WONDERFUL MEDICAL CURES OF RHEUMATISM BY THE APPLICATION OF PROF. CHARLES DE GRATH'S "ELECTRIC OIL."

I propose to cure almost instantaneously, individuals afflicted with Headache, Neuralgia, Chill, Fever, Ague, (while the paroxysm is on,) Rheumatism, and all irrational affections.

I propose to check and effectually dissipate more ache and pain, and to accomplish nearer and more perfect equilibrium of all the functions of Nature, in a shorter time than can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges.

I do not propose to cure every disease, but all such as are curable by any combination of medical appliances. My Electric Oil operates on organic and electric principles, and is, therefore, applicable to the cure of radical restoration of any organic derangement, arising from an improper circulation of Nervous vital fluid.

One of the most remarkable cures was made in Gallatin, Mo., of the wife of Hon. Albert Jump, Esq., so well known, (having suffered nine years,) that Dr. Goldsborough, together with the first merchants, druggists, and both the editors of that place, gave a certificate, (the manuscript being in our office now) He was cured in one day. It made a great excitement, and hundreds of people have been and now are sending.

GREAT CURES, CITIZENS, READ!

RHEUMATISM.—Mr. Joseph D. Battle, 9, Myrtle street, says the Electric Oil cured him immediately.

FELON.—Charles Sexton, Esq., Ex-Mayor of Camden, says six applications cured him.—Also, cured his Rheumatism.

NEURALGIA.—Mr. David Mann, 499 Vine st. says he was great sufferer, but the Oil cured him. So says E. H. Grant, Esq., 317 North Eighth street.

CROUP.—This Oil is infallible for Croup.—Ask a lady at Girard House.

FEVER AND AGUE.—The Electric Oil will cure this in one night. Ask Wm. Watson, corner of Rose and Shippen lanes, and others.

Dr. Graff's Electric Oil is therefore of this age, for the following (not everything:)

Cures Rheumatism, often in a day.
Cures Deafness one to ten days.
Cures Neuralgia Toothache, two minutes
Cures Cramp in Stomach, one minute.
Cures Burns, Bruises, Wounds, one to three days.
Cures Pains in Back, Breast one day.
Cures Headache, fifteen minutes.
Cures Ear-ache, Stiff Neck, Ague, one night.
Cures Piles Swelled Glands, ten days.
Cures Felons, Broken Breast, Salt Rheum, three to six days.
Cures Quinsy, Palpitation, Pleurisy, one to ten days.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or hollow puffing. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles, and from its manifest steadily increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known. We not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and its diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid impurities from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It invigorates the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that pangs of long sleepless nights follow. The question of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her calamitous trials and responsibilities. Nurses themselves generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dyspepsia, indigestion, loss of appetite, and all diseases or derangements of the stomach, supernaturally invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "H. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and moreover that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.
