SHRINER'S

Balsamic Cough Syrup,

For Coughs and Colds, Croup, Bronchitis, Asthma, Spitting of Blood, Bleeding of the Lungs, Pain and Weakness of the Breast, Difficulty of Breathing, Hoarseness, Whooping Cough, &c.

Letter from Dr. Garry, formerly of Clearspring, Md.

BERKLEY SPRINGS, VA., Aug. 23, 1859.

W. E. SHRINER,—Dear Sir:—During my residence in Clearspring, I was in the habit of using your preparations in my practice. I then formed so high an opinion of them that I wish to have them in use among my patients here. With this view I have induced Jonathan Cassler to accept an agency, and would like you to establish one here.

Yours, truly,

M. M. GARRY, M. D.

Five Years Experience.

JEFFERSON, York Co., Pa., July 18, '59.

To W. E. SHRINER—Dear Sir: I have been keeping your *"Balsamic Cough Syrup,"* for sale for the last five years, and it has given almost universal satisfaction.

It is one of the most popular Medicines in use in our neighborhood. Our sales therefore have been large, especially last winter, having sold at retail at least ten dozen bottles. I therefore do not hesitate to recommend it to the public as a good medicine.

Yours, Respectfully,

JACOB SPANGLER

JOHNSTOWN, PA., Dec. 6, 1859.

To W. E. SHRINER—Dear Sir: At the request of your Agent here, I send you an account of my experience with your *"Balsamic Cough Syrup."* For about two years I had been suffering with something like the Asthma, and for six months before I commenced using your medicine, seldom laid down in bed for fear of strangulation. I suffered much from pains in my breast and had a severe cough, both of which were getting daily worse. We had a bottle of your Syrup in the house, got for a child that had the croup, and I commenced using of it, and to my joy began to feel better; I continued using the Syrup until I had used eight bottles, and am now well. I attribute the cure entirely to your Syrup. We had previously used your Syrup for Croup and Whooping Cough. The Croup is always cured, and Whooping Cough is mitigated very much.

Very truly yours, WM. BRIGHT.

HOSTETTER'S
STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have procured a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absolutely tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

HEALTH RESTORED!

MOTT'S Chlorotic Vestibule, HEW YORK

DR. MOTT'S
Chalybeate Pills.

An aperient and stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen, of high medical authority and extraordinary efficacy in each of the following complaints, viz:

DEBILITY, NERVOUS AFFECTIONS, EMACIATION, DYSPEPSIA, DIARRHŒA, CONSTIPATION, SCROFULA, SALT RHEUM, SCURVY, JAUNDICE, LIVER COMPLAINTS, RHEUMATISM, MERCURIAL CONSEQUENCES, INTERMITTENT FEVERS, NEURALGIA, CHRONIC HEADACHES, FEMALE WEAKNESS, MISMENSTRUATION, WHITES, CHLOROSIS, or PIMPLES ON THE FACE, BOUGHNESS OF THE SKIN, etc.

The IRON being absorbed by the blood, and thus circulating through the whole system, no part of the body can escape their truly wonderful influence.

The experience of thousands daily proves that no preparation of Iron can for a moment be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. In all cases of female debility (fluor albus, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use. As a grand stomachic and general restorative it has no superior and no substitute.

Put up in neat flat metal boxes containing 50 pills, price 50 cents per box; six boxes, $2 50; one dozen boxes, $4 00. For sale by Druggists generally. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to

These Rakers were tried in the presence of numerous gentlemen, who expressed themselves highly pleased with their superior performance.—They are so simple, that they can be put upon the machine at the residence of the farmer.

They are guaranteed to make as good a sheaf of wheat, as can be made by hand or any other Self-Raker now in use.

For further information, enquire of Mr. B. G. Firzurton, who still continues the general agency business for the sale and purchase of land, machinery, &c., or to the subscriber.
