Ayer's Cherry Pectoral.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its ravages, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or tuberous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S

Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its frightful consequences. Hence it should be employed for the cure not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, NEURALGIA and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC

are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse and invigorate every portion of the human organism, correcting disorders which make sad havoc in healthy stations. As a consequence of their properties, the invalid who is bowed down with pain or physical debility is consoled to find in them a speedy release from his sufferings, and restored to health and vigor.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous ills. The skillful physician will find it pleased to furnish gratis any American Almanac containing certificates of their cures and direction for their use in the following complaints: *Costiveness, Dyspepsia, Dysentery, Foul Stomach, Nausea, Nervous Irritability, Nervous Headache, Neuralgia, Pain in the Side, Palpitation of the Heart, Pimples, Pustules, Quotidian Fever, Rheumatism, Retention of Urine, Salt Rheum, Scald Head, Scurvy, Scrofula, Scrofulous Humors, Scrofulous Inflammations, Scrofulous Consumption, Scrofulous Deposits, Scrofulous Tumors, Suppression of Urine, Tetter, Tic Doloureux, Tumors, Ulcers, Venereal Diseases, Vertigo, Weakness of the Back and Limbs, Whites, Wind in the Bowels, Worms, Inactivity of the Bowels, Costiveness, Loss of Appetite, Jaundice, and other Bilious complaints arising from the state of the blood or obstruction of its functions.*

Ayer's Cherry Pectoral

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

Science is the full of humanitarian and so numerous are the cases of its cures, that almost every section of country abounds in persons who kindly know, who have been restored from alarming and even desperate illness by its timely use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate to accept it when recommended for the distressing and dangerous affections of pulmonary organs that are incident to our climate. While many inferior preparations thrust upon the community have died out, this medicine, during its long career, has gained friends by every trial, numerous beyond all the addicted they could ever hope, and its indeed cures too numerous and too remarkable to be forgotten.

YOUNG MEN.

Especially, who have become the victims of *Solitary Vice*, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the highest exalted talents and brilliant intellect, who might otherwise have entranced listening Senators with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men, contemplating Marriage, being aware of Physical Weakness, Organic Debility, Deformities, &c., should immediately consult Dr. J., and be restored to perfect health.

OFFICE No. 7 SOUTH FREDERICK ST., first door going from Baltimore street, a few doors from the corner. Fail not to observe the name and number, for ignorant, trifling impostors, attracted by the reputation of Dr. Johnston, lurk near.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.

When the misguided and impudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an illtimed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, ulcerated nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing on with fearful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that bourne from whence no traveller returns."

It is a *melancholy fact* that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that *Deadly Poison, Mercury*, ruin the constitution and make the residue of life miserable.

TAKE PARTICULAR NOTICE!

Dr. J. addresses all those who have injured themselves by improper indulgences and solitary habits which ruin the body and mind, unfitting them for either Business, Study, Society or Marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, symptoms of Consumption, &c

MENTALLY—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

NERVOUS DEBILITY—Thousands can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy weakness of the organs is speedily cured, and full vigor restored.

Numbers of the most nervous and debilitated, who had lost all hope, have been immediately relieved.

All impediments to Marriage, Physical or Mental Disqualifications, Nervous Irritability, Trembling and Weakness, or exhaustion of the most fearful kind, speedily cured.

YOUNG MEN,

Who have injured themselves by a certain practice indulged in when alone—a habit too frequently learned from evil companions at school, the effects of which are nightly felt, even when asleep, and if not cured render marriage impossible, and destroy both mind and body, should apply immediately.

What a pity a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons MUST, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

TO STRANGERS.

THE MANY THOUSANDS cured at this institution within the last eighteen years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the papers and many other persons, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

TAKE NOTICE

It is with the greatest reluctance that Dr. JOHNSTON permits his card to appear before the public, deeming it unprofessional for a physician to advertise, but unless he did so, the afflicted, especially strangers, could not fail to fall into the hands of the many impudent and unlearned impostors, with innumerable false names or combined Quackshops swarming these large cities, and copying Dr. Johnston's advertisements. *Shoe Menders, Bed Bucks, Sweeps, Lamp Trimmers &c., poor and contemptible Imitators*, whose Lives instead of at the Noble Science of Medicine, have been spent in the most *Menial Capacity*, now styling themselves *Regularly Educated Physicians*, illiterate shallow-brained fellows, too lazy to work at their original trade, with scarce two ideas beyond a brute, who, for the purpose of enticing and deceiving, carrying on five or six offices, under as many different false names, so that the afflicted Stranger escaping one, is sure to tumble headlong into the other; ignorant Quacks with enormous lying certificates of great and astonishing cures, from persons not to be found, who keep you taking large bottles of Liquorice Water and other packages of filthy and worthless compounds, cunningly prepared to impose upon the Unfortunate and unsuspecting. Trifling month after month, or as long as the smallest fee can be obtained, and, in despair, leave you with ruined health, to sigh over your galling disappointment.

Persons doubting these remarks can try those impostors, be ruined in health and be convinced.

Dr. Johnston wants no patients but those fully capable of appreciating and distinguishing the services of a regular thorough bred Physician from the paltry, designing and unlearned Quack
