JOHN CARROLL WINS HEALTH WEEK RACE

Slender Youth Leads Field In Three And One Half Mile Marathon Over City Sts.

DOUGLASS TAKES RELAY

High School Wins 3 1-2 Mile Relay When Community Team Is Disqualified

John Carroll running under the colors of the Bloom A. C., Baltimore, defeated a field of 19 runners and won the Health Week Marathon covering a distance of 3 1-2 miles over the city streets last Saturday. Carroll made the distance in 21 min., 39 4-5 sec.

The relay covering the same course was won by Douglass High School who finished second after the team from the Community House was disqualified when the committee found three boys running on the team had not been entered or registered. The time was 20 min. 35 2-5 seconds or 1 min. 4 2-5 seconds faster than the marathon.

Moody Sets Pace

The relay started promptly at 2:30 p. m., followed shortly by the marathoners. At the crack of the pistol, Ernest Moody of the Torquoise A. C., Baltimore, took the lead and set the pace.

Moody let the field for the first two and half miles when he was passed by Carroll at Park and North Avenue. Robert Lee, representing the Bloom A. C., and finishing second, passed Moody after leaving North avenue.

Of the whole field only one failed to finish. T. Plowden who substituted for Thomas White, dropped out at Mt. Royal and Lanvale and had to be taken up by an automobile and carried to the Community House. After medical attention, he soon revived.

Carroll Ran Steadily

From the start Carroll ran a steady race and finished hardly winded. The slender youth flashed across the line eight seconds ahead of his nearest opponent, Robert Lee.

All along the course crowds cheered the fragile youngster who led a large field of favorites. The Pendleton Brothers of Howard were picked easy winners by nearly everyone. These Baltimore boys and Howard crack track men finished fourth and seventh.

Those that saw Carroll run predicted a great future for him in long distance races. Like Nurmi and Michelson, Carroll looks thin and almost emanciated. With steady stride he gradually picked up Moody near Park and North and was contented to keep just [illegible] enough ahead to be able to cross the line before Lee. He could have done far better had he been pushed.

Robinson Fifth

John Robinson, sporting the colors of Morgan College, was the fifth man to brest the tape, with John Price, of the Assumption, a close sixth.

George Pendleton, of Howard, a big favorite, came in seventh, followed by Frank Bostic, of Morgan. Albert Madden was the first man to finish representing the Druid Hill Y. M. C. A. Madden was the ninth man to cross.

Police Cooperate

Every courtesy was given the officials and runners during the race. Nearly a dozen motor-cycle cops were used to keep the course open and clear the trail for the runners.

A motor-cycle cop kept a block ahead of the leading man along the course and traffic was practically at a standstill while the race was in progress.

Community Team Disqualified

The Community House team which finished first in the relay was disqualified when it was found that three boys, Craig, Jackson and R. Johnson competed and failed to register and be checked by the officials.

These boys were not on the entry blank sent in by the Community House team. The runners finishing first on this team threw away his baton and after a search was finally found in the street. This was overlooked by the judges and the prize awarded to the team but when it was found that several boys competed that had not registered the whole team was disqualified and Douglass High declared the winner.

School 112 Third

School No. 112 and only elementary team entered finished third. This team was to have been given one minute and a half handicap, but judges, timers and coaches were not notified of this decision by members of the committee. The handicap was waived.

Carroll was presented with a silver trophy and a pair of running shoes at a reception held at the Community House Saturday evening. The first six men were awarded prizes.

Douglass High school will be presented with the silver loving cup and each man on the team will be given a prize.

"Tom" Jones Talks

Thomas Jones of School 112 made a statement that his team would have won if a motor-cycle cop had not carried one of his men a block and a half off the course.

Jones had been training his men several weeks for this race and said in each exhibition they had done the distance in excellent time. School 112 has turned out some of Baltimore's most noted athletes under the tutelage of Jones whose specialty is track athletes.

HOMESTEAD GRAYS DATED TO OCTOBER

The East's Most Colorful Team Completes Its Schedule To Close Of Season

JOE WILLIAMS SIGNS

"Cyclone" Pitching Ace Of Brooklyn Royals Added To Roster Of Homesteaders

Homestead, Pa. — Homestead Grays opened the season at Wheeling, W. Va., Sunday, April 12.

During the month of April, games will be payed on Saturdays and Sundays only. After May, the regular daily schedule will go into effect.

The Grays' schedule of Saturday games is complete for the season with only one open Sunday to Oct. 1st. Every Wednesday and Fridays is also booked as well as all holidays.

Will Not Play Race Teams

It is very doubtful if the Grays will meet any colored clubs this season due to the efforts of the Eastern and Western Clubs to secure Homestead Gray players and the signing of Joe Williams, Scales, Gerald Williams, Vic Harris and a catcher who will report before May 1st, by the Grays.

The Grays without a doubt have one of the fastest cubs on the bases in colored baseball with Gray, Vic Harris, Moody, Graham, G. Williams, Yonug, Rags Roberts, Washington, Owens and Woolrich.

The out-field of Vic Harris, Gray, Graham and Moody stand out as the equal of any in baseball.

Star Infield

The infield of Washington, M. Harris, Williams, Scales, Wagner of Brooklyn Royals and Woolrich is a capable one with a punch. Young the regular catcher who has been the Gray's leading catcher for years, can play but Saturday, Sunday and Wednesday ball due to his responsible position with Lockhart Iron and Steel Company.

Ragps Roberts has been converted into a catcher and is hitting harder than the season of 1923 when he led the club. An additional catcher who was first-string man for one of the League Clubs will report before May 1st. A pitching staff with Joe Williams, lefty Williams and Owens on it can take care of itself.

GREEKS ARE VICTIMS OF UNTRUTHS-HARRIS

In a statement to the AFRO this week, Dr. William S. Harris of the Athenian basketball club says his club is made the victim of malicious falsehoods in the controversy between the Athenians and the Scholastic club.

Dr. Harris says the article in last week's AFRO written by Dr. Camper of the Scholastics placed "Cuty" Brown and Tom Wheatley in the class of paupers by offering them money to jump the Athenian club on the night of February 23rd.

He further states that the Athenians did not offer any financial inducements to the two players in the Five Horsemen game as they were not playing for money but jumped to the Athenian club as it offered more inducements to their players, and this step was in the nature of an advancement.

The Athenians will celebrate their fifth Anniversary this month and during that period has established a reputation for clean sports that is nation-wide.

FLOWERS TO REST UP UNTIL LAST OF MAY

New York.—Manager Walk Miller, on returning to his New York offices from Brunswick, Ga., reports that he left his sensational middleweight Theo. "Tiger" Flowers at this place appearing in the leading role of a five-reel feature picture.

The film will portray many interesting inside lights on the life of the "Tiger" before he entered the ring, according to his manager.

It will take until the latter part of April for the "Tiger" to complete the work he is to appear in, he will then take a two weeks rest before he appears in ring action.

The short rest has already shown its beneficial effects and although Miller has many offers, he positively will not start Flowers again before the middle or last part of May.

Miller states that several of the large out door club matchmakers for New York are now in conference with him in an effort to sign Flowers for a match with Berlenbach, Slattery, Greb and McTigue and that he will possibly have a definite announcement to make within a few days.

New York.—At the Commonwealth Club, New York, April 25, Jack Burke (who recently defeated Sikl) will try to stop the progress of Bob Lawson, "The Alabama Bear," in a twelve-round match.

Manager Walk Miller, who handles Lawson, states he has given Jimmy DeForest, matchmaker of the Polo grounds, permission to select any opponent he desires to meet Bob on the opening show of this club on June 12th.

Miller says that DeForest is trying to get Jack Delaney, Paul Berlenbach, Jack Renault, Joe Stoessel, Ad Stone, or Bartley Madden for Lawson's opponent.

Miller feels that in Lawson he has a fighter that will be as sensational as his other star, "Tiger" Flowers, before the open air season is over.

"Lawson is what we call a finisher, in the fight game, he has won his last 15 matches by knockouts, and when this boy hits them, the fans all know what caused his opponent to fall. He is a good clean hard puncher and I'll let him fight any man in the game, regardless of weight," Miller added.
