DR. MARKLEY'S HEALTH RESTORATIVE BALSAM.

THE greatest remedy for the cure of Dyspepsia, Liver Complaint, Piles, Constipation, Indigestion, General Debility, Jaundice, Fevers, and all diseases arising from a torpid liver, weak and vibrated Stomach, and impure blood. It is the best

Blood Searcher

known, and as a liver medicine, it is a valuable substitute for that disturbious drug mercury. It can be taken by any person and under any circumstances.

From the extended reputation of this medicine, obtained by its certainty of eradicating most of the diseases afflicting mankind, and which baffle the Medical Profession generally, the proprietor deems it due to the public and to the afflicted to make them more extensively known.

Read the following testimonials. The first one is from a respectable citizen of Westminster, Md.

WESTMINSTER, August 24, 1861.

Mr. H. L. Shriver—Dear Sir:—I herein freely give you a certificate as to the efficiency and virtue of Dr. Markley's Balsam, and Cathartic Pills. I had been suffering for more than nine years, with the very worst kind of Dyspepsia, and after trying everything that I could think of without receiving any benefit, I almost despaired of being cured, but by chance whilst stopping in Preble County, Ohio, in May, 1860, I obtained three bottles Balsam and three boxes Pills, and after using but one bottle of Balsam, and one box of Pills, I can with truth say that I was entirely cured, and feel as well as I ever did in my life, and have not had a symptom of a return of the dread disease, or one day's sickness. I feel it my duty to give this certificate for publication, that others, like wise afflicted, may be induced to buy these valuable medicines, and be cured also.

Yours Respectfully, ADAM GILBERT.

[Extract of a Letter, dated.]

JERSEY SHORE, Lycoming Co., Pa., July 11, 1861.

Dr. Markley—Dear Sir:—Some ten years ago, called upon your father for medicines and advice respecting my complaint, which was pronounced incipient Consumption by Physicians who I had employed to attend me. After consultation with your father, he gave me the Balsam, Pellrifuge, and Wild Cherry Pectoral, and in an incredibly short time I was completely restored to health, and retain it to this day.

Truly, Yours, J. P. COOLBAUGH.

[Extract of a Letter, dated.]

ELDORADO, Preble Co., Ohio, Nov. 1st, 1859.

Dr. Markley—Dear Sir:—You will please send me another supply of your Medicines. They have given great satisfaction in this neighborhood. The Balsam particularly cannot be excelled, and if their sale be properly attended to, there will be a still greater demand for them. Respectfully, yours,

A. STERLING.

[Extract of a Letter of Mrs. Watson, dated.]

CHANDLERVILLE, Chester Co., Jan. 25, 1861.

Dr. Markley:—Please send me a larger supply of your medicines than you did last. I have sold more in the last three months than I ever did in the same time before. Yours, with respect,

REBECCA J. WATSON.

The Balsam, and all of Dr. G. B. Markley's Medicines are manufactured only by Dr. G. H Markley, Lancaster, Pa., who can be consulted by letter.

AN IMPORTANT DISCOVERY!

FOR THE CURE OF
CONSUMPTION, BRONCHITIS, COUGHS AND COLDS,

THE

MAKORA ARABICA,

DISCOVERED BY A
MISSIONARY,
WHILE TRAVELING IN ARABIA.

All who are suffering from Consumption should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are threatened with Consumption should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are suffering from Bronchitis should use the MAKORA ARABICA, discovered by a missionary in Arabia

All who are suffering from Sore Throat, Coughs and Colds, should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are suffering from Asthma, Scrofula and Impurities of the Blood should use the MAKORA ARABICA, discovered by a missionary in Arabia.

It cures Consumption.
It cures Bronchitis.
It cures Sore Throat, Coughs and Colds
It cures Asthma, Scrofula, and impurines of the Blood.

This unequalled remedy is now for the first time introduced to the public.

It was providentially discovered by a missionary while travelling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution.—Its interest is enhanced by an account which he gives of one of the scenes of the Syrian massacres, which he obtained from those who were suffering in that awful tragedy.

This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it.

We import the MAKORA ARABICA direct from Smyrna through the house of Cleon & Gyllyphos, and we have always on hand a full supply put up in bottles *ready for use* with full directions.

Price one dollar per bottle. Sent by mail on receipt of price, and 24 cents for postage.

BŒRHAVE'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND ACUE,

And the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Bilious and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitutions have been shattered by the long continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in its system.

☞ NOTICE.—Whoever expects to find this a quick and speedy remedy for the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY!

The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at Ten Dollars per bottle, or six bottles for Five Dollars. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

☞ Beware of Imposition. See that our name is on the label of every bottle you buy.

Willoughby's Patent

GUM SPRING & GUM FEEDER

DRILL.

MANUFACTURED BY

E. WAGONER.

The Best Drill ever heard of!

IT Sows all kinds of Grain perfect, from one peck to four bushels without changing the Machine. The quantity can be changed when in motion, by a slide. It will sow Wheat, Buckwheat, Rye, Oats, and Barley without choaking by white caps, wheat heads or straws. This Drill feeds by two vulcanized rubber cylinders revolving together. The spring drag bar is very useful in rough land, stumpy or rocky. It will pass over any thing not over fifteen inches high without breaking of pins or anything else. The hoe will pass over and fall in its proper place. I also build them with Guano or other fertilizer sowers attached, which all farmers who use any of those manures ought to have, as they will save one-half of the manure and have more grain, as it sows direct with the grain. This attachment is warranted to sow correct without choaking or clogging; and will sow from fifty pounds to any number of pounds that is wanted to be sown by a Drill.

Persons wanting an Attachment of this Fertilizer Sower put on their Drills, will please be as early as possible, as I have a great deal of this kind of work to do.

For further particulars, address E. WAGONER, Westminster, Carroll County, Md.

IMPROVED SELF-RAKER

FOR THE

MANNY, McCORMICK SEYMOUR & MORGAN BUCKEYE,

OR ANY OTHER

REAPING MACHINE

NOW IN USE.

THE Subscriber is now prepared to attach to the various Reaping Machines, either of the two Self-Rakers which we tried during the latter part of last harvest, in the field of wheat on the farm of John Smith, Esq., near Frederick city, Maryland. These Rakers were tried in the presence of numerous gentlemen who expressed themselves highly pleased with their superior performance.—They are so simple, that they can be put upon the machine at the residence of the farmer.

They are guaranteed to make as good a sheaf of wheat, as can be made by hand or any other Self Raker now in use.

For further information, enquire of Mr. B. G. FITZHUGH, who still continues the general agency business for the sale and purchase of land, machinery, &c., or to the subscriber,
