. Stevenson darted off right end for 25 yards; Bailey added 9 through right and a criss-cross Stevenson stepped off the necessary 15 yards for the touchdown.

Talladega Scores

Talladega scored a few minutes later when Stevenson's kick went out of bounds on Tuskegee's 40-yard line. Parker circled right end for 25 yards; Solomon leaked through right tackle

TAKE NO CHANCE

Science advances. Do not trust yourself to those who fail to advance with science. Do not take the advice of people. Come to me: I AM A SPECIALIST FOR MEN with years of successful practice. My success is well known to many men throughout this section of the country. Call today. I am QUALIFIED TO TREAT YOUR CASE.

I AM A SPECIALIST

More than 20 years of study and UNLIMITED EXPERIENCE have fitted me to ascertain exactly what it is that makes you suffer. When I examine you I take into consideration every factor. I am not misled by the sympathetic symptoms which might be mistaken as the disease itself. EXPERIENCE HAS TAUGHT ME THAT I MUST GO DEEPER TO DETERMINE ACCURATELY FUNDAMENTAL CAUSES.

The organ which seems to be most affected may not be the diseased organ at all. For it is a fact that one diseased organ in the body can upset a half dozen other organs by taking from them the necessary vital NERVE FORCE required for the DISEASED ORGAN. My diagnosis goes below surface conditions and reveals the exact point where RESERVE NERVE FORCE IS BEING WASTED AND STOPS THE LEAK. My treatment corrects FAULTY CO-ORDINATION of the nervous system. FAULTY ASSIMILATION AND FAULTY ELIMINATION, the important functions upon which the body depends for normal health.

The SENILE CHANGES begin to take place in a man at about the age of 45 years. This change is sometimes imperceptible but CERTAIN, and it is at this period we must call upon the RESERVE NERVE FORCE with which Nature endowed us at birth and which we have generated and conserved to some extent from day to day. If we have exhausted our RESERVE NERVE FORCE THROUGH EXCESSES OR DISEASE, then, if we are to attain to our full three score years and ten with continued health and happiness, WE MUST ASSIST NATURE TO RENEW THE VITAL NERVE FORCE through proper treatment. To do this takes the skill of a SKILLED SPECIALIST. I am a SPECIALIST—all my professional life has been devoted to studying the diseases of men—to keeping abreast of science as new discoveries come to light.

My methods are MODERN, employing every [illegible] and every appliance of SCIENCE which has been proven of value in RESTORING THE VITAL [illegible]VE FORCES so that men may reach their full, ripe age in perfect health and strength.

Thousands of satisfied patients testify to my ability to successfully treat diseases of the BLOOD—SKIN—PROSTATE—BLADDER—KIDNEYS—STOMACH—RECTUM—CHRONIC DISEASES.

And remember IT COSTS YOU NOTHING TO CONSULT ME. It costs you not one penny to satisfy yourself that I AM THE MAN TO AID YOU TO REGAIN HEALTH. Consultations and advice are FREE. My Fees are reasonable. THERE IS NO REASON WHY YOU SHOULD SUFFER—no reason why you should be only HALF A MAN. COME TO ME—permit me with my years of study and my UNLIMITED EXPERIENCE to ascertain WITHOUT QUESTION OR DOUBT exactly what your disease is and place you under a treatment which has proven successful in thousands of other cases.

I TREAT MEN AND MEN ONLY

I do not treat symptoms—I do not aim with a shotgun at a bullseye in the hopes of striking the center with one of the hundred shots. I carefully separate the chaff from the grain—I am not satisfied with merely whitewashing a disease. I ascertain carfully the primary cause and contributary complications and my treatment is designed to remove the CAUSE of your trouble. For instance, a man with a headache would not permit his brain to be operated on, nor should he be satisfied to be temporarily relieved by dope of one kind or another. I clearly demonstrate to you the need for and the VALUEof my treatments as they apply to YOUR PARTICULAR CASE.

Speaking man to man I want to say to every sufferer—NO MATTER WHAT YOUR EXPERIENCE HAS BEEN IN THE PAST, no matter how discouraged you have become over your condition—CONSULTATION WITH ME WILL CONVINCE YOU THAT I AM THE MAN TO AID YOU. Any fair minded man who is not prejudiced can convince himself easily that I am not an egotist, that the fact I advertise in no manner detracts from my qualifications as a physician, regardless of so-called ethics. COME TO ME and let us discuss your trouble—determine for yourself just what manner of practitioner I am. Give me the opportunity to demonstrate to you the fact that I can aid you to complete health.

BE A MAN—A WHOLE MAN—Be healthy and vigorous. Don't suffer from disease—don't suffer from lack of nerve force. I have given more than twenty-five years of my life to STUDYING THE DISEASES OF MEN—to a SUCCESSFUL PRACTICE which has given me thousands of grateful patients. NO MATTER WHAT IS THE MATTER WITH YOU I am qualified through knowledge and EXPERIENCE to treat your case to better advantage. Come to me without delay—NOW.
