DR. JOHNSTON,
THE ONLY PHYSICIAN
ADVERTISING.
BALTIMORE LOCK HOSPITAL.

Established for the suppression of quackery. The only place where a cure can be obtained, or the most certain, speedy and effectual remedy in the world for all

SECRET DISEASES.

Gleet, Strictures, Seminal Weakness, Weakness of the Back or Limbs, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Lungs, Stomach or Bowels—those Terrible Disorders arising from Solitary Habits of Youth—those SECRET and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN.

Especially, who have become the victims of *Solitary Vice*, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senators with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men, contemplating Marriage, being aware of Physical Weakness, Organic Debility, Deformities, &c., should immediately consult Dr. J, and be restored to perfect health.

He who places himself under the care of Dr. Johnston, may religiously confide in his honor, as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

immediately cured and full vigor restored

OFFICE No. 7 SOUTH FREDERICK ST., left hand side going from Baltimore street, a few doors from the corner. Fail not to observe the name and number, for ignorant, trifling imposters, attracted by the reputation of Dr. Johnston, lurk near.

N. B.—*All letters must contain a stamp, or no reply sent.*

A CURE WARRANTED, OR NO CHARGE, IN FROM ONE TO TWO DAYS.

No Mercury or Nauseous Drugs Used.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an illtimed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, disease nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing on with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that bourne from whence no traveller returns.

It is a *melancholy fact* that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that *Deadly Poison, Mercury*, ruin the constitution and make the residue of life miserable.

TAKE PARTICULAR NOTICE!

Dr. J. addresses all those who have injured themselves by improper indulgences and solitary habits which ruin both body and mind, unfitting them for either Business, Study, Society or Marriage.

THESE are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, symptoms of Consumption, &c.

MENTALLY—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

NERVOUS DEBILITY—Thousands can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy weakness of the organs is speedily cured, and full vigor restored.

Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved.

All impediments to Marriage, Physical or Mental Disqualifications, Nervous Irritability, Trembling and Weakness, or exhaustion of the most fearful kind, speedily cured.

YOUNG MEN,

Who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions at school, the effects of which are nightly felt, even when asleep, and if not cured render marriage impossible, and destroy both mind and body, should apply immediately.

What a pity a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons MUST, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

TO STRANGERS.

THE MANY THOUSANDS cured at this institution within the last eighteen years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the papers and many other persons, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

TAKE NOTICE

It is with the greatest reluctance that Dr. JOHNSTON permits his card to appear before the public, deeming it unprofessional for a physician to advertise, but unless he did so, the afflicted, especially strangers, could not fail to fall into the hands of the many impudent and unlearned Imposters, with innumerable false names or combined Quackshops swarming these large cities, and copying Dr. Johnston's advertisements. *Shoe Menders, Boot Blacks, Sweeps, Lamp Trimmers &c., paltry and contemptible Imitators*, whose Lives instead of at the Noble Science of Medicine, have been spent in the most *Menial Capacity*, now styling themselves *Regularly Educated Physicians*, illiterate shallow-brained fellows, too lazy to work at their original trade, with scarce two ideas beyond a brute, who, for the purpose of enticing and deceiving, carrying on five or six offices, under as many different false names, so that the afflicted Stranger escaping one, is sure to tumble headlong into the other; ignorant quacks with enormous lying certificates of great and astonishing cures, from persons not to be found, who keep you taking large bottles of Liquorice Water and other packages of filthy and worthless compounds, cunningly prepared to impose upon the Unfortunate and unsuspecting.—Trifling month after month, or as long as the smallest fee can be obtained, and, in despair, leave you with ruined health, to sigh over your galling disappointment.

Persons coming from these remarks can try those impostors, be ruined in health and be convinced.

Dr. Johnston wants no patients but those fully capable of appreciating and distinguishing the services of a regular thorough bred Physician from the paltry, designing and unlearned Quack

ONLY PHYSICIAN ADVERTISING.

Dr. Johnston is the only Physician advertising to cure Secret Diseases. His Credentials or Diplomas always hang in his office.

HIS REMEDIES and treatment are entirely unknown to all others. Prepared from a life spent in the great hospitals of Europe and the first in this country, and a more extensive practice than any other Physician in the world.

HE ALONE CAN RESTORE YOU.
