THE LARGEST!
THE BEST SELECTED!

ever before exhibted here, and now offered to the people of Kent and adjoining counties.

Our Clothing is direct from our own manufactory in Philad. and it needs no further comment as to quality, style, beauty, strength and cheapness, because they have been tried for over three years by the public, and have been proved to be just as represented. The Clothing being all of OUR OWN MAKE, it does not go through two or three hands before we offer it to the public. It is needless to say then, that through every additional hand the goods pass an additional profit is added. Of course, in offering our stock to the public, we are enabled by the facilities we enjoy, to give them goods direct from the manufactory, at the very

Lowest Philadelphia Prices.

Our stock comprises all the NOVELTIES of the season, and making the most attractive and perfect stock of ready-made Clothing ever before offered. We can sell you Clothing of all grades 25 per cent. lower than any other house in town. Our low rent, no exhorbitant expenses and facilities for getting goods, is the secret of our large sales. We have constantly on hand and will receive fresh additions to our stock every week during the season, the latest styles of Gentlemen's, Boys and Youth's Clothing, such as Overcoats, Business coats, Promenade coats, Sack coats, Dress and frock Coats, Pants and Vests of all colors, makes and styles. An immense stock of *SERVANT'S CLOTHING* which we will sell lower this season than heretofore. Also, a beautiful assortment of

☞ Their Clothing as usual is manufactured in the establishment of I. FRANK, 110 W. Pratt st., in the city of Baltimore, and his workmanship being sufficiently known, needs no further commendation.

Of BOOTS and SHOES, especially of the former, they have a very extensive stock of heavy stock of heavy Kipp and fine calf-skin, city made, which proved so satisfactory last winter that it needs only an allusion to where they can be had to insure a ready sale.

In the HAT and CAP line they are supplied with a varied assortment of all the latest styles such as "Prince of Wales," Opera, Hungarian, Zouave, Continental, from the lowest to the finest qualities.

BOY'S CLOTHING!

always on hand. Clothing made to order in the latest style at the shortest notice.

PRODUCE taken in trade on the most accommodating terms!

Only call and examine the quality of our goods and our way of doing business and you won't deem it necessary to look around for the best bargains before purchasing, and if you should choose to do so you will certainly come back and admit that the best place to buy clothing is at
