GUM SPRING & GUM FEEDER
ORIGINAL.
MANUFACTURED BY
E. WAGONER.
The Best Drill ever heard of!

IT SOWS all kinds of Grain perfect, from one peck to four bushels without changing the Machine. The quantity can be changed when in motion, by a slide. It will sow Wheat, Buckwheat, Rye, Oats, and Barley without choaking by white caps, awns or straws. This Drill feeds by two vulcanized rubber cylinders revolving together. The spring drag bar is very useful in rough land, stumpy or rocky. It will pass over any thing not over fifteen inches high without breaking of pins or anything else. The hoe will pass over and fill in its proper place. I also build them with Guano or other fertilizer sowers attached, which all farmers who use any of these manures ought to have, as they will save one half of the manure and have more grain, as it sows, drills with the grain. This attachment is warranted to sow correct without choaking or clogging, and will sow from fifty pounds to any number of pounds that is wanted to be sown by a Drill.

Persons wanting an Attachment of this Fertilizer Sower put on their Drills, will please be as early as possible, as I have a great deal of this kind of work to do.

HOSTETTER'S
STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach nearer one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

HEALTH RESTORED!

DR. MOTT'S
Chalybeate Pills.

An aperient and stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen, of high medical authority and extraordinary efficacy in each of the following complaints, viz:

DEBILITY, NERVOUS AFFECTIONS, EMACIATION, DYSPEPSIA, DIARRHEA, CONSTIPATION SCROFULA, SALT RHEUM, SCURVY, JAUNDICE LIVER COMPLAINTS RHEUMATISM, MERCURIAL CONSEQUENCES, INTERMITTENT FEVERS, NEURALGIA, CHRONIC HEADACHES, FEMALE WEAKNESS, MISMENSTRUATION WHITES CHLOROSIS, etc., PIMPLES ON THE FACE, ROUGHNESS OF THE SKIN, etc.

The IRON being absorbed by the blood, and thus circulating through the whole system, no part of the body can escape their truly wonderful influence.

The experience of thousands daily proves that no preparation of Iron can for a moment be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. In all cases of female debility (fluor albus, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use. As a grand stomachic and general restorative it has no superior and no substitute.

Put up in neat flat metal boxes containing 50 pills, price 50 cents per box; six boxes, $2 50; one dozen boxes, $4 00. For sale by Druggists generally. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to

SHRIVER'S
Balsamic Cough Syrup,

For Coughs and Colds, Croup, Bronchitis, Asthma, Spitting of Blood, Bleeding of the Lungs, Pain and Weakness of the Breast, Difficulty of Breathing, Hoarseness, Whooping Cough, &c

Letter from Dr. Garry, formerly of Cheaspring, Md.

BERKLEY SPRING, Va., Aug. 23, 1859.

W. E. SHRINER.—Dear Sir:—During my residence in Cheaspring, I was in the habit of using your preparations in my practice. I then formed so high an opinion of them that I wish to have them in use among my patients here. With this view I have induced Jonathan Cassler to accept the agency, and would like you to establish one here.

Yours, truly,
M. M. GARRY, M. D.

Five Years Experience.

JEFFERSON, York Co., Pa., July 18, '59.

To W. E. SHRINER—Dear Sir: I have been keeping your "*Balsamic Cough Syrup,*" for sale for the last five years, and it has given almost universal satisfaction.

It is one of the most popular Medicines in use in our neighborhood. Our sales therefore have been large, especially last winter, having sold at retail at least ten dozen bottles. I therefore do not hesitate to recommend it to the public as a good medicine.

Yours, Respectfully,
JACOB SPANGLER.

JOHNSTOWN, PA., Dec. 6, 1859

To W. E. SHRINER—Dear Sir: At the request of your Agent here, I send you an account of my experience with your "*Balsamic Cough Syrup.*" For about two years I had been suffering with something like the Asthma, and for six months before I commenced using your medicine, seldom laid down in bed for fear of strangulation. I suffered much from pains in my breast and had a severe cough, both of which were getting daily worse. We had a bottle of your Syrup in the house, got for a child that had the croup, and I commenced using of it, and to my joy began to feel better; I continued using the Syrup until I had used eight bottles, and am now well. I attribute the cure entirely to your Syrup. We had previously used your Syrup for Croup and Whooping Cough. The Croup it always cured, and Whooping Cough it mitigated very much.

Very truly yours, WM. BRIGHT.

GOOD NEWS AT LAST!
LET THE AFFLICTED READ!

And learn that a perfect and radical cure is warranted and guaranteed to all who are afflicted with weakness, debility, nervous complaints, melancholy thought, depression of spirits, distress and anguish of mind, loss of sleep, loss of memory, loss of energy and muscular power, puny growth, wasting away, and a want of confidence in themselves, fainting fits, convulsive tremblings, impotence and disgust of life. Some physicians require to be told the nature of your disease—the ENGLISH BOTANIC PHYSICIAN does not. His perfect knowledge of the human system enables him to describe the disease without any information from the patient, to explain its original cause, and to guarantee its cure. And, what is more valuable still, he will honestly and frankly tell whether you can be cured or not, thus saving you trouble, expense and disappointment. His examinations are made without any information from the patient; therefore he thoroughly understands their Physical condition and Phrenological development, without which he never could have performed so many astonishing cures. It should be remembered that this Botanical Physician performs cures thought impossible."—*Medical Journal.*

Let skeptics, and more especially those who have tried others and got no relief, let them read the following facts, and judge for themselves, of the good effects of the Botanic Physician's New Remedies. As all his correspondence is strictly private and confidential, honor prevents from giving names.

YOUNG MEN, READ THIS!

"I am now twenty-five years of age; I have suffered from the following symptoms since I was seventeen years old; I employed every means; I consulted a number of medical men, and spent a little fortune for medical treatment, and got no relief, until I tried the Botanic Physician. Under his treatment, I was restored to perfect health, both mentally and physically. The following were the symptoms I felt:—At the age of seventeen, palpitations of the heart came on, and which were afterwards induced on the slightest exertion or excitement; periodical headache, noise and buzzing through the ears; imperfect vision, objects like falling stars annoying the sight; temporary attacks of squinting; pimples and blotches on the face; a shrivelled state of the frame, with constant cold feet and hands; loss of memory; incapacity to turn the attention to any one subject; frequent fits of abstraction; total inability to study; dislike to society; attacks of despondency, melancholy, involuntary shedding of tears; heats and flushes on the face on the slightest occasion, and thoughts of suicide; difficulty of breathing on the least extra walking, running, or going up stairs, or up a hill. The stomach was constantly out of order; the appetite became capricious; sometimes it increased, and at other times nearly absent; fanciful tastes and a longing for strange food. A train of dyspeptic symptoms set in, such as flatulence, constipation and looseness; extreme heaviness and torpidity after eating; great thirst, restless nights, frightful dreams, cough, night sweats, fetid breath, decay of teeth, constantly furred tongue. The chief symptoms of which, in addition to the preceding, were pain and debility in the back and loins, creeping and shivering sensations down the spine, as though ants were traversing that column. I was engaged to be married, but dared not, for fear my infirmity might be known. I felt a sense of fear, distrust and shame, with a dread lest my infirmity should be suspected or discovered; a wasting away followed, and my friends thought I was consumptive; my complexion became sallow, my eyesight dim; I had a downcast and an abashed look; I was unable to stand the gaze of other people; I would blush when spoken to; my forehead and face became blotched and pimpled; a loss of flesh followed, and a great drowsiness, with an indifference to everything but seclusion; appearances of rupture began to show themselves. I began to pine away; for seven years I suffered all these symptoms and kept the secret in my own bosom; and I believe I should have taken the secret to an early grave, had I not consulted the Botanic Physician. I write these facts for the sake of suffering humanity, hoping they will be the means of my fellow-creatures from a life of suffering and a premature grave. Yours, truly, &c., ——."

When the above gentleman called on me, he had no hopes of a cure; all he expected was a little relief. I first made a Phrenological and an Anatomical examination of him. Having satisfied myself that he had no chronic disease about him, I told him at once that I could cure him; but he had suffered so much disappointment in the other remedies he had tried, that he even doubted mine; however, I made the necessary Mathematical and Astronomical calculations; and having by those means ascertained what herbs, under planetary influence, were best adapted to his case, the cure was very soon accomplished. He soon recovered all his mental and physical energies; in short, he became a man again; and shortly after married, and I need not say became a happy man.

LADIES, READ THIS!

"I have been married ten years; I never had any children; it caused discontentment in my husband; we both were anxious to have children; and I tried several things to remove my barrenness, but they had no effect. About three years ago, I called on the Botanic Physician; I took his Remedies, and am now blessed with two lovely children; my health is much improved, and my husband is more contented and happy.
