NO. 685, EQUITY.

In the Circuit Court for Carroll County.

Peter Knight,

vs.

John N. Knight & Michael Knight.

THE substance and object of the Bill of Complaint in the above entitled cause, are as follows: The Bill states that some time in the year 1845, the complainant purchased from Hannah Shipley, a parcel of land in Carroll County, containing one acre, more or less, for the sum of twenty dollars, that at or about the time of said purchase the complainant paid the said purchase money to the said Hannah Shipley, and that the said Hannah Shipley was willing, as she had consented and agreed to convey the said parcel of land to the complainant. The bill further states that at the persuasion of friends who represented that his interests would be thereby subserved, the complainant was induced to consent that the deed for said parcel of land should be made and executed to the infant son of the complainant, Michael Knight, one of the defendants, and that said deed was accordingly made.

The Bill further states that although said deed was made absolute on its face, yet in fact and in truth it was intended to be in trust for the sole use and benefit of the complainant, and to be held by the said Michael in trust for the complainant, and that when said deed was made it was expressly declared and understood that the same was made in trust as aforesaid, and that the complainant was induced to consent to the said execution of said deed by the persuasions of the complainant's son, Jacob H. Knight, one of the defendants, who represented to the complainant that his title by such conveyance would be as valid and effectual as if said deed were made directly to the complainant, and the Bill further states that it was well known at the time of the execution of said deed to the said John N. Knight, the same was executed to the said Michael for the use and benefit of the complainant.

The Bill further states that on or about the 1st. day of April 1850, the said John N. Knight, whilst the complainant was in extreme illness, by some means to the complainant unknown persuaded and induced the said Michael to convey to him the said John N. the said parcel of land so purchased and paid for by the complainant and which had been conveyed to the said Michael in trust as aforesaid and the said Michael by the inducement, persuasion, collusion and fraudulent representations, of the said John N. Knight, did on said last named day, and as the complainant believes and charges without any consideration, convey to the said John N. Knight, so far as he was competent to convey the same the said parcel of land.

The Bill further states that said deed from Michael to John N. Knight is void as in fraud and violation of the rights of the complainant and that the complainant is entitled to have a deed Executed to him of said land by the said Michael or the said John N. or by a Trustree to be appointed by the Court, on the refusal of said Michael or John N. Knight.

The Bill further states that the complainant in the assurance of his perfect right, and title to said parcel of land, he erected thereon shortly after his purchase thereof a dwelling house, and other buildings the cost of which he paid, and that said John N. Knight has been permitted by him to occupy said dwelling and premises with the Complainant without thought that he would pretend to claim the same by virtue of the Deed from Michael to him.

The Bill further prays that the said deed from said Michael to John N. may be declared null and void and be vacated, and that said land may be conveyed to the complainants by said Michael, John N. or a Trustee to be appointed by the Court, and prays for general relief.

The Bill further prays a Subpoena against John N. Knight and an order of publication against the said Michael Knight of Ohio, giving him notice of the substance and object of the said Bill and warning him to appear in said Court to answer the premises, &c.

It is therefore Ordered this 9th. day of April 1862 that notice to said Michael be published once a week for four successive weeks in some newspaper printed in Carroll County of the substance and object of said Bill and warning him to appear in the said Court in person or by Solicitor on or before 14th day of July, next to answer the premises and to show cause if any he has why a decree ought not to pass as prayed.
