A SUPPLEMENT
TO THE
MARYLAND CODE,

Agreeably to the promise made to the Public in our Prospectus to the MARYLAND CODE, we now announce the publication at an early day, of the

First Volume of our Supplement to the Code,

IT WILL CONTAIN ALL THE

General and Local Laws,

Passed by the Legislature at the Extra Sessions of 1861, and the Regular Session of 1862, arranged under their Proper Titles to Correspond with the Code, to be accompanied with Accurate Tables, showing at a glance, the Articles and Sections of the Code, Repealed or Amended, with References to the Chapter and Section, by which amended or repealed, to which will be added in an

Appendix, the Private Acts and Resolutions of the Extra and Regular Sessions. The whole to be carefully Indexed.

To render the work still more valuable, we shall prefix the CONSTITUTION OF THE UNITED STATES, with its Amendments, with Marginal Notes, referring to the Decisions of the Supreme Court—Also the CONSTITUTION OF THE STATE OF MARYLAND, with Marginal Notes and References to Acts of the General Assembly and Decisions of the Court of Appeals, and an Appendix and Index.

We believe we thus offer to the public a work invaluable to every Lawyer, Magistrate, Politician, Business Man, and every Citizen of Maryland, and one invaluable to every possessor of the Code.

The importance of the legislation of the late sessions of the Legislature, affecting as it does, the interests of every man in the State, renders it a matter of the greatest moment to each individual, to have in a convenient and accessible form, the Acts of Assembly, and it is scarcely less so to have embodied in the same volume, the Important Resolutions which enunciate the policy of the State in the present crisis, while it will prove a matter of no slight moment to individuals and corporations, thus to have preserved in a permanent form, the Acts on which their rights and interests may depend.

By continuing the publication of the work, as we propose, it is believed that the Bar of Maryland will have the Statute Law of the State in a form as convenient and accessible as that of any State in the Union.

☞Such as may desire to secure the Supplement, will do well to order at once, as the extent of the Edition will be regulated by the number of subscribers.
