A FREE TRIP AROUND THE WORLD

THROUGH the unstinted generosity of Mme. A'Lelia Walker, president and owner of the Madam C. J. Walker Manufacturing Co., this company will give four free trips around the world (all expenses paid)! The persons listed on this page are candidates for these trips. Some four of them will realize what few persons ever dreamed to take,—a trip around the world. Some four will travel 30,000 miles, visit thirty-five cities in fifteen countries, have a four months' vacation as our guests. If you please, from these candidates will come four ambassadors of our race to the four corners of the earth, where will be revealed to them in wondrous splendor the colorful pageant of the world, Occident and Orient alike.

District One
