OODS LEADS OINT WINNERS N P. A. L. MEET

The All-For-Glory track and field meets that have been in progress all summer in Druid Hill park under the supervision of the Playground Athletic League closed last Friday afternoon.

Leo Woods, champion 440-yard sprinter, led the field in the unlimited class with a total of 119 points. W. Westley, his nearest rival, came second with 91.

Woods matriculated at Morgan College this fall and will no doubt be a decided asset to Morgan's track team.

W. Rozzell was the leading point getter in the 170-pound class. With a total of 145, Rozzell had his nearest oppoennt, W. Talley, by 76 points.

H. Plowden led the 100-pounders with 86. C. Prescoe was second with 60 1-2.

C. Redd in the 85-pound division annexed 102 point. T. Plowden came second with 70.

Bernard Webb, as Baltimore's track mentor, has developed several boys in the weekly track meets that show possiblities of future stars on the cinder path. Under his leadership the P. A. L. boys have defeated Washington two consecutive years in inter-city meets.

Shadowdale Wins Havre De Grace

Under, astride Shadowdale, won fifth race at the Havre De Grace track on Friday. J. Booker is owner of the winner and Shadowdale is trained by J. R. Booker.

Value of the race to the owner $1,000. He paid $11.50 straight, place and $4.30 show.

Shadowdale, handling his weight, moved on the leaders rounding the last tourn and overhauled Just Stretch, who held on gamely for second.

Hudgins, in the third race, rode Cloud in third place and Becky to the same place in the second race. West Point was disqualified.

FAMOUS RACE HORSE MAN DIES

Omaha, Neb. (A.N.P.)—Robert "Bob" Rowe, one of the best known racing men in the country, died last Wednesday at St. Joseph's Hospital here.

A partner of the firm, North & Rowe, Rowe had raced at all the tracks in the country and the well-known horses which owned were Coffield, Knighthood, Mohawk III, and several others. Horses were shipped to San Diego. Mr. Rowe was part owner of the Coronal new Douglass Hotel recently completed, and the remains followed on Friday.

FORMER HAMPTON STAR COACHES AT V. N. I.

By I. A. DERBIGNY

Petersburg, Va.—A much needed cog in the Finley coaching machine has been filled by T. T. Coleman, former Hampton star and All-American tackle. Coleman will bend his efforts toward correcting the defects of the individual line players.

Monday was spent in signal practice together with intensive drill in tackling and blocking. Tuesday and Wednesday light half-hour scrimages were held. The most probable candidates for the big machine are:

Halfbacks: Epps, Allen, Duffy, Overby.

Quarterbacks—Baker and Royal.

Fullbacks—Sayles and Winston.

Ends—Lacy, Brown, Chambers and Blond.

Tackles—Tynes, Finney, Thompson and Shelton.

Guards—Slaughter, Crockett, Pierce, Coley and Richardson.

Centers—Smith and Christopher.

On Saturday Sept. 25th, the first full time practice game was played. The line-up to face A. & T. on October 3rd will be chosen from the participants in the game Saturday.

The A. & T. game promires to be one of the stiffest on the entire schedule, and no precaution will be overlooked in making ready for the fast North Carolina aggregation.

LINCOLN LIONS OPEN CAMPAIGN SATURDAY

Elkton, Maryland Will Be Scene Of First Clash When They Played The Newark A. C.

JAZZ BYRD WILL NOT BE MISSED IN LINE

Fifty Youngsters Are Determined The Orange And Blue Will Repeat Again This Year

By M. Anthony Wolff

Lincoln University, Pa.—Since the close of the football season last fall, the question has been going the rounds, "What will Lincoln do without "Jazz" Byrd during the 1925 season."

Fifty answers to this question, and as many good reasons why Lincoln will repeat her performance of last fall, are to be found daily on Rendall Field, going through strenuous practice, pursuing the so-called elusive pigskin about the field with all the vim and spirit that youth can command.

Notwithstanding his recent illness, and continued weakened physical condition, Coach Young, Lincoln Mentor, is drilling his charge hard in preparation for the opening game, to be played October 3rd at Elkton, Md., with the Newark A. C.

He is much pleased with the progress being made and though not over confident, is highly enthusiastic over the season's prospects.

Saunders

Perhaps the greatest find of the year is Sanders, of Paul Quinn College, Waco, Texas, who tips the scales at 210 pounds.

All Southwestern Center for three consecutive years, his performance at Lincoln thus far, amply supports his record. Though obviously a heavy man, he is fast and aggressive, and bids fair to add glory to the Orange and Blue.

J. Martin, brother of Coach Ernie Martin, formerly of Union University, more recently of Colby Academy, is a lad in the heavy class, who will bear watching. It will be recalled that he was in the All-American lineup a few years ago.

New Comers

Other new-comers who show promise are Bourne of Storer, a coming guard; Wells of Lincoln University, Mo., who is developing into a dashing tackle; and Walker, formerly star quarterback of St. Paul, who is trying for that position, left vacant by the graduation of "Bat" Taylor and the departure of "Buster" Browne.

Day is doing good work, though hard pressed by Hughes and Hibbler of last year's squad, both of whom are earnestly contending for the quarterback position.

"Butts" Brown Returns

After an absence of nearly two years O. W. (Butts) Brown, is again running under Lincoln's colors.

He needs no introduction, and his record requires no review here, but this much is apparent. Brown means to make things move this year.

Many of the veterans are showing form, even at this early stage of the game. Among the latest to report at Jonas Henry and George "Tiny" Calloway.

The latter, having pulled the Red Grange act a portion of the summer, has dropped some surplus poundage, and is aparently "raring" to go.

George Goodman, veteran, of many gridiron battles, is under doctor's orders, and will probably not be seen in uniform this season.

OUTLAWS AND BELMONTS LEAD

The Outlaws and Belmonts are still tied for first place honors in the Pioneer Bowling League, both teams having won three games without a single defeat.

The Outlaws had a close call last Friday night when they played the Bowling Center team. The winners nosed out the Center five by only 17 pins. The Guilfords won a decisive victory from the Suburbans while the Cowboys were overwhelmed by the Belmonts.

The Orioles are taking the place of the Suburbans in the league as the men from the latter club forfeited several games by failing to show up on time. All games are scheduled to start at 8:30, and teams are expected to be on the alleys at 8 p. m.

BLACK BILL BEATS DENCIO

New York.—Black Bill, Cuban flyweight champion, won the decision over Young Dencio of the Philippines in a fast 10-round bout at the Commonwealth club Saturday night. It was their second meeting, Dencio having won the first on a foul after a hard battle.

Black Bill will meet Willie Davis in the semi-final of 10 rounds in Philadelphia, Wednesday night.

Philadelphia, Pa. (A.N.P.)—Joey Williams, who upset the dope a few weeks ago by beating Al Gordon, white, and who was to fight again last Monday night, but for an injury to Gordon, which prevented the match, scored an easy victory over Chcik Kansas, white, who acted as substitute for Gordon.

Sox Cuban Catcher Leads In Afro Contest With 466 Votes

Rojo, Sox catcher, still forges in front of the rest of the players in the AFRO-AMERICAN baseball popularity contest. Thursday morning Rojo had polled a total of 466 votes, nearly 100 in the lead of Wilson who has 372.

Wilson backers are plugging along steadily and looks like before the contest is over some upsets will occur that will take thefans by surprise. Britt rooters stag'd a rally last week and carried his total over the 300 mark. Strong jumped from 170 last week to 280.

The sensational fielding of Day in the last few games has given his stock a decided increase. From 153 last week to 267 this morning is no so bad.

Rojo certainly is a popular fellow in Philadelphia. We know he would be a hit on the Hilldale club as the Quaker fans are pulling for him tooth and toe nail.

Although Martin Dihigo is a Cuban, he isn't voting for Rojo. Mr. Dihigo is a Wilson fan and says the "Babe" is the best in the business. Louis James, Montgomery St., says Britt is not only a good pitcher but he is the best hitter among the pitchers in the league, which is a mighty good argument.

The standing up until Thursday morning follows: Rojo, 466; Wilson, 372; Britt, 308; Strong, 280; Day, 267; Holloway, 94; Johnson, 14; Fial 12; Clark 7; Jeffries, 7.

HUBBARD IS FIRST IN DUAL ATHLETIC ROLE

By J. P. ABRAMSON

New York.—When De Hart Hubbard was nosed out by Frank Hussey, and Jackson Scholz in the final heat of the national championship at 100 yards h just missed equaling a feat that has not been performed in twenty-six years. Since 1899 no athlete has been able to win both the running broad jump and sprint titles in the National A. A. U. meet.

This difficult trick has been accomplished on only five occasions in the history of amateur championships—thrice by the same man. Combinations of really great sprinters and broad jumpers have appeared at infrequent periods, and though Hubbard failed to win both titles in the 1925 meet in San Francisco in July he proved his super-class beyond a doubt. The 100-yard final was one of the closest in history; in the semi-final he and Hussey had run a dead heat in 9 and 7-10 seconds.

The former Michigan star, of course, has already gained his niche as the world's greatest broad jumper and by far the greatest ever. He held the world's mark of 25 feet 10 7-8 inches. He has beaten 25 feet the national title four years in a row and also the Olympic honor, nearly a dozen times. He has won Over a long stretch he has reigned supreme, undefeated in his specialty.

Marvel From The Start

With all these broad jump laurels to his credit he turned to sprinting in a serious way this year. He proved a sprint marvel from the start. He has bettered evens practically every time out. In the national collegiate meet he coasted home in 9 7-10 seconds and in several other races he returned 4-5 of a second. Monday night in his first appearance as a sprinter before New York fans he gave a wonderful exhibition of speed in sweeping a series of 50, 75 and 100 yards against three of the fastest men in training—Jackson Scholz, Chester Bowman and Alfred Laconey—and did it in most convincing style.

Speed from the getaway is the feature of his sprinting. Loren Murchinson is regarded as the only sprinter able to give the Cincinnati sprinter a battle over the shorter routes and they haven't met as yet. In this connection it is a coincidence that Hubbard is planning t. settle in the metropolitan district, while Murchison is thinking of returning to the West.

In recent years the national broad jump champions aside from Hubbard have, been good sprinters. Ned Gourdin of Harvard, and Sol Butler, of Dubuque, among them. On the other hand, the sprint champions, Paddock, Murchison and MacAllister have not appeared in the dual role.

Hubbard Supreme

Alvin C. Kraenztlen, U. of P. all round performer on track and field a quarter of a century ago was the last to win both the sprint and broad jump titles. He did this in 1899, the year he also won the high and low hurdle race. Before him M. W. Ford; of the New York A. C. and later of the Brooklyn A. C. took both titles in 1885 and 1886. In 1883 he had won only the jumping event. In 1879 W. C. Wilmer, of the Short Hills A. C., became the first double winner in these specialties. Since Kraenzlien, however, no ath-

Wilberforce University Looms As Exponent In All Athletics

Ted Thompson, Sophmore, Holds American Tennis Association Singles Championship. Wrestling, Boxing And Swimming Is Fostered By Ohio School

(By Wilberforce Press Service)

In the line of athletics, Wilberforce a few years ago was not much in the running—but this year bids fair to see her colors flying high and ranking with the schools that have been holding the attention of the public at large in previous years.

Ted Thompson

It can boast of a student in the person of Ted Thompson who won the singles at tennis and now is crowned National Champion among Negro players. It is conceded that he would stand about as good a chance with the white players.

It boasts of a basketball team that is yet to be beaten on a regulation basketball court; and from facts holds the championship in basketball. Last year Wilberforce's basketball team journeyed to Atlanta, Georgia and beat Morehouse College, champions of the South, in an interesting but close game.

Morehouse later came to Wilberforce and received the worst drubbing a college team could receive. Morehouse then went East, met Howard, Lincoln, Hampton and others and took the bacon home. Before from the far south and beat such teams as mentioned and since Wilberforce beat Morehouse twice and played, it proves then that in basket ball not playing the teams Morehouse keeball Wilberforce is entitled to championship honors in basketball.

Shines In Baseball

In baseball, 17 games were played, 12 won and five lost. West Virginia Collegiate Institute being the only colored team played.

All other games were with schools in the Ohio conference. Two games were lost to Capitol, one to Muskingum, one to Wilmington and one to West Virginia. So in baseball Wilberforce stands out well in this section.

Good Track Team

At the Ohio State University Relays held at Columbus, Ohio, April 18, Wilberforce entered the 440 Sprint Relay and the 880 Sprint Medley Relay in Division Three Class B Colleges, and won second place, running against such schools as Ohio University, Ohio Wesleyan, Dennison, Otterbein, Oberlin, Cincinnati University, Detroit University, Bluffton, Findley and others—In track Wilberforce stands out well.

Other Sports

In its ranks it also has an indoor baseball team, a volley ball team and a soccer team.

It has wrestlers, boxers, and swimmers; so in all these activities Wilberforce is pushing more and more to the front and it won't be long before it will be recognized among the leading Negro schools in athletics.

"Working Crew"

In football this year one of the best teams will be put on the gridiron that has ever represented Wilberforce in all its history. With Callen, Lewis or Gurrell at left end, Slater at left tackle, Bickett at left guard, Buchanon at center, Evans at right guard, Calloway at right tackle and Woolridge at right end, Wilberforce can boast of a lien hard to beat.

It does not boast of a combination with Harding at left half, Wu Fang known as "The Four Horsemen", but Ward at full, "Bull" Williams at right half, Richie Longdon or Stout at quarter—it can boast of a "Wrecking Crew" noted to do as work.

Beat Lincoln, Howard and W.

The combination just named makes the appearance of the first string aggregation represent the Bull Dog. These men are heavy and fast and can do all a football team is supposed to do. Every man in the backfield is a triple threat man.

Holding the other honors as aforementioned, the Athletic Council and Coach Graves are making every effort to also hold football honors, for the Wilberforce slogan is "Beat Lincoln, Howard and West Virginia."

WHITE PIGEONS FLY FIFTY MILES AN HOUR TO WIN

Time 2.04 From Orange, Virginia

Homing pigeons of A. White, flying fifty miles an hour, the Western Broadway Homing Pigeons' Fanciers' annual 100-mile young bird flight here, Friday.

A very fast flight was made and good results reported, nearly all birds homed the same day. Five coops containing 253 male and female birds were liberated by the official Liberator, Dr. C. H. Moncure, of Orange, Va., promptly at 8:05 a. m. Weather at the start was partly cloudy and no wind.

The loft of A. White reported first and second best birds, closing out D. Frazier by 3-100 yards for second place, therefore giving Mr. White first and second places. The schedule of flight follows:

Statistics On Flight of Pigeons

Liberated	Arrival	Name	Miles

lete has carried off both.

Chet Bowman, Bill Comans and Bayes Norton are good examples of the sprinter jumper. They usually win both events in dual college meets. Bowman holds the I. C. A. A. A. 100-yard crown, while Comans and Norton have won the jump title. But neither Bowman, Comans or any other sprinter-jumper in A. A. U. or college competition has ever approached Hubbard's remarkable excellence in both lines.
