I HAVE NO AGENTS
I MEET YOU IN PERSON

I Have
$500,000.00 To Loan
1st-2nd-3rd Mortgages
WEEKLY PAYMENTS

The City has demanded payment of 1926 taxes. Have you paid yours?

A great many people put off painting, papering and improvements upon their property because they do not have the ready cash to pay the necessary expenses; neither do they see how to go about securing the money.

If This Is Your Trouble Come To Me

I will lend you any amount necessary for your needs with the payment so small, either by the week or month, that you will never notice the amount taken from your earnings.

Many people hesitate to borrow money upon their homes because they are unable to see how to pay it back.

You need not have any fear with me. My plans are simple, reasonable and exceedingly fair.

Come To Me, Do Not Go Elsewhere

Give me your confidence and I guarantee you mine. I can make you a standing mortgage for 1, 2, 3 or 5 years, strictly 6 per cent. interest, payable every 6 months. I can give you a Building and Loan Mortgage for 10 years on a small weekly payment plan.

BEST OF ALL, I CAN GIVE YOU A END MORTGAGE BUILDING AND LOAN PLAN, PAYABLE WEEKLY, AT THE RATE OF 37 CENTS, PRINCIPAL AND INTEREST, UPON EACH $100 BORROWED.

Your business is strictly private, whether you make a loan or not. I will come to your home night or day. Call me by telephone or drop me a line by mail. I can give you the money the same day. No charge for committees.

Let's talk it over. Cars No. 8, No. 10, No. 27, No. 32, bring you to my office door. No. 26 brings you within one block.

Make no mistake in the number, 639 N. Howard st. It is on the ground floor.

Nationally Known Piano Manufacturer Selects Blum's, 423 N. Howard Street, For Tremendous Factory Sale

Baltimore and Baltimoreans are fortunate in that the famous "Gabler Baus" piano factory have selected this city and Blum's magnificent new Howard Street Store for a tremendous Factory Sale. Never in Baltimore, to our knowledge has it been possible for the homeowner to purchase his musical instruments direct from the manufacturer, enjoying the great saving that this direct purchase makes possible—and this month just such an opportunity is offered you.

Quite naturally in a city the size of Baltimore there are sales and sales, and the prospective owner of a piano or any other musical instrument for that matter has a wide choice. But seldom is a sale offered under the direct supervision of the manufacturer—a sale where the manufacturer's own personal representative is on hand to help and counsel in the selection of an instrument that will best fill the requirements of your home.

For a week now pianos of all types—uprights, grands, players and reproducing grands have been arriving at Blum's big Howard Street establishment. Every one of them is brand new. And every one is perfect, having been thoroughly tested and inspected at the factory before being shipped to Baltimore for this wonderful sale. All over the country then name of "Gabler" is famous wherever fine pianos are used. In homes, on concert stages and theatres-wherever beautiful music is enjoyed the great house of "Gabler," famous as piano builders since 1854, is enthusiastically endorsed.

This is an unusual but nonetheless welcome opportunity to buy that new piano you have been planning to get for the home or to trade in your present instrument, say your upright for a grand—or perhaps you prefer a reproducing grand. Never before has it been possible to deal direct with the Gabler factory. Never before has it been possible to buy these famous instruments in Baltimore at anywhere near the prices that are quoted in the Blum advertisement elsewhere on this page.

If you plan to buy a piano any time in the near future, you will not want to miss this rare opportunity. And to the many attractive advantages of purchasing a Gabler direct from the factory, the great Blum organization have added the convenience of their wonderful Unlimited Credit. By special arrangement Blum's will take over the contract of sale and you can buy your instrument now with only a very small down payment and pay for it out of your weekly earnings—only a little each week. We are informed that Blum's have on hand sufficient pianos to take care of a trtemendous demand, but as this sale is bound to be enthusiastically received by Baltmore music lovers we offer the suggestion that prompt action will insure quickest delivery of your instrument.

IN MEMORIAM

BIDDLE—In sad but loving remembrance of my dear daughter, Mazie J. Biddle, who died June 24, 1903.
Unknown and forgotten by some you may be,
But the grave that contains you
Will never be forgotten by me.
BY HER MOTHER, EMMA BIDDLE.

LANCASTER—In loving memory of our dear mother, Mary Isabel Lancaster, who passed beyond June 28, 1922.
Dear mother, five years ago you left us,
For that beautiful city
Where the holy angels dwell,
But you left in our minds a flower to plant,
One of your own personality,
Profounded by our Lord.
Sadly missed by her daughters, SADIE GRISBY, BELLE BENSON, and son, BENJAMIN LANCASTER.

TAYLOR—In sad but loving remembrance of our dear mother, SUSIE TAYLOR, who departed this life two years ago, June 20, 1924.
MOTHER
For many years her guarding hands had toiled,
And wrought a tightened band
About her children and her home,
As a mother's love to all her own.
Our mother's gone—O may she rest
Among the angels, who have blessed
Her weary soul and careworn heart
Through all her years that seemed so dark.
Upright and faithful in all her ways,
She had a wonderful character to the end of her days;
A loving mother, both true and kind—
What a wonderful memory she left behind!
No more she'll see our happy smiles;
No more she'll hear our footsteps file;
We'll all think of her until our end,
And trust to God we'll meet her then.
BY HER LOVING CHILDREN—
DAUGHTER, HATTIE TAYLOR-STEWART; SONS, SAMUEL P., AND CLARENCE W. TAYLOR.

MRS. SARAH R. YOUNG
On Tuesday, June 22, 1926, Mrs. Sarah R. Young, beloved wife of George A. Young, died at her late residence, 638 Stirling street. Funeral from Waters' A. M. E. Church, Friday afternoon at 2 o'clock.
The Saints who die of Christ possessed
Enter into immediate rest;
For them no furhter test remains
Of purging fires and torturing pains.

Rufus Tankins Wins 6 Mile

By John A. Price

PITTSBURGH.—The track team running under the colors of Holy Cross Protestant Episcopal Church and Rufus Tankins representing the Edgar Thompson Athletic Association of the Edgar Thompson Steel Works came through with high honors in the 19th annual free athletic meet, held under the auspices of the Pittsburgh Press, at Pitt Stadium, Saturday.

TANKINS WINS

Rufus Tankins, youthful protege of the famous Earl Johnson, bids fair to outdistance even his great teacher. He won the six-mile race, winning at the same time the district championship for this distance in the Allegheney Mountain Association of the A. A. U. His time was 32:49 1-5.

At the start of the six-mile race Saturday, Tankins went out in the lead, followed by Corbett of the Pittsburgh Athletic Club. During the first mile these two ran separated by barely five yards at any time.

UNNERS LAPPED

At the beginning of the second mile Corbett came up to Tankins and the two alternated for the lead throughout this lap. In the third lap Tankins picked up speed and steadily forged ahead of Corbett opening up a lead in every lap.

After the third mile Tankins kept outdistancing his opponents, finishing 220 yards ahead of Corbett, the nearest man. It was a great race with Tankin lapping every man except Corbett. Some he lapped twice.

S. S. Booker To Speak

S. S. Booker, former "Y" Secretary, will address the Baptist Ministers of the city Monday, 28th, at Trinity Baptist Church. "The Present Religious Program is Inadequate to Meet the Needs of Today," will be his farewell message to the ministers.

MARSE Says:

SUCCESS

IN LIFE COMES FROM TWO THINGS:

First: The wisdom to recognize an opportunity when it comes to you.

Second: Your ability to take the proper advantage of such an opportunity.

If You Have
SAVED
$50.00, $100.00
$200.00, $500.00

then MARSE says you should recognize your opportunity to BUY a home, and start yourself on the road to success.

IF YOU WILL COME TO MARSE he will show you how you can take advantage of the opportunity he is offering you to be in a home of your own without paying any more than you are now paying as rent.

Remember the desire to succeed must come from YOU—Marse can only help you after you have that desire. And just as soon as you show Marse that you really WANT to own a home just so soon will you realize that desire through Marse's easy payment plan.

Don't Wait for a Better Opportunity
Now is the Accepted Time.
