MANY NOTED ATHLETES TO COMPETE IN HOWARD MEET MAY 2

HOWARD MEET DRAWS NOTED TRACK STARS

Hubbard, Gourdin, Pitts and Many Other Noted Track Men To Compete

JOHN CARROLL TO RUN

Baltimore's Marathoner To Fly Colors Of The Afro In Two mile Event

Coach L. L. Watson, Director of the Department of Physical Education of Howard University, is meeting with great success in the promotion of the National Open Championship Track and Field Meet to be held at Howard University on May 2nd.

Washington, D. C.—Much interest has been aroused throughout the New England States and the Middle West. Not only will Ned Gourdin, former Harvard star, be on hand from Boston, but a team of six men will represent the "Bean Town" in the hope that they will carry back a number of honors in both track and fled events.

AFRO ENTERS CARROL

Springfield, Mass., is sending 8 men; Michigan, is sending her champion jumper, DeHart Hubbard; Chicago is sending Edgar J. Pitts, the much heralded half-miler who will not only run in this event, but the mile and two mile events as well.

Efforts are being made to interest young Washington, the Chicago "flash" to exhibit his wares against the best of the East.

Watts, of Baltimore, has applied for entry blanks and expects to figure in the high jump and sprints. The Baltimore Afro-American is attempting to interest a number of athletes in and about the Monumental city. John Carroll, winner of the Baltimore Health Week Marathon, will represent the AFRO in the two-mile event. The Afro-American Sports Editor is cordially cooperating.

Any athlete who has maintained regular amateur standing may secure particulars for entering the Meet by communicating with L. L. Watson, director of Physical Education of Howard University, Washington, D. C.

Local fans will be interested in the spirited races between the team from Fort Myer and the team from Washington Barracks. These boys have proven their worth in the U. S. Army circles and must be classed among the best in the country at their several events.

Douglass High School On Relay

The scholastic division of the meet will be larger and better than ever before. Armstrong and Dunbar athletes are taking daily workouts on the Howard cinder path during the Easter holidays. These boys are after the scholastic honors.

Of the large number of scholastic entries, the greatest contenders for team point honors and relay trophies will be Dunbar High, Armstrong High, Shaw Junior High, of Washington, D. C.; Douglass High, of Baltimore; Bowie Normal, of Bowie, Md., and Cheyney High, of Cheyney, Pa.

All entries should be in the office of the director not later than Monday, April 27th.

Howard Drops Two In Tarheel State

Washington, D. C.—Howard varsity team returned home last week after a trip to North Carolina winning one and losing two.

The game at Livingstone College was annexed by the Howardites, 14-9. At Durham, in a 12-inning encounter, the game was lost 9-8. It was featured b. Monroe's hitting and the fielding of the big first baseman, Simpson.

Payne clouted out a homer with two on in the 9th inning to tie the score. Slade on the mound pitched a clever game.

The game with Fayetteville was won by the Carolinians, 11-10.

AMONG BOXERS

Bobby Dobbs, the veteran trainer, has a young middle weight in training who looks like a real fighter. The veteran trainer will have his latest protege ready in a few weeks.

Joe Villa, the veteran New York sporting writer, says that Jack Dempsey is running away from Harry Wills to Europe and ends his article most emphatically: "Dempsey is through."

Promoters in Philadelphia, Baltimore, Atlantic City, Allentown, Lancaster and Chester, Pa., want boxers to meet Lee Anderson, but nobody seems to want to fight the Boston light heavyweight.

LIT BROTHERS BOW TO BLACK SOX 4-3

Beckwith's Double In The Eighth Scoring Holloway Give Locals One Run Lead

SOX LEAVE THURSDAY

Team Will Leave To Play In Pennsylvania Friday And Saturday

In a thrilling pitcher's battle the Baltimore Black Sox bested the Lit Brothers' team ,white, from Philadelphia at Maryland Park Sunday in a 4-3 contest.

Mungin, the new addition from California opposed Durkin of the Quaker City team and held the invaders to six hits, passed one and sent eight to the showers. Durkin was found for seven safeties, struck out six and walked two.

The night cap was called when rain sent the players scurrying for cover.

Sox Sock 'Em

The Sox started a bombardment in the fourth frame when four hits scored three runs. Jeffries singled, "Babe" Wilson doubled, followed by "Heavy" Johnson scoring Jeffries and Wilson. Clark's single and a sacrifice by Day sent Johnson across the plate.

The visitors got next to Mungin for four hits in the seventh which tallied three runs tieing the score. Swilger drew a pass, Pesquella flied to Britt, Slaughter hit followed by a safety by Patterson and Swilger scored.

Patterson stole second and a two base wallop by Fleck found Slaughter and Patterson galloping across the rubber.

Beckwith to the Rescue

The Sox gained the edge in the eighth when Holloway beat out a bunt, Manager Beckwith doubled scoring Holloway.

The Quakers almost sewed up the game in the ninth when Patterson made third when Holloway dropped his long fly to center field, with one man down. Mungin fanned Fleck and Durkin lined to Beckwith.

A fast double play, Day to Beckwith to Wilson, featured in the first inning when the Lit Brothers' nine had one man on first.

The Sox will leave Thursday for York where they will engage the York team in battle returning Sunday to Maryland Park to meet the Camden, N. J., team, white, in a double attraction.

The Camden club is a member of the Penn-Jersey league and gave the Sox a stiff battle last year.

Rojo reached New York Sunday and will be in Baltimore in time to catch Sunday's game. "Bobo" Leonard will also be in to relieve Britt in left field.

Sox Beat Pros

The Sox defeated Lucky Davis' Baltimore Professionals, white, Saturday afternoon by a 7-1 score. McClure went the entire distance for the Sox and held the visitors to five scattered hits.

GREEKS OVERWHELM MORGAN DRIBBLERS

Athenians Close Basket Season With 70-27 Win Over College Quintet

"CHIPPY" TAYLOR LED

The "Ghost" With 13 Field Goals Won High Point Scoring Honors

....The Athenians led the Morgan College quintet a merrie chase on the floor of the New Albers Friday night, and after 40 minutes of play the Greeks had the College boys on the short end of a 70-27 score.

This game closed the basketball season for the Eastern champions with only one loss on local territory and that to the 140th Regiment, white, the first of the season by one point.

The speed artists jumped into an early lead and at the end of the first period the school boys were behind a 31-14 score.

13 Goals for Taylor

"Chippy" Taylor, the "ghost", simply ran wild shooting goals from all sorts of impossible angles for the high score honors annexing a total of 13 for 26 individual points.

"Cutie" Brown won second honors with 10 markers from the floor for a total of 20 points. "Bill" Harris "got loose" caged three double-deckers and played one of the greatest guard games of his basketball career.

Todd, a new recruit from Atlantic City, substituted in center during the last half. The Seashore pivot man is big, has lots of speed but lacks the experience and control of the tall Greek center, "Herb" the "Killer."

Butler in the Game

Wheatley and Butler make a smooth working guard combination and what "Ev" lacks in weight is made up in speed. Butler was in the thick of the fray every second he was in the game.

The Morgan dribblers were crippled due to the absence of Mack Payne, their star guard but Hawkins and Young put up a great fight in the face of such overwhelming odds.

Sheffey, the "Flash" with four field goals led the scorers for the Bears followed by Young with three. Hazzard played a rather hazzard game at forward and soon gave way to Smith.

The Preliminary

The preliminary produced thrills galore when the Lightning Five won a 27-26 victory from the All Stars in an extra period game of fine minutes. Tom Hayes shot the winning goal with about two seconds to play.

Attempts To Get Chick Suggs To Throw Boston Scrap Failed

New England Champion Refused To Be Led By Gamblers In The Mickey Travers Fight. Suggs Kayoed His Opponent And Had to Run to Escape the Wrath of the Speculators

EDITOR'S NOTE—*This is the third installment of the story of the life and battling career of "Chick" Suggs running exclusively in* THE AFRO. *Suggs is without a doubt the most prominent contender for the world's bantamweight title, now held by Phil Rosenberg.*

Early in 1917, mutual friends brought "Chick's" budding future to the attention of Al Cassidy, who was at that time New Bedford's most enterprising pugilistic pilot.

Satisfactory arrangements were made and Suggs then blossomed forth as one of the most promising youngsters in a very large stable of fighters. He did very well under Cassidy's able and careful handling. Too well, in fact, for before even his astute manager realized it, "Chick" had begun to wade through a long list of supposedly tough boys and very soon Al was faced with the old dilemma of trying to find boxers anywhere near Sugg's weight who were willing to try conclusions in the ring with him.

Dodgers

It had become almost as difficult a proposition to shoo fighters into the ring to box Suggs as it is supposed to be difficult to pry the Wild Bull of the Pampas loose from a good old American curtwheel.

After considreable negotiation with promoters and their satellites, Al finally got "Chick" a bout in Boston with Mickey Travers. This bout was to be staged in the Arena and all "Chick" was to get for it was $25 and his carfare from Newport.

One of the most interesting sidelights of this period of the little man's career was his passage at arms with a ging of Boston gamblers who brought heavy pressure to bear on him to throw a fight. It is worth repeating because it portrays as well as anything can, the sound basis of character on which Suggs has built the stairway he used in climbing to the top.

Wise Money

A few moments before the time set for Suggs and Travers to enter the ring, some of the gambling syndicate approached Cassidy and suggested that they could make it well worth his while if Suggs would do a flop. He chased them out of the dressing quarters only to have them come back with offers ranging up to $200.

When they found they couldn't do business through Cassidy, the boys who wagered the so-called "wise money," got through his protecting lines and interviewed Suggs in his dressing room. Here they pleaded, threatened and cajoled but all "Chick" did was listen. They went out apparently satisfied that Suggs had been properly impressed and the scrap was "in the bag" for Travers.

When Suggs and the Connecticut lad entered the ring, Travers was a heavy favorite to win by a knockout. The "wise boys" had done their work.

Travers Kayoed

In the first round Suggs couldn't get going. Travers showered him with gloves and seemed to have him hopelessly outclassed. The odds on Suggs lengthened and the boys came out for the second round.

"Smack!" The first thing "Chick" did in the second frame was to land his right flush on Mickey's chin. Mickey fell as if someone had kicked his feet from under him. He got up before the count of ten and collided with another crashing fist. Once more his shoulder blades fell into the resin. This occurred six times before Travers finally went down and stayed down.

The gamblers went wild. They surged around Suggs as he made his way from the ring, nearly mobbed his dressing room and in general carried on in a most menacing manner. Cassidy and his little charge had to make a run for it to get out of the club without taking a beating.

Plays Square

"Chick" won that scrap, got his $25, but was a long time getting another fight in Boston, because he wouldn't play the game the way those in control of the sport at that time wanted him to. If Suggs had been at all inclined to be a "business man" in ring dealings, he would have made quite a pile of coin of the realm for himself a few years ago.

But he preferred to hew to the straight and narrow, play everything above board and let every scrap go on its merits. That right would prevail in the end, was his creed. He stuck to it and now he is one of the most popular, most respected and highly admired performers in the game today.

His reputation for squareness and honesty is unquestioned no matter where he shows. His quiet, unobstrusive manner and his exemplary mode of living have won him the sincerest of commendation from men who have seen so many successful battlers hit the chute that leads to oblivion simply because they couldn't keep a level head.

The age old appeal of the white lights, the pleasant purr of the idle flattery of parasitic hangers-on touched no answering chord in the make-up of Suggs.

Becomes A Benedict

Naturally industrious, unselfish and thoughtful towards the rest of his family, "Chick" tended strictly to his knitting and made his slim earnings go as far as they could be stretched.

In February, 1918—Washington's birthday, to be exact—"Chick" took upon himself the responsibilities of a married man.

He took for his bride Miss Elizabeth Spicer, a Staten Island girl of his own age. They were so young that it was necessary for them to add a few years to their lives before they could obtain a marriage license.

This bit of pardonable prevarication was accomplished without difficulty and "Chick" became an honest-to-goodness benedict with a house and wife all his own to work, save and strive for.

Gets Pick Job

At that time the boxing business, so far as "Chick" was concerned, was worth not a whit as a form of steady employment.

He couldn't get a fight then if he had tried to pick one on the street. "Chick" Suggs was someone to be talked of but not to be mingled with inside the squared circle. Hence he had to turn to something else. Young married men couldn't sit around and hope someone else would pay the grocer's bills and keep the landlord good humored.

He got a job at the Coddington Point naval camp where a big construction project was being carried out. "Chick" put his 118 pounds on the business arm and back he had never suspected end of a pick and shovel and discovered, painfully, a lot of muscles in his before.

This went on for a time with "Chick" infrequently squeezing in a bout. It was the ebb tide of "Chick's" career. He wasn't getting anywhere and the prospects of his ever getting out of the ranks of the pork and beaners were dimmer than a candle trying to match light with a 600 candlepower incandescent.

The National Tennis Tournament this year will take pace at Bordentown, N. J., during the week of August 24-29. All of the rated players are expected to enter along with the ex-champion Brown, who will be fighting to regain his lost laurels.

Brown's success will depend, in a great measure, upon the advance made by Ted Thompson, Woolridge and Saitch, as these are conceded to be his most dangerous competitors.

Brown is coaching Miss Ballard in Philadelphia and with the advantage of this training, and the confidence acquired by her success of last season, the Philadelphia left handed star may be expected to give Miss Channels a most strenuous of female tennis players battle for first position in the ranks.

MAKE NO MISTAKE

No matter what anyone else has told you, SEE ME before you give up hope. I will give you the benefit of my more than 20 years of study and unlimited experience in treating the diseases of MEN. I will give you the benefit of my modern laboratory—of every scientific appliance and method to determine the exact nature of your case—FREE.

TAKE NO CHANCE

Science advances. Do not trust yourself to those who fail to advance with science. Do not take the advice of people. Come to me; I AM A SPECIALIST FOR MEN with years of successful practice. My success is well known to many men throughout this section of the country. Call today. I am QUALIFIED TO TREAT YOUR CASE.

I AM A SPECIALIST

More than 20 years of study and UNLIMITED EXPERIENCE have fitted me to ascertain exactly what it is that makes you suffer. When I examine you I take into consideration every factor. I am not misled by the sympathetic symptoms which might be mistaken as the disease itself. EXPERIENCE HAS TAUGHT ME THAT I MUST GO DEEPER TO DETERMINE ACCURATELY FUNDAMENTAL CAUSES.

The organ which seems to be most affected may not be the diseased organ at all. For it is a fact that one diseased organ in the body can upset a half dozen other organs by taking from them the necessary vital NERVE FORCE required for the DISEASED ORGAN. My diagnosis goes below surface conditions and reveals the exact point where RESERVE NERVE FORCE IS BEING WASTED AND STOPS THE LEAK. My treatment corrects FAULTY CO-ORDINATION of the nervous system. FAULTY ASSIMILATION AND FAULTY ELIMINATION, the important functions upon which the body depends for normal health.

The SENILE CHANGES begin to take place in a man at about the age of 45 years. This change is sometimes imperceptible but CERTAIN, and it is at this period we must call upon the RESERVE NERVE FORCE with which Nature endowed us at birth and which we have generated and conserved to some extent from day to day. We have exhausted our RESERVE NERVE FORCE THROUGH EXCESSES OR DISEASE, then, if we are to attain to our full three score years and ten with continued health and happiness, WE MUST ASSIST NATURE TO RENEW THE VITAL NERVE FORCE through proper treatment. To do this takes the skill of a SKILLED SPECIALIST. I am a SPECIALIST—all my professional life has been devoted to studying the diseases of men—to keeping abreast of science as new discoveries come to light.

My methods are MODERN, employing every discovery and every appliance of SCIENCE which has been proven of value in RESTORING THE VITAL NERVE FORCES so that men may reach their full, ripe age in perfect health and strength.

Thousands of satisfied patients testify to my ability to successfully treat diseases of the BLOOD—SKIN—PROSTATE—BLADDER—KIDNEYS—STOMACH—RECTUM—CHRONIC DISEASES.

And remember IT COSTS YOU NOTHING TO CONSULT ME. It costs you not one penny to satisfy yourself that I AM THE MAN TO AID YOU TO REGAIN HEALTH. Consultations and advice are FREE. My Fees are reasonable. THERE IS NO REASON WHY YOU SHOULD SUFFER—no reason why you should be only HALF A MAN. COME TO ME—permit me with my years of study and my UNLIMITED EXPERIENCE to ascertain WITHOUT QUESTION OR DOUBT exactly what your disease is and place you under a treatment which has proven successful in thousands of other cases.

I TREAT MEN AND MEN ONLY

I do not treat symptoms—I do not aim with a shotgun at a bullseye in the hopes of striking the center with one of the hundred shots. I carefully separate the chaff from the grain—I am not satisfied with merely whitewashing a disease. I ascertain carfully the primary cause and contributary complications and my treatment is designed to remove the CAUSE of your trouble. For instance, a man with a headache would not permit his brain to be operated on, nor should he be satisfied to be temporarily relieved by dope of one kind or another. I clearly demonstrate to you the need for and the VALUEof my treatments as they apply to YOUR PARTICULAR CASE.

Speaking man to man I want to say to every sufferer—NO MATTER WHAT YOUR EXPERIENCE HAS BEEN IN THE PAST, no matter how discouraged you have become over your condition—CONSULTATION WITH ME WILL CONVINCE YOU THAT I AM THE MAN TO AID YOU. Any fair minded man who is not prejudiced can convince himself easily that I am not an egotist, that the fact I advertise in no manner detracts from my qualifications as a physician, regardless of so-called ethics. COME TO ME and let us discuss your trouble—determine for yourself just what manner of practitioner I am. Give me the opportunity to demonstrate to you the fact that I can aid you to complete health.
