LADIES, READ!
NEW HOMŒOPATHIC REMEDY
For Suffering Females.

***DR. S. W. SMYTHE'S***
HOMŒOPATHIC
FEMALE REGULATING POWDERS.

A Sure and Safe Medicine, having been proved by a Three Years' Test in Private Practice.

AFTER a life of careful study as a practitioner of the Old and New School Systems to obtain a sure and safe medicine for females suffering from *irregularities*, I call once more attention to the attentions have been crowned with success; having found, through the knowledge of Homœopathy from time to time, substances which I compounded with great care, and can now place before the public in *Homœopathic Powders*, as the only true and reliable Remedies that will produce, in almost every case, under all circumstances; they having been tested since January, 1859, (over three years,) in my private practice, on indeed of different temperaments, and so far have *never failed* to produce the desired effect, if taken strictly according to directions.

A GREAT many persons in this and other countries have no faith in the new school of Homœopathy, from the simple fact they have never been treated with its cure, or when done, not properly. Now, as *I am a graduate of both systems in the first colleges of Europe*, (Royal College of Surgery and Medicine,) London, and "The Homœopathic Institute of Medicine," London—the former classed Allopathy, Old School, and the latter Homœopathy, New School) and having practiced both for a period of *forty-one years*, I think I am entitled to a judgment in the matter. After attending one course of lectures on the Homœopathic doctrine, (merely for my own benefit) I was induced, by its astonishing effects, to attend the remaining courses. I then gave up the Old School system altogether, and have, so far, for the last *thirteen years*, practised it, finding it the *most proper mode of treatment*. Besides, the fact that the United States Government is about introducing the method into its army and navy, alone should convince all.

THIS is my first appearance in the advertising columns of a newspaper, and I sincerely hope the plain truth set forth will attract the eye of those suffering, so far as to give my Powders a trial. Their *good effects* will then show their worth, and it will require no advertising thereafter to ensure them as my patients in the treatment of their delicate complaints for the future. *A single trial will convince all non believers of their great virtue.*

THESE Powders are put up in four different boxes, accompanied with full directions, and are *warranted* a sure remedy, (*causing immediate action*) when applied to each disease.

No. 1 will remove all *obstructions*, and cause a safe and regular return of *Monthly Sickness*.

No. 2 will cure *Prolapsus Uteri*, (falling of the womb) and all *inflammatory* and *ulcerated* diseases of the womb.

No. 3 will cure *Leucorrhea*, (Whites,) and *Incidental Bleeding*.

No. 4 will cure diseases attendant to *advanced stages* of life, (change of life.)

These suffering from *Spinal* and other effections, by writing, stating their different ailments, will be treated with proper care, and a cure can be relied upon, as many of the patients can testify.

Caution is given not to use my No. 1 Powder in cases of Pregnancy, as it is sure to produce miscarriage. Those whose health will not permit the care of a family, will find this Powder a valuable preventative.

Price of boxes, (containing twelve Powders, $1.00. Consultation fee, by person or letter, $2. Sent by mail or express to any address, accompanied with full directions and *good advice*, which will be found very useful in the future.

All communications must be written plain, especially names, post offices and counties.

*Highly Recommended by Physicians of all Classes, for Special Purposes.*

HAVING been appointed Agent for the City of Philadelphia, U. S., by the "Royal India Rubber Company," of England for the sale of their highly improved Patent Gutta Percha Female Syringe. I can now offer this most admirable article, which heretofore was so difficult to obtain. These Syringes have always been noted for their durability and neatness, taking the prize at the World's Fair, London, and other similar fairs throughout the world; and in consequence of this, several inferior articles have been palmed on the public as genuine. All the Royal Company's syringes that are exported to the United States pass through my hands, and none are genuine but with my signature attached. Price for such Syringe, handsomely boxed, containing full accompaniments and directed for use, $5.00. Persons wishing to know their excellent qualities, can gain what information requisite by writing.

Persons at a distance can have the same by sending a full description of the system, they are requested to confide in me, and I will guarantee them a healthy, active and happy future. My long experience and practice make me an adept in these cases. May 16,—1y.

*A SUPPLEMENT*

**MARYLAND CODE,**

Agreeably to the promise made to the Public in our Prospectus to the MARYLAND CODE, we now announce the publication at an early day, of the

*First Volume of our Supplement to the Code.*

IT WILL CONTAIN ALL THE
**General and Local Laws,**

Passed by the Legislature at the Extra Sessions of 1861, and the Regular Session of 1862, arranged under their Proper Titles to Correspond with the Code, to be accompanied with Accurate Tables, showing at a glance, the Articles and Sections of the Code, Repealed or Amended, with References to the Chapter and Section, by which amended or repealed, to which will be added in an

*Appendix, the Private Acts and Resolutions of the Extra and Regular Sessions. The whole to be carefully Indexed.*

To render the work still more valuable, we shall prefix the CONSTITUTION OF THE UNITED STATES, with its Amendments, with Marginal Notes, referring to the Decisions of the Supreme Court—Also the CONSTITUTION OF THE STATE OF MARYLAND with Marginal Notes and References to Acts of the General Assembly and Decisions of the Court of Appeals, and an Appendix and Index.

We believe we thus offer to the public a work invaluable to every lawyer, Magistrate, Politician, Business Man, and every Citizen of Maryland, and one invaluable to every possessor of the Code.

The importance of the legislation of the late sessions of the Legislature, affecting, as it does, the interests of every man in the State, renders it a matter of the greatest moment to each individual, to have in a convenient and accessible form, the Acts of Assembly, and it is scarcely less so to have embodied, in the same volume, the Important Resolutions which manifestate the policy of the State in the present crisis, while it will prove a nutting of no slight moment to individuals and corporations, thus to have preserved in a permanent form, the Action which their rights and interests may depend.

By continuing the publication of the work, as we propose, it is believed that the Bar of Maryland will have the Statute Law of the State in a form as convenient and accessible as that of any State in the Union.

☞ Such as may desire to secure the Supplement, will do well to order at once, as the extent of the Edition will be regulated by the number of subscribers. MURPHY & CO.,
